HISTORICAL STATEMENT

The North Carolina Conference was set off from the Virginia Conference in May, 1836, and in 1850, and again in 1870, North Carolina territory in the South Carolina Conference was transferred to this Conference. In 1890 North Carolina territory in the Holston Conference and in the Virginia Conference, except that beyond the Chowan River, was transferred to the North Carolina Conference, and the Conference was divided into the North Carolina and Western North Carolina Conferences. In 1894 the remaining North Carolina territory in the Virginia Conference was transferred to the North Carolina Conference.

The North Carolina Conference of The Methodist Church was composed of the North Carolina Conference of the former M. E. Church, South, and parts of the North Carolina Conference of the former Methodist Protestant Church and the Blue Ridge-Atlantic Conference of the former Methodist Episcopal Church. The former Methodist Episcopal Church gave to the North Carolina Conference of The Methodist Church 9 preachers, 11 charges and 1,837 members; the former Methodist Protestant Church 23 preachers, 20 charges and 9,152 members; the former Methodist Episcopal Church, South, 273 preachers, 226 charges and 132,735 members.

RULES OF ORDER AND PROCEDURE FOR THE NORTH CAROLINA ANNUAL CONFERENCE OF THE METHODIST CHURCH

I. RULES OF ORDER

1. Robert's Rules of Order shall apply to any situation not covered by these Rules.
2. No member who has the floor may be interrupted except for a breach of order, a misrepresentation, to direct the attention of the Conference to the fact that time has arrived for a special order, or to raise a very urgent question of high privilege.
3. No member shall speak a second time on the same question if any member who has not yet spoken desires the floor, nor more than twice on the same subject under the same motion, nor longer than ten minutes unless his time shall be extended by the Conference, except as provided in Rule 4.
4. When the report of the committee is under consideration and when all have spoken who desire to do so, or when (and after) the previous question has been ordered, the chairman and/or duly authorized member or members presenting the committee's report (and the minority report if there be one) shall be entitled to speak before the vote is taken.
5. A member claiming the floor at any time for what he believes is a very urgent question of high privilege, shall be allowed to indicate briefly the nature of the question, and if it be adjudged by the chair to be such, he may proceed at his pleasure, or until the chairman judges he has exhausted his privilege.
6. Voting shall be by a show of hands unless otherwise ordered by the Conference. A "yea" and "nay" vote, if taken, shall be by written ballot, which result will be published in the Conference Journal. WILLIAM CARLISLE WALTON, JR.

1918-1959

William Carlisle Walton, Jr., was born to Mr. and Mrs. William Carlisle Walton, Sr., on February 7, 1918 in Memphis, Tennessee. He attended public schools in Illinois and New Jersey before entering Bob Jones College. He was graduated from Maryville College in Tennessee.

Carl was married to Mary Jane Person of Atlanta, Georgia. They have four children: Patsy, born February 4, 1949; Pamela, born August 13, 1952; William, born July 18, 1954; and Lee, born on April 24, 1957.

While serving as a Personnel Officer with Western Electric, he was called into government service, and became a weather officer. During World War II, he spent a major portion of his four years in Assam, India, as a meteorologist, and was a Major in the Air Force Reserve at the time of his death.

He returned to his position with Western Electric, and while there felt called to the Methodist ministry, and became the first person ever licensed to preach from the South Orange Methodist Church. He enrolled at Duke Divinity School in the fall of 1947, and was graduated in 1951.

Carl served the Apex, Holly Springs and Macedonia Methodist Churches while at Duke Divinity School. He came to Raleigh to organize Longview Methodist Church where he served for six years.

In the spring of 1958 he was employed by the Television, Radio and Film Commission of The Methodist Church as the Director of Television Ministry for all of Methodism; with headquarters in Nashville, Tennessee. While flying to a conference in New York City, he met his death in an air crash near LaGuardia Airport on the morning of February 4, 1959. Interment was in Montlawn Cemetery, Raleigh, North Carolina.

On his last birthday, John Wesley sang one of his favorite hymns, "Lord, in the strength of grace, with a glad heart and free; Myself, my residue of days I consecrate to Thee; Thy ransomed servant I, restore to Thee Thine own; from this moment live or die, to serve my God alone."

While this should represent the basic desire of every Christian, we were able to see his desire exemplified in the dedication of Carl Walton.

Faithfully he witnessed to the Lord he loved. He answered the call to the ministry after he had served his country with distinction, after he had carved a place of significance in the business world.

After his ordination he began to build. Laboriously but with joy, he built, brick upon brick, life on life, plan on plan. He worked tirelessly for long hours to counsel, witness, pray, and strengthen family ties; to create in men and women the recognition of God in human life.

Impressively he loved his family and large circle of friends. He cherished the moments they could share together. He boasted with love and affection of the leadership of his parents in the great church both loved. As a worthy son should, he treasured their advice and example.

No man could speak more highly than he of the beauty, the talent, or the love he found in his wife and four lovely children. For him, home was undiluted joy.

Few men have had the opportunity to win the deep and abiding friendship of so many as Carl. All of us have been strengthened by the realization in this trying hour of the many who respond to the friendship they have known.

Friends and family, all are richer because Carl Walton lived. Triteness does not

limit the truth of this declaration . . . to this our lives attest. These riches nothing can take away.

Early in his ministry he saw the broadened horizons possible through the use of the Audio-Visual method in religious education. He became a pioneer in this conference in the use of the visual method. This talent and devotion was recognized and he sought to share God's solution to all life's problems on the broader front of the nation's home television screens.

We quote from a letter by Dr. Harry Spencer, "In the midst of this inexpressible sorrow, which seems beyond our ability to bear, we are proud of the privilege we have had of working with men such as Royer, Bill and Carl. They had heard Christ call them to special service and they laid down their lives following their Master. We have faith that their heroic sacrifices may bear fruit in the lives of millions who have been touched by their work and that in God's wisdom and care we may meet again in the place He has prepared for us."

To him God was real, the things of the spirit were the realities of life, to walk as in the presence of and under the leadership of God was the natural walk for one who recognized his relationship as a Child of God.

Carl did not seek recognition of his accomplishments. He had no aspirations to greatness. He sought to make all men recognize the greatness that was inherent in becoming Sons of God.

"To love someone more dearly every day
To help a wandring child to find his way,
To ponder o'er a noble thought and pray,
And smile when evening falls;
This was his task.

"To follow truth as blind men long for light,
To do his best from dawn of day till night,
To keep his heart fit for His holy sight,
And answer when He called.
This was his task.

"And then his Saviour by and by to meet,
When faith hath made his task on earth complete,
And lay his homage at his Master's feet,
Within those hallowed halls;
This crowns his task!"

THOMAS A. COLLINS

BENJAMIN FRANKLIN BOONE

1889-1959

Benjamin Franklin Boone was born to James William and Rebecca Copeland Boone on March 2, 1889, at the homeplace in Northampton County, two miles from Jackson. He received his education in the public schools of that county and at Trinity College (now Duke University) in Durham. He joined the Reheboth Methodist Church at an early age and felt the call to the ministry while in his early teens. While a high school student at Rich Square, Ben was looked upon as the chaplain of the student body. In his senior year he was called on to preach the commencement sermon for his own graduating class.

Ben was married to Miss Laura Edwards of Roxboro, North Carolina, on November 30, 1916. For forty years they worked together, not only in the local church, but in the conference camps and assemblies. They were affectionately known as "Ma and Pa Boone" to thousands of young people throughout eastern North Carolina.

Ben joined the North Carolina Conference of the Methodist Church in 1916 at the Durham session, presided over by Bishop John C. Kilgo. He was ordained a deacon in 1918, and in 1920 he was ordained an elder and received into full connection at the Rocky Mount Conference. He held his first pastorate in Mebane and finished his ministry forty years later in Pikeville. His appointments included Mebane, Windsor, Whitakers, Pinetops, Pasquotank, East Rockingham, Cary, Zebulon, Fairmont, Jonesboro Heights, St. Pauls, Hookerton, and Pikeville.

Ben possessed many of the finer qualities of the Quaker religion as exemplified in the life of his grandfather, Edwin Copeland, a Quaker minister of Northampton County. He was a man of exceptional disposition, and his consideration of the feelings of others was an outstanding quality of his life. Ben's ministry, although all-inclusive, was especially to the neglected and underprivileged, the sick and afflicted. His gentleness and tenderness won him a place in the hearts of his people. His genuine concern and deep love for all was the focal point of his preaching and his pastoral ministry.

After serving his Lord and the Church for many years, Ben and Laura returned to Fairmont where they had spent five years serving Trinity Church. They built a lovely home on Floyd Street and settled down to a well-earned and well-deserved rest. From this home, Ben went to his Father's Home, just as quietly and beautifully as he had lived, on March 5, 1959, three days after his seventieth birthday.

Funeral services were held from Trinity Church in Fairmont on March 7, conducted by the pastor, The Reverend M. W. Maness, assisted by The Reverend D. D. Traynham of Jackson, and the writer. The body was laid to rest in Floyd Memorial Cemetery in Fairmont.

Ben is survived by his wife; his four brothers, The Reverend J. J. Boone of Durham, William A., D. L., and John E. of Jackson; and two sisters, Mrs. Katherine B. Jones of Creeds, Virginia, and Mrs. C. G. Hall of Durham.

HAROLD GLENN CUTHRELL

1908-1959

On Friday, April 3, 1959, Reverend Harold Glenn Cuthrell was called to his heavenly reward by his Lord and Master in Whom he had so much faith, and Whom he served so well.

It is better so. I saw him at his home one month before his passing. Internal cancer was rapidly ravaging his weakened body. Now he is at rest in that house not made with hands, eternal in the heavens.

Harold Cuthrell was born in Aurora on May 18, 1908, the son of Peter and Lena Hooker Cuthrell, and leaves surviving, his wife, the former Mary Decie Luther of Apex; a son, Glenn; and three sisters: Mrs. A. E. Brown and Miss Nellie Cuthrell of Maury, and Mrs. Robert Gradeless of Hubert.

I had the privilege one year in Bethel, where his mother was then residing, of teaching him English in high school. I soon discovered the brilliance of mind and speech that characterized him in manhood. He later attended Duke University, and received his ministerial education at Emory University, entering the ministry in 1942.

He filled two pastorates: in Marshallburg and in Maxton, in both of which his people loved him for the good man that he was. He had come to be considered one of the most outstanding of the younger ministers of the Conference, and the road of service in the ministry looked most promising, when in 1951 an operation on his throat for a malignancy brought to a close his ministry in the church and his many other speaking activities, especially in Masonry, to which he had given much time and attention.

During the few years of his activity in Masonry prior to 1951 he became known over the state as a foremost orator. His address as Grand Orator to the Grand Lodge, to which office I appointed him when I became Grand Master in 1946 still and will long be remembered by those who heard it as masterful and classic, a thing of beauty; and men will for a long time speak of it to their sons. Men sat in silence, in wonder and in pride to hear this young man so eloquently speak on the eternal verities of Masonry and religion, calling them back to the faith of their fathers and the challenge of this day. I read this address again last night, in tribute to my friend and brother as a truly great orator, and to draw inspiration therefrom.

One of the most beautiful of his orations was that delivered at the dedication of the Masonic Temple in Greenville in 1947, at which time he so accurately and vividly described King Solomon's Temple that his hearers could not only see it but could feel themselves in it.

His work in Scottish Rite Masonry was recognized in October, 1949 when he was elected to receive the investiture of the rank and decoration of Knight Commander of the Court of Honor for meritorious service to Masonry and to mankind. He was the active candidate, and so feelingly and beautifully responded that men remember it to this day.

What a bright future this good man had before him. In 1951 he lost the one thing by which he was best known and by which he so well served, his golden voice, which so eloquently spoke the noble thoughts of a great intellect and a great soul. His like will not soon be seen and heard again. And his words were not merely as the sounding brass and tinkling cymbal, for he had love, in a great quantity, and this made his speeches things of beauty.

I saw him in the hospital two days after his throat operation in 1951; I never saw more despondent man, even as you and I would have been. But not for long. Instead wallowing in the slough of despondency, and giving up, out of a faith the like of which I have not again seen, he threw off this feeling of frustration and despair, and never lost faith in his Lord and Master. He learned to speak all over again, and was able to and did fill preaching and speaking engagements from time to time, although unable to continue as the regular pastor of a church, until shortly before his last illness. He wrote for Masonic and Church publications, and wrote speeches for others, at a time edited a paper, operated a newsstand and bookshop, always giving voice to proof of his great and abiding faith in his God. This faith which so well describes man he often gave expression to in Whittier's poem which ends:

"I know not where his islands lift
Their fronded palms in air;
I only know I cannot drift
Beyond His love and care."

How beautifully he could quote, and with what meaning, the words of Isaiah: "Hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? There is no searching of His understanding. He giveth power to the faint; and to them that hath no might He increaseth strength; they shall mount up with wings as eagles; they shall run and not be weary; they shall walk, and not faint."

Probably his favorite quotation, and we can well judge a man by what he likes to quote, is from Martin Luther's hymn:

"A mighty fortress is our God,
A bulwark never failing,
Our helper be amid the flood
Of mortal ills prevailing."

The local Maxton newspaper had the following to say of him: "He was admired by all who had courage in the face of adversity. It seemed no greater misfortune could be befallen him than the loss of his voice, at almost the beginning of his life's work, his ministry. But with resolute courage he determined to carry on what he so deeply loved was his calling, and the example of his victory over his affliction perhaps constituted more good for others than his eloquent sermons could ever have done, for persons in trouble felt instinctively that he could understand. A modest and retiring man, few knew of the many calls he received, often in the middle of the night, from persons who were facing a problem they felt they could not solve, of his kindness and patience and his joy in helping others overcome handicaps. Some who heard his radio sermons came to Maxton to meet him and seek his counsel, and went away with renewed faith and hope.

Never did he seem discouraged, as he lived above the petty human frailties and weaknesses which permeate our lives. His memory will be cherished and revered by all who were privileged to know him. Truly it can be said of him that, "He fought a good fight; he kept the faith." He leaves a rich heritage to his young son, the memory of a noble example.

To which I add, slightly paraphrasing:

"Who gives of his life feeds three,
Himself, his hungering neighbor, and Me."

WILLIAM J. BUNDY

MRS. JAMES M. RICE**1875-1958**

Mrs. Mamie Matlock Rice was born September 22, 1875, in Alamance County near Burlington, North Carolina. She was the daughter of Rufus A. and Rebecca Taylors Matlock. When only a girl, she joined the Methodist Church and remained active in it the remainder of her life.

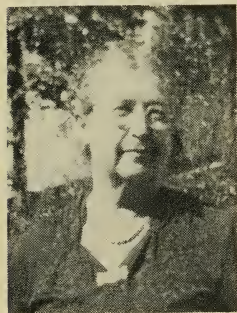

She was educated in the schools of Alamance County and received her teacher's certificate in 1895. On December 25, 1895, she became the wife of Rev. James Marshall Rice. To this union there were born four children who now live in Durham, North Carolina. The first years of their married life were spent in the Western North Carolina Conference and later Rev. James M. Rice transferred to the North Carolina Conference where he served until his death in 1905.

Realizing that her children must be educated, Mrs. Rice moved her family to Durham where they lived until her death. Mrs. Rice has played an active part in the life of the Methodist Church wherever she lived, playing the organ and teaching in Sunday School classes. During the time this writer has been in Durham frequent stops have been made in her home and in ways felt strengthened upon leaving same. Her was a home where Christian fellowship and counsel lightened the load and gave sure direction. Mrs. Rice died July 13, 1958. For seven years prior to her death, she had suffered ill health. Funeral services were conducted in the Asbury Methodist Church by her pastor, Rev. L. C. Vereen. Her body was laid away in the Maplewood Cemetery beneath the many floral offerings of friends and loved ones. It was to people such as she that Jesus said, "Where I am, there ye shall be also."

L. C. VEREEN

MRS. H. S. B. THOMPSON**1880-1958**

Mrs. Bessie Mae Lewallen Thompson, widow of the Reverend H. S. B. Thompson died at the Griffin Hospital in Asheboro, North Carolina, August 5, 1958, following a stroke from which she did not regain consciousness. She had been ill for some time from a previous stroke.

She was born August 5, 1880 in Asheboro, North Carolina, the daughter of the late Z. I. and Sarah Jane Lewallen, well known and prominent family of Randolph county. She was married to the Reverend H. S. B. Thompson of Alamance County, North Carolina, July 1902, with whom she lived until his death, November 19, 1949, at the age of 81 years.

To this union eight children were born, five of whom survive; Mrs. Frances Johnson of Asheboro, North Carolina; George L. Thompson of Roanoke Rapids, North Carolina; Alson G. Thompson of Baltimore, Maryland; H. S. B. Thompson, Jr., of Halifax, North Carolina; Mrs. Merle Davidson of Durham, North Carolina, and two step-sons, R. W. Thompson of Oklahoma City, Oklahoma, and L. S. Thompson of Durham, North Carolina.

Besides the children, grandchildren, and great-grandchildren who survive, Mrs. Thompson leaves one sister, Miss Lizzie Lewallen of Greeboro, North Carolina.

The funeral services were conducted at the First Methodist Church in Asheboro, North Carolina, of which she was a member, by the Reverend Brunson Wallace. Interment was in the Oaklawn Cemetery.

Mrs. Thompson possessed a sweet and winning personality. She was a faithful wife, good mother, a thoughtful friend and always willing to help those in need. This identified her with the Christ, who went about doing good, and whom she served long and so faithfully. To all such souls who fall asleep —

“Rest comes at length, though life be long and dreary;

The day must dawn, and darksome night be past;

All journeys end in welcome to the weary,

And heaven, the heart's true home, will come at last.

Angels, sing on! your faithful watches keeping;

Sing us sweet fragments of the songs above;

Till morning's joy shall end the night of weeping,

And life's long shadows break in cloudless love.

MRS. MERLE DAVIDSON

MRS. J. M. CULBRETH

1871-1958

It is an honor to have the privilege of writing these few words about one who was my mother. She was born into this life on November 3, 1871 at Standing Rock, on the Tennessee River in West Tennessee. Her itinerary thru life led her to Clarksville and Nashville, Tennessee, St. Louis, Mo., Fayette, Mo., back to Nashville, then to Durham, Rocky Mount, Chapel Hill, and Louisburg in North Carolina, Nashville again and then Canton and Charlotte, N. C. where freedom from the exigencies of the flesh was finally granted her on September 30, 1958.

My mother literally lived her life for others. Her life was never easy. At a tender age, while she was still in her teens, her own mother died and left her as the oldest girl in a family of nine children. She became the “mother” of the household. In this capacity she cared for the family thru the wrenching experiences of losing in death a younger sister and her father who was a prominent physician in Nashville at the time. The remaining children were provided a home by “Sister Ada” and all of them except her were able to receive a college education for life.

Undaunted by these heavy responsibilities and unburdened because of these obligations, she was in early middle life still giving herself as a helper in the homes of her brothers and sisters. When one of these sisters died, “Miss Ada” was available to take over with a family of four young children, one of them a new-born baby. A few years later she married the father of this family, Rev. J. M. Culbreth, and so chose for the rest of her life the responsibility of raising a family that was not of her flesh.

This she did well with the grace and nobleness of a Christian lady. She never had a child of her own, but she devoted herself to the children and the husband whom she had chosen to love. She fulfilled well the exacting duties of the parsonage, making every house into a home for her loved ones and giving of her time and talent to the parishioners. She was a student of books and a writer of poetry and history. She was a lover of the beautiful and a student of the stars, a knowledge which she shared with her children. She was a woman of faith as evidenced by her determined will to live creatively every day and by her calm serenity in the presence of disappointment and sorrow.

After her husband died in 1949 Mrs. Culbreth spent her almost ten years in quiet concern for the continued growth of each member of her family, in evident concern for the enrichment of the spiritual life of the Christian Church in the society of man, and in a prayerful concern for the peace of her country and of the world. A poem which she wrote in response to the event of the Second Assembly of the World Council of Churches meeting in Evanston, Ill., in 1954 reveals her faith and her concern:

EVANSTON: 1954

When nations strive to find a way
 To ease the world of cruel ill
 With Christ left out, — the work is vain;
 No secret pact the need can fill.
 "I am the Way, the Truth, the Life;"
 These words of Christ will ever prove
 To be the only road to Light
 That leads to everlasting Love.
 Christ is our Hope; this choice profound, —
 To hear, to heed, to follow Him
 Means fullest life for all mankind
 In lands the whole world around.

Because of her, we her children do not mourn her passing, for we believe that she passed from death to life, from hardships, toil and pain to accomplishment, fulfillment and pleasure in the presence of new associations. This is our heritage. This is the spiritual bond which unites us across the earthly miles — Mrs. L. J. Flemister, exchange professor of zoology at the University of Trujillo in Peru, Mrs. W. P. Finney, special education teacher in the public schools of Nashville, Tenn., M. T. Culbreth, co-director of Camp Sky Ranch for crippled children at Boone, N. C. living in Waynesville, N. C., and Rev. G. B. Culbreth, pastor of the Methodist Church at Stony Point, N. C. Our family hymn always has been

Blest be the tie that binds
 Our hearts in Christian love,
 The fellowship of kindred minds
 Is like to that above.

And it still is.

GEORGE B. CULBRETH

MRS. CHARLES THOMAS ROGERS, SR.

1881-1958

Mrs. Callie Mann Rogers was born in Newport, North Carolina, February 11, 1881. She was the daughter of Monroe and Fannie Porter Mann. Like the Psalmist, she was the heir of a goodly heritage which consisted of godly parents who nurtured her in a Christian home. Early in childhood she dedicated her life to Christ and became a member of the Methodist Church. In this relation she continued throughout her life.

On June 8, 1904, Callie Mann was happily married to the Reverend Charles Thomas Rogers, a boyhood playmate and sweetheart. To this union were born three sons who survive her: James M., of Elizabeth City, N. C.; Charles T., Jr., of Tarboro, N. C. and the Reverend Harry L., of Biscoe, N. C. Also surviving her husband, the Reverend C. T. Rogers, Sr., retired minister and member of the North Carolina Conference.

For forty-six years this lovely lady presided with queenly grace over the parsonage home of married charges in the North Carolina Conference, and served faithfully and effectively with her husband in the varied work of the ministry. Early in her career as a minister's wife, she identified herself with the missionary program of the Church. In interest, concern, and in the giving of her substance, she was indeed a true child of John Wesley, for she shared with the great Founder and spiritual father of Methodism the concept of a world parish. Her associates who had the privilege of knowing and working with her in the Woman's Society of Christian Service acknowledged her to be one of the ablest leaders in this area of the Church's life, particularly in the department of missionary education and mission study. Mrs. Rogers did not stint her time, talent, or labor in making the societies standard in the charges served by her.

husband. In this she was eminently successful, and from the achievement derived justifiable joy. Her contribution to the churches in this field can scarcely be measured, for there is no formula by which the value of an idea, vision or inspiration planted in a human heart or mind can be computed.

In November, 1952, upon the retirement of her husband from the traveling ministry, she moved with him to Tarboro, North Carolina. They were fortunate in the purchase of a home next door to their son Charles Thomas, Jr. Here Mrs. Rogers became a devoted and useful member of Saint James Methodist Church. She soon endeared herself to her neighbors in the community and associates in the church by her kindly spirit and unaffected gentleness and sincerity.

Due to ill health during her later years, Mrs. Rogers was confined to her home. Being a "shut-in," however, did not mean that she was a "shut-out." She retained a lively interest in affairs generally, and especially in matters that concerned the church. Paths are not beaten to one's door solely because one has made a better mechanical device of some sort. A path was beaten to the door of this dear, good woman because there people found a radiant christian personality; they found a sympathetic and understanding heart; they found an intelligent and well-informed mind that kept abreast of the contemporary scene. They found a cheerful and relaxed atmosphere of genuine goodwill. By these things they were attracted, and to these things they responded. Doubtless, too, they were reminded of St. Paul's allusion to "the Church in thy house."

On October 22, 1958, at the Edgecombe General Hospital in Tarboro, N. C., this saintly soul fell upon sleep, to wake again amid the brightness and glory of her Father's House of many mansions. The funeral service was conducted at Saint James Methodist Church, Tarboro, N. C., October 23rd., and burial took place at Newport, N. C. Her pastor and friend of the family, the Reverend W. Carleton Wilson, was in charge of the services.

She left behind her many treasured memories in the hearts of her loved ones and friends, but these would not compare with the treasures which she would now look upon, laid up by her in heaven. Many are they, other than her own children, who rise up to call her blessed.

MRS. V. A. ROYAL

1867-1959

Mrs. Lucie Reavis Royal, widow of the late Reverend Velerius Addison Royal, died in Duke Hospital January 18, 1959. The funeral was conducted in the Cary Methodist Church by her pastor, the Reverend B. L. Davidson and Rev. Joseph F. Coble, Superintendent of The Methodist Retirement Home in Durham. Interment was in the Cary Cemetery with her parents and loved ones.

Mrs. Royal, the daughter of George James and Martha Hayes Reavis was born May 12th, 1867, on a large plantation in Vance, at that time a part of Granville County. Father Reavis was a big slave owner. In the post war years, with no farm help he was compelled to sell his land. He with his wife and seven children moved to Cary so that his children could live at home and go to school. "Miss Lucie" as she was fondly called finished a Business Course and taught commercial subjects several years. She also served as post mistress in Cary for 14 years.

She always served God and her community when there was a place. She said, "I served in every capacity in our church except preacher and Sunday School Superintendent—as janitor? Yes. She reared a little orphan

niece and cared for her parents in their last years. She was a real help-mate to her husband until his death in 1929. She continued to point all who came to her to the straight and narrow way. She never harbored any injustice.

The last three years of her life she was crippled and maintained her residence at The Methodist Retirement Home, Durham, N. C. While at The Home Mrs. Royal spent a good deal of her time reading—namely the Book of Revelation.

MRS. D. R. WILLIAMS

1869-1959

In the early morning hours of February 2, 1959 Mrs. Elizabeth Thompson Williams departed this earthly life after 5 months of critical illness. She was born on May 8, 1869 the daughter of Henry J. Thompson and Edie Reeves Thompson of Orange County, North Carolina.

On July 18, 1894 she was married to D. R. Williams. Three children were born to Mr. and Mrs. Williams: Mrs. Staley F. Garrison, Sr., Burlington, N. C.; Arnold R. Williams, Burlington; and Ralph D. Williams, New York City.

She was the faithful wife of a consecrated Methodist preacher. In parsonages across our state her kind and sympathetic spirit was felt by her husband, children, church members, and people of the communities in which they lived. She went gladly from appointment to appointment making strong friendship wherever she went. She met every sacrifice with a true spirit of patience.

The church remained the central point of her interest. She wanted to be informed as to the activities within the local congregation, and the programs of the church at large. As long as she was able, she was regular in attending the service of worship in her church. Until the very end of her life she was one of the most faithful workers in our Woman's Society of Christian Service.

The funeral services were conducted in the Graham Methodist Church on February 3, with her pastor, Reverend T. J. Whitehead, officiating, assisted by Doctor Chester Alexander, pastor of First Presbyterian Church, Burlington. Interment was in the family plot in Pine Hill Cemetery, Burlington.

MRS. E. L. STACK

1879-1959

The two dates marking the life span of Mrs. E. L. Stack exceed the conventional length of human life by ten years, but the extent of her usefulness cannot be measured by even so long a stretch of time. Briefly the facts of her life may be stated thus:

Dora Belle Lawrence, born in a minister's home, July 23, 1879 at Seagrove, Randolph County, North Carolina. Her father was the Reverend William Wesley Lawrence; her mother, Irene Cox. She died at the home of her son, Norman L. Stack, February 14, 1959, at Beltsville, Prince Georges County, Maryland.

Sister Stack was a graduate of Whynot Academy, Randolph County, North Carolina. She taught school in that county for three years prior to her marriage to Dr. Elijah Leroy Stack, which occurred June 30, 1900. Thus for more than fifty years she was the helpmeet of one of the most useful and interesting ministers of the North Carolina Conference.

Mrs. Stack was active in every phase of church work throughout her long career. She began to teach Sunday School at the age of twelve and was unusually active in the work of education and religion for more than sixty years.

Thus runs the brief account of a most remarkable Christian woman's life work, but the mere facts do not begin to reveal the full worth of her character and service. The things which cannot be told in printer's ink are the quality of her life, the influence for good which she exerted, the inspiration which she furnished, the encouragement she gave, the words of cheer and consolation spoken, the gracious smile which drove gloom from the lives of so many — only eternity can properly evaluate the worth of these.

Mrs. Stack wrote no books, ran for no office, strove for no publicity, hunted no place in the limelight, yet it would be hard to imagine a life more influential than hers. She walked unassumingly along the pathway of duty, shirking no task, slighting no service. Her presence was felt for good in every community which was fortunate enough to claim her as a citizen. Wherever she went, wrong was reproved and goodness exalted. Wherever she went, education was promoted and religion fostered. Like her Master, she brought "beauty for ashes and the oil of joy for mourning" wherever she went. Thousands were blessed by her presence and aided by her kindness. Only high heaven can rightly estimate the worth of such a life as hers.

DURHAM DISTRICT

C. D. BARCLIFT, *District Superintendent*

The progress made in the Durham district this year is due to the effective leadership and devoted labors of the fifty-one pastors and the 21,500 members. The following paragraphs reflect some of their achievements, as they have been led, blessed, and used by our Heavenly Father.

MEMBERSHIP AND EVANGELISM. Reports to date (May 25) show that 619 members have been received on profession of faith, and 744 by transfer, with a net increase of 502 members.

CHRISTIAN EDUCATION. The enrollment in church schools is 14,590, a small increase over last year. Good attendance and interest characterized the Christian workers' schools held in Durham and Bahama. The youth have had two district-wide rallies this year with excellent attendance and programs. Vacation church schools were held in practically all of our churches.

LAY ACTIVITIES. There are seventeen Methodist Men clubs. Lakewood, Durham has been organized this year. Over one hundred certified lay speakers participated effectively in the No Silent Pulpit program. More than seven hundred laymen and laywomen were present at the lay rally held in February.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE. There are now seventy-five societies, including two new ones: Amity, Chapel Hill, and Soapstone, and twenty-three district members, making the district 100% organized. Also, there are six Wesleyan Service Guilds. There was an increase in both membership and giving to missions.

COLLEGE CAMPAIGN FOR CAPITAL FUNDS. The Durham district pledged the sum of \$503,212.13, which is 74.4% of the quota for the district, \$676,182.00.

ELIZABETH CITY DISTRICT

C. FREEMAN HEATH, *District Superintendent*

The successful work of the Elizabeth City District this year is the result of the faithful and cooperative leadership of both pastors and lay people. The Elizabeth City District pastors have demonstrated their genuine interest in the people over whom they have been appointed shepherds by their numerous visits. The thirty-seven ministers have made 6,813 sick visits, 4,129 visits in the homes of prospective members. In all, they have made 28,173 house-to-house visits.

Membership and Evangelism: 441 members have been received on profession of faith, 284 by letter, making a grand total of 725. There have been 595 losses, leaving a net gain of 130 for the year. One hundred sixty-two babies have been baptized. Eighty revival meetings were held, and 58 churches conducted visitation evangelism campaigns. Church membership in the district now stands at 15,683.

Christian Higher Education: In spite of three years of crop failures, the district received \$364,010 in pledges, or 77 per cent of the expected goal of \$473,000 in the campaign for Christian Higher Education. Thirty-one churches went over the top in meeting their goals.

Christian Education: The church school enrollment remains about the same as last year. Four Sub-District Christian Workers' Schools have been reported. Two Vacation Church School Institutes and Curriculum Seminars were held with an attendance of 209. Five young people attended the Vocations Conference at Rocky Mount. The district quota of youth participated in the Tri-District Youth Evangelistic Mission in New Bern. There are 66 Methodist Youth Fellowships with a combined membership of 1,374. The Rally Day offering amounted to \$765. There are over 1,000 subscribers to the "North Carolina Christian Advocate," and some 500 subscribers to "Together."

The Hebron Church on the Currituck Charge has purchased a new Conn Organ.

There are 74 Woman's Societies of Christian Service and five Wesleyan Service Guilds with a combined membership of 3,476. The Woman's Society of Christian Service is 100 per cent organized in the District.

The Hatteras and South Mills Charges will become self-supporting beginning with the new conference year, leaving only twelve charges on the Minimum Salary Fund.

We expect benevolences and salaries to be paid in full.

Lay Activities: Mr. Fred Ritter has been faithful and untiring in the discharge of his duties as District Lay Leader. It is with regret that we accept his resignation on account of health. He has successfully planned and executed the "No Silent Pulpit" schedule since its origin. The Laymen's Rally this year was the best both in program and attendance—545.

1958-1959 has been a wonderful year on the Elizabeth City District.

We want to thank the North Carolina Annual Conference for the privilege of working with the good people of the Elizabeth City District for the past six years under our beloved leader, consecrated shepherd, and tireless worker, Bishop Paul Neff Garber. Under his guidance the Elizabeth City District, in spite of hurricane, storm, flood and drought, has emerged from the cellar to take her rightful place among the Districts of the North Carolina Conference of Methodism. Bishop and Mrs. Garber have won the hearts of the people of the Elizabeth City District.

NEW BERN DISTRICT

A. J. HOBBS, *District Superintendent*

Loyalty to Christ and His Church has led our people, both ministers and laymen, to new heights this year. In every phase of our Church's program they have proved that great things can be accomplished when we let our Master lead the way.

Membership and Evangelism. As of May 16, we had received 1,428 new members into our churches, 652 of these by profession of faith. But our losses have been heavy—1,109—leaving us a net gain of 319. Three hundred fifty-three infants were baptized. Our Tri-District Christian Witness Mission brought 47 decisions for Christ. Two members came by transfer of letter.

Christian Education. With enthusiasm our District entered into our Conference-wide Campaign for capital funds for our colleges, raising in cash and pledges approximately \$404,000.

We have 15,835 members enrolled in our church schools, a small gain over last year. Vacation Schools, Bible Conferences, and Christian Workers' Schools have strengthened our educational program. 1,061 families receive our "North Carolina Christian Advocate."

Missions and Church Extension. Our churches have given \$18,000 for mission specials. The women keep our District 100% organized for the Woman's Society of Christian Service. Response to the several special causes has been gratifying.

New churches have been organized at Beulaville, and at Northwoods in Jacksonville. The new \$70,000 church at Newport has been formally opened.

Trenton Church, valued at \$30,000, has been dedicated. Education buildings have been dedicated as follows: Riverside, New Bern, \$40,000; Atlantic, \$30,000; Oak Grove, Hubert Charge, \$20,000. We have five new parsonages: Saint James, Greenville, \$18,000; Northwoods, Jacksonville, \$18,000; Midway-Bethlehem, \$20,000; Salem, \$20,000; Vanceboro, \$26,000.

We have spent on parsonages and church buildings \$292,000.

Pastors' Salaries. For 1959-1960 our Pastors' salaries will be \$13,885 in excess of this year.

RALEIGH DISTRICT

GRAHAM S. EUBANK, *District Superintendent*

This, my first report as a District Superintendent, is truly a report for the pastors and the lay people of the Raleigh District. No one in any position could have received greater support, cooperation, and help than they have given me and the program of our Church this year. During my recent illness, their friendship, prayers, and help with the work contributed immeasurably to my successful recovery. I am greatly indebted to all who have worked so faithfully and joyfully. Their heroic labors and love are to be found in a stronger Methodism and a more courageous Christian faith in the Raleigh District.

College Capital Funds Campaign: The College Capital Funds Campaign was conducted in each church in the District. It was received well in most churches; and even though the quota was not achieved, it was highly successful. Thirty-nine churches pledged 100%, or more of their quotas. We had 100% cooperation of pastors and churches in the Conference and District Rallies. The total amount pledged in the District was \$578,585.00.

Membership and Evangelism: The commitment of our pastors and our laymen to the major task of the Church, that of winning people to Christ and the Church, is evidenced in the addition of new members. Approximately 1,800 new members have been received in the churches in the Raleigh District, with a net gain in membership of over 700. Five of our churches have received more than 100 new members during the year: Cary, Edenton Street, Fairmont, Hayes Barton, Longview, and Trinity, with Longview, one of our younger churches, having the largest net gain in membership.

Christian Education: The total program of Christian Education has been promoted in the District. Four Christian Workers Schools have been held, with a larger enrollment than in past years. A Vacation Church School Institute was held, and Vacation Church Schools have been held in most of the churches. Sub-District youth meetings are held monthly, and a very successful District Rally was held in March. A large number of our children and youth attend camps, Christian Adventure Camps, and the Youth Assemblies and Conferences. We have had an increase of approximately 1,000 new members in Church School enrollment. Church School Rally Day, Race Relations Sunday, and Methodist Student Day have been observed with program and offering.

Missions and Church Extension: Mission Specials are being promoted, and our District goal is that each church in the District support one of each of the four areas of Mission Specials. We continue to urge support of the Ten Dollar Club and the observance of Church Extension Sunday in each church.

A new church, Asbury, has been organized in north Raleigh. This church is sponsored jointly by the Raleigh City Board of Missions and the Conference Board of Missions and Church Extension.

City planners predict that Raleigh will double its population by 1970, making it a city of 200,000 population. This means an increase of 10,000 per year. We will need to start at least one new Methodist church in Raleigh each year during this period of expansion if we meet our responsibility as a Christian church.

The Woman's Society of Christian Service: The Woman's Society of Christian Service, under the leadership of Mrs. D. H. Sutton, President, is making a real contribution

to the total program of the Church. During this year, two Sub-District meetings were held in each Sub-District, and a District Conference was held in the Spring. All of the meetings were well attended and well supported.

Lay Activities: Our laymen have been very active during this year working in the College Capital Funds Campaign, attending all meetings, including District and Conference meetings, the Laymen's Retreat at Duke University, and approximately 600 were in attendance at the Lay Rally. One hundred fifty laymen conducted approximately 200 services during Lent in the No-Silent-Pulpit Program.

New Buildings: New church buildings have been completed at Wesley Chapel, Franklinton Charge; Cool Springs, Mamers Charge; Sims, Mt. Pleasant Charge; Zion, Norlina Charge; St. Marks, Raleigh; and White Memorial, Henderson. Education buildings have been completed at Mt. Zion, Garner Circuit; Louisburg; and Union Chapel, Granville Charge. New parsonages have been completed at Bailey and Pleasant Grove Churches. New parsonages have been purchased at Longview Gardens and Mamers Charge. New churches are under construction at Garner; Layden Memorial; and Spring Hill and Union, Mamers Charge. An educational building is under construction at Lillington. New parsonages are under construction at Holly Springs and at Trinity Church in Franklin County. Several other churches and charges are planning new buildings and parsonages.

Charge Divisions: The Tar River, Vance, Granville, Middleburg, and Warren Charges will be divided, forming six additional charges for next year.

ROCKY MOUNT DISTRICT

WALTER C. BALL, *District Superintendent*

This report of necessity is brief, but it is representative of the faithful work of our Pastors, Laymen and Women of the Rocky Mount District. It has been a personal pleasure to share with you all the achievements in every field of endeavor this conference year.

Education: In the field of Christian Education for the local Church and for the program of higher Christian Education, we have had great success. In the college campaign the people of our District pledged \$522,901.00. The District rates second in its highest percentage and also in the amount it pledged. In this campaign many of our members and churches shared also very liberally in the first campaign put on to bring the college to Rocky Mount. They have set us a high ideal for this good cause.

We have added approximately a thousand new pupils to our Church Schools. Our Training Classes, and our Vacation Church Schools have all been well attended and with good results. Perhaps in the nine counties in northeastern North Carolina comprising the Rocky Mount District that still our greatest need is to captivate the minds and hearts of many children who are not in any Church School.

Evangelism: Revivals in all of our Churches are being concluded by the time of our annual conference. Thus far we have received into the Church some more than one thousand new members, and we have added to our Preparatory Rolls by the baptism of infants and small children, approximately 225. The winning of persons to Christ and His Church is the work of all dedicated Christians and we are trying to hold this before us at all times in the program of our Church.

Missions and Church Extension: In Missions, our Churches have supported the Garrisons in the amount of \$2,436.00. The Alaskan College has received \$1,105.00. For General and Conference Specials more than \$5,000.00 has been given. We have in the District 467 members of the Ten Dollar Club.

Our most important achievement in Church Extension comes through a gift of 2-6/10 acres of land in Wilson, North Carolina. This land has been purchased by the members of the First Methodist Church at a cost of \$15,000.00 and has been given free of debt for the establishment of a new Methodist Church on West Nash Extension. We expect Bishop Garber at the session of this annual conference to appoint a

pastor for this new church. It will be located near Wilson's handsome \$2,000,000.00 high school and is in a section of rare beauty, with vast possibilities.

Many of our churches are working towards the goal of becoming self-sustaining. This year the Roanoke Charge accepted a \$800.00 increase in salaries and becomes self-supporting. The Englewood Church, situated in Rocky Mount, will within this next year achieve this same goal also.

The expenditures on parsonages, educational buildings and general repairs, has amounted to \$878,000.00. The two significant achievements in this field has been the completion and the opening last fall of the new Education Building in Weldon and completely renovated Sanctuary. The church in Weldon now has facilities for every church purpose, adequate equipment that is hardly excelled by any church of this size in our conference. In January the handsome Sanctuary and the additional Church School facilities of the First Methodist Church in Rocky Mount were officially opened by Bishop Paul Garber and Bishop Ralph Cushman. This is a building of rare beauty and is a great asset to our people and the city of Rocky Mount. In Windsor a beautiful new Sanctuary and educational building is under construction. At Garysburg, we have under construction there a most excellent Educational Building which will be ready for use by the end of the summer. The parsonage on the Wesley Memorial Charge has been dedicated. The Gold Valley Sanctuary and Sunday School rooms, and the Sunday School rooms at the White Oak Church on the Windsor Charge dedicated also. Many of our parsonages and churches are working towards the clearance of all indebtedness against them in 1959-1960.

Finance: At the present time we are concluding the rounds of our Quarterly Conference. The "Askings" for 1959-60 are being accepted in full. All of our churches are now engaged in completing their local and conference budgets for this year. We are hopeful that these budgets will be paid in full. There has been demonstrated by our people a fine Christian spirit in accepting these conference items in full, as well as in many places increasing the salaries of the local pastors.

The Women's Society of Christian Service: Our women, led by Mrs. Harold Braswell and other consecrated women, have done a fine job in every phase of our church program this year. We have all been given sustaining encouragement in the college campaign and other works of the church through them. In their District meetings and Sub-District meetings which I have had the privilege of attending, I have found them to be of high order and largely attended.

Laymen: Our Lay Leader, Mr. E. E. Adkins and his associates have lead us all in a full and responsive program during this conference year. Our Laymen of the District in their work for the college campaign and their attendance at public meetings and their spirit generally has lifted us and encouraged us from every angle. There is continued progress among our men in Evangelism, Missions, and Stewardship. For this, all of us are grateful.

WILMINGTON DISTRICT

J. E. GARLINGTON, *District Superintendent*

The following report is submitted to the Conference with a keen sense of appreciation to a dedicated and loyal group of ministers and laymen. These fine people have made this report possible by their untiring efforts in promoting the total program of our great church.

Evangelism: There have been 620 additions by profession of faith and 432 by transfer of letter. Losses by transfer and by death amounted to 559.

New Churches Organized: Two new congregations were organized in Robeson County. One of these is Philadelphus with 39 members and 105 enrolled in church school. The other is Collins Chapel with 15 members and 47 enrolled in church school.

Church Dedications: The congregations at Peace and Evergreen dedicated their lovely new churches in October and November. The loyal people at Sneads Ferry built and dedicated a very fine and adequate educational building.

Church Buildings: A very lovely new church has been built at Riegelwood costing \$35,000. Carolina Beach has just finished a beautiful new church, which is completely

air-conditioned, costing \$55,000. Our new church at Wrightsboro has added a very attractive sanctuary to their educational building.

Educational Buildings: Dixon Chapel, Sharon, Andrews Chapel, Wrightsville Beach, and Sneads Ferry have added additional facilities to their church buildings. A total of \$392,363.00 has been spent this year on new buildings, improvements, and liquidation of debts. Ten additional projects are now under construction, or in the planning stage, costing \$362,500.00.

New Parsonages: Approximately \$40,000 has been spent for new parsonages and improvements. Shallotte Circuit, Lumberton Circuit, and Bethel have lovely new parsonages. Old Dock has purchased land and will build a new parsonage next year. In the past three years, approximately one quarter of a million dollars has been spent for parsonages.

Pastor's Salaries: Salaries have been increased approximately \$12,000 making a total of \$44,000.00 increase in salaries during the past three years.

Colleges: A wonderful spirit was shown as we undertook our campaign for Christian Higher Education. During the campaign, 63 of our churches reached, or went beyond, their goals with a quota of \$467,000.00. We pledged over \$405,000.00 or 86% of our quota. I am sure the entire amount will be reached before the drive is over.

Again the people of Wilmington and Grace Methodist Church are highly honored to have the North Carolina Annual Conference convene here for the twelfth time during the last century.

APPROVED SUPPLY PASTORS' SCHOOL

The eleventh annual Approved Supply Pastors' School at Duke University will be held July 13 through August 7, 1959. This school is sponsored jointly by the Divinity School of Duke, the Southeastern Jurisdictional Conference, the Department of In-Service Training of the General Board of Education of The Methodist Church, and the Annual Conferences in the Southeastern Jurisdiction. During the four weeks of the school supply pastors and traveling preachers taking the conference course of study can complete a full year of the conference course, as required in Paragraphs 2044-2048 of the 1956 *Discipline*. In the summer of 1958, 222 students were enrolled. It is anticipated that the number for 1959 will be comparable.

The majority of the students come from the two conferences in North Carolina, but a large delegation comes from conferences in Virginia, South Carolina, Tennessee, and other southeastern states.

In addition to the required courses, the school features preaching opportunities in the daily chapel services, workshops in English, worship, Christian education, and church administration. A program of recreation provides good balance to the spiritual and mental exercises of each day.

The instructors and other leaders for the 1959 school are: John Bishop, David G. Bradley, John Carlton, Douglas Corriher, Leon Couch, Boyd Daniels, T. A. Langford, Clyde Manschreck, Ray C. Petry, McMurry S. Ritchey, John J. Rudin, R. H. Sales.

REPORT ON BISHOP'S COMMITTEE ON CHURCH ARCHITECTURE

The Rural Church Committee of The Duke Endowment, since the signing of the Indenture of Trust creating The Duke Endowment, has interested itself in aiding with the building of rural churches in North Carolina.

For some years, the Rural Church Committee of The Duke Endowment has felt that better service could be rendered the rural Methodist churches of North Carolina if the churches receiving aid from it could be brought into a realization that their causes would be better served if their building programs were undertaken with the guidance and use of competent architects.

The Bishop's Committee on Church Architecture of the North Carolina Conference

had its beginning in a conference which took place more than two years ago in Washington, D. C., between Bishop Paul N. Garber, Mr. R. E. DuMont of The Duke Endowment offices in New York City, and Mr. Marshall I. Pickens, a member of The Duke Endowment Board of Trustees. Originally formed with six members, it now has twenty-nine: eleven architects, three laymen (non-architects), six ministers (whose connectional positions deal with church architecture), and the nine district superintendents.

The committee meets quarterly at Duke University to receive progress reports and devise plans. While the committee is interested in church architecture in general, its main emphasis is on improving the architecture of rural Methodist churches. Some of its achievements are:

1. A new awareness of the need for improved rural church architecture.
2. Eleven splendid architects dedicated to this end.

3. The architects have pledged themselves to give, without charge, one day's work per month in counseling with the district superintendents, pastors, and local church committees, advising on sites and plans, and in sharing general architectural services in the preliminary phases of building projects (their free services do not include the actual drawing of plans and blueprints).

4. Each district committee of Church Building and Location has on it one or more architects. In most instances, these architects are members of the Bishop's Committee.

5. A brochure on rural church architecture is being prepared by a subcommittee, which committee also has prepared a series of questions designed to obtain information about and to give guidance to a building program in its planning stages.

6. A subcommittee, composed of the architects, is co-operating with the North Carolina State College School of Design in the project of making scale models for rural churches.

7. The Bishop's Committee has had splendid co-operation from the Eastern Carolina Council of Architects and the North Carolina State College School of Design.

Mr. R. E. Dumont, Treasurer, The Duke Endowment, New York City, has been a very helpful member of the committee. He has attended all regular meetings since it was organized, in addition to some special meetings with the architects.

The Brotherhood is a group of Methodist ministers and lay people who want to express their sympathy to the bereaved widow of a Methodist minister in a way that will be of real assistance when it is most needed. Instead of sending telegrams or flowers, gifts of \$1 by superannuate ministers and lay people; \$3 by pastor members whose salary is under \$3,000; \$4, if the salary is from \$3,000 to \$4,000; and \$5 if above \$4,000. This money is sent by the Treasurer as soon as the death is reported to him, and the widow has the needed money to pay funeral expenses even before she receives

any money from insurance. This is not an insurance company. It is a fellowship, a brotherhood.

The membership is made up of 319 beneficiary (ministers) and 222 non-beneficiary (lay) members, a total membership of 541. We would like to express our appreciation to the lay people who are members of the Brotherhood. Their support has meant much to the Brotherhood and we hope many more will join.

The following calls were made this year: 162—N. B. Strickland; 163—B. F. Boone; and 164—H. G. Cuthrell. Each widow or family received a sum of \$1,400.

Article 10 of the Constitution of the Brotherhood states: "Any minister of the N. C. Conference on Trial or in Full Connection, or any accepted supply Pastor doing supply work in the Conference, may become a beneficiary Member of the Brotherhood by payment of an Initiation Fee of \$1, and within 30 days from the date of entrance a Mortuary Assessment of \$3, if salary is under \$3,000; \$4 if salary is from \$3,000 to \$4,000; and \$5, if salary is \$4,000 or above; provided that, if he has served as a clerical member one year or more, the initiation fee and mortuary assessment shall be as follows:

Length of Service	Initiation Fee	Mortuary Assess.
1 year	\$2.50	\$ 3.00
2 years	3.00	5.50
3 years	3.50	8.50
4 years	4.00	12.00
5 years	4.50	16.00
6 years	5.00	20.50
7 years	5.50	25.50
8 years	6.00	31.00

(The table may be projected at the same method of progression to determine initiation fee and mortuary assessment of a minister with any number of years beyond eight).

Article 7 of the Constitution and By-Laws of the Brotherhood reads: "A member who shall fail to pay any assessment due, as aforesaid, within thirty (30) days from the date of notice, shall forfeit his membership in the Brotherhood; Provided, that any member forfeiting his membership under this Article shall be re-admitted to the Brotherhood upon the payment of all arrears; Provided, further, that if a member shall die before the next session of the Annual Conference, and his beneficiaries should at or before said session pay all arrears, the Treasurer shall call an assessment on account of his death."

We hope each member of the Brotherhood will pay his assessments when the notice is sent out so that the beneficiaries may be paid promptly and when they need it. Your cooperation is necessary.

REPORT OF NORTH CAROLINA COUNCIL OF CHURCHES

The Council's Annual Assembly was held January 26-28, 1959, at Duke University, Durham. The largest list of speakers and probably the largest number of delegates made this an outstanding meeting. Dr. Cecil W. Robbins, President of Louisburg College, was elected Council President.

Some outstanding features of the Council's 1958-1959 program were:

Christian Education

The annual Family Life Conference for Ministers held in Durham, April 20-21, 1959; the splendid growth and development of the Council's Youth Department (UCYM) which organized a number of local youth councils and which employed the services of a Youth Associate, The Reverend Mark Kase; continuation of the program of week-day Bible teaching which reached over 33,000 students of high school and elementary school age; sponsorship of the N. C. Student Christian Council for College Youth.

Christian Social Action

The Committee on Alcoholism sponsored an Institute for Ministers and Social Workers at Atlantic Christian College, Wilson, and was active in cooperating with several local groups sponsoring similar institutes under other auspices. The Council's Public Affairs Committee continued its excellent work of reporting to the churches on matters of moral and spiritual interest in Raleigh. For the first time this year, the Committee sponsored a Churchman's Raleigh Seminar which brought together Ministers and lay persons with members of the General Assembly and also heads of State Government Departments. The meeting was held April 14, 1959, in First Presbyterian Church, Raleigh. An excellent conference on World Affairs co-sponsored by the Council's Committee on National and World Affairs was held last June at Blue Ridge Assembly and a similar conference is planned for the summer of 1959. The Committee also took an active part in sponsoring and planning the Annual World Affairs Conference held each February in Chapel Hill. An institute on Human Relations held in Johnson C. Smith University, Charlotte, April 6-7, 1959, was co-sponsored by the Council's Human Relations Committee. The Council Director was among those taking part on the program.

Ecumenical Relations

The Council's Committee on Evangelism in cooperation with the National Council of Churches is sponsoring for the first time this year a summer Ministry in Doughton

National Park on the Blue Ridge Parkway. This will be one of the first such projects held east of the Rocky Mountains. The Radio-TV Committee is sponsoring the production of the television program "Talk Back" (produced nationally by TRAFECO). This program, which runs for half an hour and includes both a film and a live studio panel was scheduled in the Spring of 1959 over both WRAL Channel 5, Raleigh, and WFMY Channel 2, Greensboro. Plans are under way for showing on other television stations in the State.

Pastoral Ministry

The Pastor's Conference held in association with the annual meeting in Durham drew over 200 persons. Dr. J. V. L. Casserley, Dr. E. G. Homrighausen, and Bishop Hazen G. Werner were the speakers. At an evening service, the speaker was Dr. Edwin T. Dahlberg.

Migrant Ministry

During 1958, the Council's Ministry to our 15,000 migrants continued to grow. Twelve staff workers ministered in six counties over the State and in Child Care Centers at Elizabeth City and Hendersonville. A used station wagon was purchased in the Spring of 1959 to assist the station wagon already being used by the Council to serve the territory covered. Additional Child Care Centers to reach the hundreds of children still uncared for in the camps and additional staff who reach new areas not now covered are of prime importance in this ministry.

CROP — Church World Service

During 1958, the CROP work carried on through the Council office without the services of a Staff Director. As a result of expenses being reduced to virtually nothing through the efforts of the Council of Churches, the net returns from CROP in North Carolina were increased by over \$1,500.00 in 1958. A similar program is planned for 1959 with a minimum goal of \$15,000.00. CROP is still urgently needed to send food, medicine and farm equipment to the millions over the world who are refugees from communism and who live in areas where an adequate food supply has not been achieved. The Council continued to carry on its program of collecting clothing for overseas relief with 86,000 pounds reported in 1958, an increase of 18,000 pounds over the previous year. For 1959, a goal of 100,000 pounds has been set to meet minimum needs in the world.

Miscellaneous

The Rural Church Committee sponsored a one-day conference in Raleigh, September 30, 1958, and has now set plans for a State-wide convocation August 9-11, 1960, at North Carolina State College. M. Wilson Nesbitt of Duke Divinity School is Chairman of this committee. An Institute for Pastors was co-sponsored for the second year by the Council at Elizabeth City Teachers College, April 29, 1959. Attendance increased for the second year and similar programs are planned for the year ahead. The Council continued to compile and publish information on foreign students in the State's colleges and institutions of higher learning. A total of 779 students were listed in the fall of 1958, the largest number since these reports were begun. Churches in various groups within the Church, particularly United Church Women, have been active in arranging hospitality for these students.

United Church Women had another fine year of service. There are now 50 local councils in the State cooperating with this department of the Council.

Summary

Your State Council of Churches has never stood higher in its influence in North Carolina. It is doing an increasingly effective work at a cost of less than four cents a year per constituent member, and it deserves increasing support.

MORTON R. KURTZ, Executive Director

DEACONESS BOARD

We now have three active deaconesses serving in the North Carolina Conference. They are: Miss Ethelynde Ballance, Director, Christian Education, Raeford Methodist Church; Miss Mamie J. Chandler, Director of the Methodist Student Center, Greenville; Miss Mary Finch, Teacher at Louisburg College, Louisburg.

Miss Finch comes to us as a transfer. Having served as a missionary in Japan since 1925, she found it necessary to return home. She accepted the deaconess relationship, and for the past year has been serving on the Louisburg College faculty.

We also have within our conference two retired deaconesses: Miss Jennie Congleton, Greenville, and Miss Elizabeth R. Davis, Rocky Mount.

During the past year, Miss Sarah McCracken and Miss Alta Nye were honorably discharged from the deaconess relationship for personal reasons.

Our deaconesses have served in many ways, not only in their appointed places of service, but throughout the conference. Miss Chandler is continuously presenting the call to full-time Christian service to college students through the program of the Methodist Student Center. She has served as a leader in Methodist Student Movement conferences and groups. She is now serving on the Durham Regional Personnel Committee. Miss Ballance has served as counselor and leader in the Conference Methodist Youth Assemblies, as a resource leader in the conference-wide Church Vocations Conference, and as the Fayetteville District Secretary of Missionary Personnel in the Woman's Society of Christian Service.

The members of the Deaconess Board continuously feel the necessity for interpretation of the deaconess relationship. Every opportunity is used to inform youth and adults that deaconesses serve through all agencies of the church from the local to the national level. Youth need to be informed concerning the opportunities and privileges open through the deaconess relationship.

Our Conference Deaconess Board stands ready to share information in any way we can. Our deaconesses are ready to speak to groups whenever possible.

The Deaconess Board recommends:

That the film, "Make All Things New," a new film on the work of the deaconess, be shown in local churches, particularly to intermediate and senior MYF groups, and to adult groups for the purpose of interpreting the work of the deaconess.

That the film, "Make All Things New," be shown at Conference Youth Assemblies.

That the deaconess relationship be presented to all women employees of the church, and to business and professional women in the local church.

That the Commission on Christian Vocations in each local church stress the importance of "creating the atmosphere" in which youth may hear the call to full-time Christian service. We believe this atmosphere is best created in a church where local leaders serve joyously and enthusiastically.

That deaconesses work in cooperation with the Mental Health Association on local, state and national levels, using literature and visual aids available.

MRS. W. I. McLAMB, Secretary

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS

All the district conference records are accounted for and found to be in good order. The committee recommends that each district procure a permanent record binder, capable of accommodating the various written reports offered at district conference, without transcription. Also, we remind the various secretaries to pick up their records from the committee room at the close of the annual conference session.

COMMITTEE ON GENERAL CHURCH SCHOOL WORK

JOHN M. MEARES, *Chairman*

Progress Report for 1958-1959

The Committee on General Church School Work in carrying out its functions seeks to help each local church to develop a creative Christian education program which will help each church and church school member to experience such dedicated and trained relationship to Jesus Christ and His church that God can use him for a more perfect realization of his purposes in every area of personal and social living, and that others may be brought into this active fellowship.

Progress is being made in our conference in the field of Christian education. We are happy to report a more effective program of leadership training, a growth in the use and understanding of our Methodist literature, greatly improved educational facilities, an increase in church school membership and attendance, and a greater understanding of and deeper commitment to the goals and purposes of Christian education.

In the area of leadership training for the year 1958-1959 more than 4,000 persons were reached in 25 subdistrict Christian Workers' Schools; 236 persons were reached in local church one-teacher schools; three special schools were held for small churches, and informal classes were held in many local churches.

Twelve curriculum Seminars for pastors and church school superintendents were held in connection with the Vacation Church School Institutes, reaching about 250 people. Thirty persons took advantage of the opportunity offered in the Seminar for Certified Instructors, led by Dr. Robert Powell and Dr. J. Irvin McDonough. Twenty-one persons attended the Leadership and Laboratory Schools at Lake Junaluska. Commission Workshops were held in eighteen different areas in the conference, and approximately 600 people received help.

All of these leadership training projects and other age-group training enterprises were financed by the Church School Rally Day offering.

Recommendations for General Church School Work

The emphasis for 1959-1960 stressing enlistment is a part of the on-going emphasis upon the local church through the Quadrennium 1956-1960. The Committee on General Church School Work seeks to give guidance to the local churches of our conference for this "hour of opportunity" in the following areas:

1. Enlistment for Church School Membership and Attendance.
2. Enlistment for Christ and Church Membership.
3. Enlistment and training for Leadership in the Church and Church School.

1. *Enlistment for Church School Membership and Attendance*

The church school is the church's educative arm. To extend and strengthen education in the local church is to undergird the total program of the church. In the church school we have one of the most effective ways of reaching people with Christian teaching that develops, enriches, and changes lives for Christ. The church school touches all ages in its ministry. There are over seventy million persons in the United States who have no church affiliation. Three out of every five persons are not in any church school. We seek to lead these persons to the church and to Christ. To this end we make the following suggestions for guidance in this task:

a. Be concerned—Get the whole church interested—Challenge your people through talks at the church school hour and through the eleven o'clock sermon.

- b. Secure the most capable person to be Superintendent for Membership Cultivation. Organize for action.
- c. Discover prospects. Use a card system.
- d. Assign prospects to workers.
- e. Invite prospects intelligently—Train visitors to visit. Prospects may be won or lost by this first contact.
- f. Welcome new members—Follow up absentees—Assign fellowship friends.
- g. Improve the teaching program of the Church School.
- h. Improve facilities—Clean up—Paint up.—Churches planning to build or remodel church school facilities are encouraged to take advantage of free consultation service on church school buildings and equipment offered by the General Board of Education and to call on the Conference Board of Education Staff for guidance. All projects should be cleared through the District Board of Church Location and Building.
- i. Sponsor outpost church schools under the supervision of the local church commission on education. Count enrollment for the local church. Keep under local church control.
- j. Plan for home members—all ages—keep vitally connected with the church.
- k. Every class or group have definite plans for securing new members.

2. *Enlistment for Christ and Church Membership*

The purpose of the church is to help persons commit their lives to God through Jesus Christ and live in loving obedience to his will. Christian education through the church school is a way of realizing this purpose of the church in the lives of persons. The church school is the most vital evangelistic arm of the church. More new members are led into the church by Christian education than by any other activity. Many churches are not using the full potential of the church school as an evangelistic arm of the church. Our goal is to bring every member of the church school into a vital relationship with Jesus Christ and to active church membership. To this end we make the following suggestions for guidance in this task:

- a. Enlist teachers who have a personal relation with Christ, who are growing in their own experiences, who set an example by living a moral life, and who attend church regularly.
- b. Train teachers in evangelism by having an annual school for evangelistic teaching in cooperation with the commission on evangelism.
- c. Reach every church school member through class sessions, visitation, membership classes for children, youth, and adults.
- d. That each teacher have a responsibility list for church membership.
- e. Have special groups for a study of the faith and beliefs of the Methodist Church and of other areas for enrichment.
- f. Have special meetings to honor new members in the church fellowship.
- g. Assimilate new members into the active life of the church.
- h. Have membership classes using the Methodist Membership Manual—pre-Christmas and pre-Easter.

3. *Enlistment and Training for Leadership in the Church and Church School*

A program of Leadership Training is necessary to improve understanding of the task of leading and teaching in the Church School. It is as important to be trained in the work in the area of the church school as it is in any area. We must have a program that will help the prospective teachers know how to do the job. This training will help the teacher to mature in his own personal and religious life, and enable the church school to fulfill its purpose of bringing all its members into a vital relationship with Christ Jesus. We make the following suggestions for guidance in this task:

- a. Commission on Education draw up a list of standards for teachers and other leaders.
- b. Develop a job analysis—Know what is expected of leadership.
- c. Determine leadership needs, turnover of leaders, need for expansion.
- d. Select leaders carefully—Establish leadership file for total membership from which to recruit workers.

- e. Invite leaders intelligently, train persons to visit the prospective leaders, motivate persons to serve, invite in advance.
- f. Emphasize "team teaching"—Have more than one person for every job.
- g. Train leaders thoroughly. Training enterprises would include workers conference, observation, week-end clinics, local church leadership training classes, discussions with pastor and other leaders, subdistrict laboratory and training schools, conference and regional training opportunities, home study courses, and selected reading.

COMMITTEE ON CHILDREN'S WORK

LESTER A. TILLEY, *Chairman*

Progress Report for 1958-1959

As the Committee on Children's Work reviews the growth in the enrollment of our children in the Church School, it realizes anew the tremendous responsibility which it has. The enrollment in this division of the Church School has increased to 45,559.

For the conference year there were 433 churches which reported their Vacation Church Schools. These schools were attended by 27,000 boys and girls, and the total number of workers was 6,017.

In preparation for the Vacation Church Schools to be held in the summer of 1959, twelve Vacation Church School Institutes were conducted. These one-day sessions assisted 1,653 persons prepare for their responsibilities in their local Vacation Church Schools. The Institutes were led by excellent instructors from our own conference.

Nine district Junior Camps were held in 1958. Attending the camps were 667 boys

and girls led by 118 workers. Thirteen Junior Camps will be held in the summer of 1959. A special training session for counselors was led by Miss Louise Davis, Miss Elizabeth Brown, and the Reverend Robert Regan, June 9-12.

There is a growing interest in Day Camping conducted by the local churches. To help each local church train its leaders a special camp training area has been established at Camp Chestnut Ridge. This training area will be in operation for six sessions during the summer.

During the past year thirty-eight courses in Children's Work were taught in twenty-five Christian Workers' Schools. Eight hundred and sixty-one persons enrolled, with 517 receiving course cards of recognition. Included in the above totals are the figures for the six Observation-Laboratory Courses in which 98 student teachers enrolled, 88 of whom received course cards.

Another venture in leadership education was a primary laboratory course taught on successive Sunday mornings in a local church. There were 18 student teachers and twelve children enrolled.

To further aid our local churches in the enlistment and training of qualified workers for the Children's Division each Superintendent is urged to lead his teachers in a Home Study Course, "Understanding Children."

With continued dedication and concern the Committee on Children's Work looks forward with anticipation to the new year.

COMMITTEE ON YOUTH WORK

R. GRADY DAWSON, *Chairman*

Progress Report for 1958-1959

The Senior Youth Assemblies at Louisburg College were well attended, with 402 delegates and staff attending the first two weeks, and 173 delegates and staff attending the workshop assembly. Sixty-six delegates and staff attended the Older Youth-Single Young Adult Assembly at Camp Don-Lee.

Enrolled at the Seventh Annual Conference Session for Youth at Duke University in August were 525 delegates and staff, who were joined by some 2,000 youth and their adult leaders for Rally Day.

The Board of Evangelism and the Conference MYF jointly sponsored a most successful Tri-District Youth Christian Witness Mission in New Bern in April. Youth from the Rocky Mount and Elizabeth City Districts joined with youth from the New Bern Subdistrict to win 47 youth to Christ by profession of faith and two by transfer. One hundred and eleven new members were won for the MYF.

District Youth Rallies were conducted by the District Directors of Youth Work with good attendance reported.

Vacation Church School Institutes were conducted by the District Directors of Intermediate work and others with 147 persons enrolled.

In our Conference Christian Workers' Schools 25 courses were held for youth and adult workers with youth, with 692 persons enrolled and 365 receiving credits.

Recommendations for Youth Work

1. We urge the use of a "Self-Study Guide for our MYF" in each local church as a means of enlisting more youth into active participation in a better program of the church school and the MYF.

2. We recommend constant reference to and use of *Handbook for the MYF, Youth Planbook, and Guidebook for Workers with Youth*.

3. Because three out of every four youth are not church members, we recommend that Youth Christian Witness Missions be held in each local church or charge in co-operation with the Conference Board of Evangelism.

4. We recommend that courses for adult workers with youth be included in every Christian Workers' School.

5. For the support of the missionary concerns in the Methodist Church we recommend wholehearted participation in the program of stewardship as represented by giving to the Methodist Youth Fund. As a means of promoting systematic giving we urge each local church to set a minimum goal of \$1.00 per member in the Youth Division and that a pledge service be held in each local church during the month of May.

6. We recommend a Youth Mission Study in each local church using the materials on *Africa and The Church in Town and Country* as provided by Friendship Press.

7. We urge a Conference-wide Prayer Day be observed on Ash Wednesday, March 3, 1960.

8. Recognizing the need for the local church to interpret the transition of older youth to college, armed services, or employment away from home, we recommend the following:

a. For College Students

(1) Pastor, Secretary of Student Work for WSCS, and Youth Counselors cooperate in introducing the work of the Methodist Student program on the college campus through a special program of orientation near the time of graduation from high school.

(2) We strongly urge that each Secretary of Student Work send the blue student information card to the Methodist Student Director on the college campus by July 1.

(3) Each college student be given subscriptions to *Motive* and *Power* by the local church, and be remembered with the church newsletter or bulletins.

b. For members of the Armed Services

(1) That the Secretary of Student Work present cards of introduction to each inductee to be presented to the Service Chaplain.

(2) That the weekly church bulletins and *Power* or the *Upper Room* be sent to each person in the Armed Services.

(3) We recommend the use of the pamphlet "Christians, Stand Guard" (100 Maryland Ave., N.E., Washington 2, D.C.) and the packet provided by the USO (237 East 52nd St., New York 22, N. Y.).

c. For Those Employed Away from Home

(1) We recommend that Pastors write a letter of introduction to the pastor of the local church in the area of employment.

(2) We recommend that each person be kept on the local church mailing list.

9. We urge that each local church observe Methodist Student Day on the second Sunday of June with special offering for National Methodist Scholarships and the Methodist Student Loan Fund, and that informative materials be supplied to the entire church membership. We also recommend that Student Recognition Sunday be observed in each local church on December 27.

10. We recommend there be a close working relationship between the District Superintendent, District Director of Youth Work, District Secretary of Youth Work for WSCS, and the Conference Director of Youth Work in projecting a program that will enlist and train adult workers with youth.

11. We recommend holding a district retreat soon after ACS for which adequate preparation will be made by the adult workers and the youth officers. This retreat is to be a means whereby the material gathered at ACS may be taken to the local MYF's.

12. We recommend that a District Rally be held, preferably in the Spring of the year, and that the Rallies be made as outstanding an occasion as possible.

13. We wish to commend the Board of Education for its outstanding program on Christian Adventure Camping at Camp Don-Lee and for its Youth Assemblies at-Louisburg College, Older Youth Assembly at Don-Lee, and ACS at Duke.

14. We recommend continued support of the Conference Committee on Christian Vocations, and we wish to commend its work this Conference Year. We urge a close cooperation between the District Directors of Youth Work and the District Directors of Christian Vocations.

Memorial to General Conference, Passed Unanimously, April 24, 1959

Since the *Discipline* states that all Methodists, 12-23, are members of the Methodist Youth Fellowship; and

Since many college students are not active in the local Methodist Youth Fellowship; and since there exists confusion in the minds of youth and their leaders as to whether or not college students should hold office in subdistrict, district, and conference Methodist Youth Fellowship organizations;

Therefore, we, the committee on youth work of the Board of Education of the

North Carolina Conference, Southeastern Jurisdiction, memorialize the General Conference to clarify the relationship between the Methodist Youth Fellowship and the Methodist Student Movement.

COMMITTEE ON ADULT WORK

LEON RUSSELL, *Chairman*

"No higher charge is laid by democracy upon its teaching institutions than this — that the free citizen is to be given the utmost help and encouragement in learning how, and why, to control the decisions by which he agrees to be controlled. This means both inquiry and action, and always by and in groups, under the best professional leadership we can muster. It means constantly increased and deepened channels of communication, such as adult education knows how to open. It means expenditure of time, energy, creativeness, and money; and never will education confront a better bargain."—John Walker Powell.

Quadrennial Goals for Adults in North Carolina Conference

1. Create a consciousness of the unique importance of adults in the life of The Methodist Church and of their need for continuing spiritual, mental, and social growth.
2. Create an awareness of the Adult Division as a part of the local church organization, and stimulate the formation of Adult Councils in local churches.
3. Help to increase understanding and mutual appreciation between members of various economic, social, and racial groups both inside and outside the church.
4. Foster an increased knowledge of the Bible, and the desire to relate it to contemporary life.
5. Help local adult classes to become redemptive fellowships, to increase active participation by nominal church members in the life of the church.
6. Improve teaching procedures so as to involve class members in learning situations and help each person to assume leadership.
7. Strengthen marital relationships and enrich family life.

Progress Report for 1958-1959

Sixty young adults attended the 1958 workshop, and sixteen worked a week-end at Camp Chestnut Ridge. Eleven subdistrict Young Adult Fellowships functioned with bi-monthly or quarterly meetings. Eleven churches reported an observance of Young Adult Week.

Bible Conferences were conducted at Hookerton, Kenansville, Smithfield, and Zebulon, with total attendance of over 1,000 persons. Nine adult work courses were offered in Christian Workers' Schools. Twenty-five groups agreed to discuss the Talk Back TV series, and over 15,000 sets were reported as viewing the series.

Enrollment in the Adult Division of the Church School increased 1,541, although a loss of 520 home members of the Adult Division left a total increase of 1,021, or 1.5%. Total enrollment reported in the 1958 Journal was 61,166.

The Conference Director of Adult Work visited 42 local churches, taught in six Christian Workers' Schools, and helped to plan, promote, recruit, and train leaders for all functions. In addition, he served as chairman of the Family Life Committee of the North Carolina Council of Churches, and chairman of the Use Committee of the Talk Back Series; and gave leadership in the Florida Conference Young Adult Assembly and the Portsmouth, Va., Christian Workers' School.

Section E

COMMITTEE ON CHRISTIAN FAMILY LIFE

JESSE H. LANNING, *Chairman*

We believe that Christian Family Life Education is an imperative necessity in the church because the basic experiences which develop Christian attitudes, motives, and behaviour are intrinsic in the relationships between members of the family group. Our ideas of God, Christ, Sin, Salvation, and moral values are more firmly established by our families than any other group. This makes the effort to develop Christian families one of the basic aims of the local church.

Goals

1. Provide for adequate pre-marital instruction and counseling opportunities.
2. Provide study, fellowship, inspirational and counseling opportunities to strengthen marital and parental relationships and enrich family life.
3. Encourage the securing of needed counseling resource persons and the forming of redemptive fellowship groups.

4. Stress the importance of a proper understanding and exercise of Christian discipline and authority in the home, church, and community.

Progress Report for 1958-59

District Directors of Family Life Education, under the supervision of the Conference Director of Adult Work met for the second time in Durham in the fall and outlined their work, continued developing a mailing list of family life workers in the local churches and offered guidance by mail and visits.

1. A Family Life Institute in Chadbourne;
2. Christian Workers' Schools courses;
3. Two Family Camps conducted at Camp Don-Lee with attendance of 225;
4. N. C. Family Life Council's Annual Conference;
5. N. C. Council of Churches' Institute on Marriage and Family Counseling for pastors;
6. Family Life Conference at Lake Junaluska;
7. TRAFICO TV program series, "Talk-Back" for local discussion groups;
8. Several local churches under leadership of Family Life Committees.

COMMITTEE ON DIRECTORS OF CHRISTIAN EDUCATION AND MINISTERS OF MUSIC

JULIAN ALDRIDGE, *Chairman*
DIRECTORS OF CHRISTIAN EDUCATION

Progress Report

A four-day Workshop for Directors of Christian Education and Educational Assistants was held jointly with the Western North Carolina Conference in Greensboro, November 2-5, 1958. Approximately 37 Directors and Educational Assistants from the North Carolina Conference were registered for the full program; others attended part of the sessions which offered training and practice in group work and an opportunity to share successful ideas, programs and activities, and common problems. The group work activities were led by Dr. Robert Powell, Wesley Seminary, Washington, D. C. A resolution concerning minimum standards of certification, salaries, and fringe benefits for Directors of Christian Education and Educational Assistants was adopted by the group. This resolution was to be presented to the two Conference Boards of Education for approval and to the Directors section of the Division of the Local Church of the General Board of Education of the Methodist Church. Following an evaluation of the workshop in which the group expressed the benefits of the sessions and the need for other experiences of this type, plans were made for a similar workshop in the 1960-61 Conference Year to be held in the North Carolina Conference, the 1959-60 year being left free so that the directors could attend the National Methodist Conference on Christian Education in November 1959 at Cincinnati. The following officers of the North Carolina Conference Director's Association were elected: President, Miss Jean Turner, Trinity Methodist Church, Jacksonville; Vice-President, Mr. Orba Smith, Fifth Avenue Methodist Church, Wilmington; and Secretary-Treasurer, Mrs. Jewel Jones Glenn, Trinity Methodist Church, Durham.

Recommendations

3. That the Board of Education petition the Director's Section of the Division of the Local Church of the General Board to consider the following recommendations for the standards of certification and re-certification of Directors and Educational Assistants.

Christian Education as well as two years of experience in Christian Education subject to renewal every five years with six graduate semester hours or its standardized equivalent* in Christian Education or related fields. The renewal to be dated at the completion of the academic work or its equivalent.

4. That the local churches send their Director of Christian Education or Educational Assistant to Leadership School at Lake Junaluska this summer with expenses paid.

5. That the Board of Education emphasize the Schisler Scholarships for graduate study in Christian Education and recommend to the ministers that they inform the youth of its availability and urge them to take advantage of it.

6. In the light of the great shortage and the need for trained Directors of Christian Education that the District Superintendents, District Missionary Secretaries, and the pastors encourage local churches to accept a Scholarship for Study in Christian Education as a Mission Special.

7. That the Board of Education be host to the Directors of Christian Education, Educational Assistants, and Certified Ministers of Music at a dinner during the Annual Conference Session at a time and place to be arranged by the Association of Directors.

10. That at their request, the following certifications be dropped:

Mrs. Edgar D. (Jewel Jones) Glenn, Durham, N. C.

Miss Alta Nye.

Miss Charlotte Whitfield, Radford, Virginia.

MINISTERS OF MUSIC

Progress Report

A one-day conference-wide meeting of local church choir directors, accompanists, and other interested persons was held in Rocky Mount in March. There were over two hundred in attendance and the response from the group would indicate that help in the ministry of music is wanted. Dr. Bliss Wiant, General Board of Education, Nashville, Tennessee, headed the faculty, assisted by Mrs. Smith Richardson from the South Georgia Conference, and Mr. Glenn Draper and Mr. Euel Belcher of Pfeiffer College. There was an attempt in this meeting to interest musicians in our church in affiliating with NAFOMM, as well as to give some help in the job each holds in his local church. District advisors were elected from each district for the purpose of their ascertaining in their districts the kind and amount of such training periods desired and to aid the committee in getting information to the people in their districts who are interested in the music program.

Recommendations

In the area of Ministers of Music, the committee makes the following recommendations:

1. That every local church appoint a music committee and that the name of the chairman of this committee be sent to the office of the Board of Education for a mailing list as soon as possible.

2. That every local church place an adequate amount of money in its budget for the ministry of music.

3. That local churches send their Ministers of Music, Choir Directors, and Organists to the annual Institute of Church Music at Lake Junaluska, July 26-31.

4. That Area Christian Workers' Schools be encouraged to include courses on music in their curriculum.

*The General Board of Education—to make available a recommended list of training opportunities each year of such standardized equivalents giving the amount of credit due, such as Recreation Workshop, Drama Workshop, National Camp, Jurisdictional Leadership School, Audio-Visual Workshop, Extension Courses, Divinity School Seminars, etc.

5. That all local Choir Directors and Accompanists be encouraged to affiliate with NAFOMM. Information may be secured from Lawrence M. Skinner, Flora McDonald College, Red Springs, N. C.
6. That local churches be encouraged to subscribe to the new Methodist monthly magazine "Music Ministry" which will begin publication in October 1959.

1. COMMITTEE ON CAMPS

BROOKS PATTEN, *Chairman*

Progress Report

One of the most significant developments in Christian education in the past few years is the rapid growth of church camping, as a part of the larger camping movement of America. The camping experience affords continuity of experience. It provides for learning because camp is a "natural" for persons of every age. Such is the nature of our opportunities in this aspect of our program of Christian education.

Last summer showed a steady enlargement of the Conference Camping Program. At Don-Lee a total of 1,353 persons participated in intermediate, junior, young adult, older youth, and family camps. In addition to Camp Don-Lee it was necessary to rent Camp New Life, Camp Caroline, and Camp Monroe for a total of seven periods of camp, involving 617 campers.

A number of churches carried on Day Camping programs. Retreat groups numbered in attendance 627 persons. As a total 2,667 persons participated in the camping program through September.

Major emphasis has been given last fall and this spring to planning and first steps in construction at the newly acquired sites of Camp Chestnut Ridge, Camp Rockfish, and Kerr Lake Methodist Camp. With the best leadership consultants and planners to be found in the camping field, your committee has carried out detailed studies with master plans now nearing completion. The new sites provide fine and varied camping resources.

New Steps in Program for 1959

1. Resident Junior Camping at Camp Chestnut Ridge, 280 acres, with maximum of 48 campers each week. Camping in small group camp sites with eight campers and two counselors.

Facilities—"Frontier Village" development plan. Camp shelters made of hogans, covered wagons, tepees. Outdoor cooking—food, craft, and tool cabinets. Woodcraft, nature, and exploring emphasis.

- "Trading Post" central supply store.
- Kitchen and dining pavilion.
- Bath House.
- Small camp sites for concurrent counselor training.
- Permanent residence constructed for Superintendent of Camps.
- Garage-workshop.

2. Kerr Lake Methodist Camp, 140 acres, cookout area developed.

Facilities—Access road, parking area, well, picnic shelter, tables, fireplaces, recreation field, swimming area, boat launching ramp, toilet facilities. Camp trailer available fully equipped for local church camping groups. The above facilities are available for use by two groups at the same time on a reservation basis. Life guards provided by committee out of Henderson are required by all groups using the waterfront.

3. Camp Rockfish—400 acres, still in master-planning stage, no program for 1959. The intent of the Camp Committee is to develop both at Kerr Lake and Camp Rockfish programs of resident camping as rapidly as funds will allow, looking to a program next summer at one of these sites similar to that projected for 1959 at Camp Chestnut Ridge.

Thanks Expressed

Appreciation is extended to the laymen of the Fayetteville, Durham, Burlington, and Raleigh Districts for having raised funds to procure the new sites and to begin first steps of construction. The committee likewise expresses its appreciation to the Raleigh Board of Missions and Church Extension, Inc., for transferring the long-term government lease for the Kerr Lake property to the Conference Board of Education.

The Committee's appreciation is also extended to the many ministers, men and women, and students who have volunteered their time to serve as directors and counselors, to make the above program possible. With an increasing number of trained personnel and improvement of facilities, the camping program is making a growing contribution to Christian education within the conference.

General

The Committee is pleased to announce that Mr. Robert E. Reed of Smithfield has been selected to serve as Superintendent of Camps. From his new residence at Camp Chestnut Ridge he will carry on the details of development at all three of the new camp sites.

As the annual budget to accomplish the total program of maintenance and development is only \$26,000, by necessity development becomes a long-range projection. However, it is urged that local church groups in the near-by communities to the new sites, laymen and church school organizations, supplement this budget by underwriting specific projects wherever possible.

As the construction of Camp Don-Lee is now complete, and with the incorporation of the Board of Education, it is recommended that the Board of Trustees for Camp Don-Lee be dissolved. Grateful appreciation is extended to all of these trustees who have served most faithfully in their responsibilities.

2. CAMP DON-LEE, INC.

L. ROSCOE FOREMAN, *Chairman*

The past year was the best year in the history of Camp Don-Lee. A full program of camping was carried on during the summer of 1958 and week-end retreats were accommodated from time to time throughout the year. A total of 1,353 persons participated in intermediate, junior, young adult, older youth, and family camps. Retreat groups numbered 627 persons. A total of approximately 2,000 persons spent some time at Camp Don-Lee during the past year. The summer camping program was under the direction of Rev. Walter N. McDonald of Louisburg College.

Under the watchful eye of Mr. T. J. Collier of Bayboro, Treasurer of the Camp, the buildings have been kept in a good state of repair. Minor repairs have been made

on some of the buildings. A water softener system has been installed for the kitchen at a cost of \$500.00. All of the buildings are fully insured.

Alfonzie Cox has been employed as cook and caretaker on a permanent basis. He is doing a good job looking after the facilities during the off-camping season and cooking for summer camps. He is also available to cook for retreat groups throughout the year.

We feel that in Camp Don-Lee we have one of the best equipped, best managed, and most beautiful camps in the entire state. It has been fully accredited by the American Camping Association, and has had an "A" rating by the State Board of Health for a number of years. Its usefulness to the North Carolina Conference will grow in the years that lie ahead. We can all be proud of this outstanding institution and grateful to all who have had a part in its development through the years.

II

The following professors are assigned to Duke University by the North Carolina Conference and it is requested that they be reassigned:

- R. E. Cushman, Dean of the Divinity School.
- D. B. Bradley, Assistant Professor, Duke University.
- R. T. Osborn, Assistant Professor, Duke University.
- J. J. Rudin, Associate Professor, Duke Divinity School.
- R. H. Sales, Assistant Professor, Duke University.
- V. E. Queen, Associate Professor, Duke Divinity School.
- C. L. Manschreck, Associate Professor, Duke Divinity School.
- Barney Lee Jones, Assistant Dean of Trinity College.
- H. E. Spence, retired.
- H. E. Myers, retired.
- A. J. Walton, retiring at end of present academic year.

IA. *Duke University, the Divinity School*

The academic year 1958-59 has been one of transition. Dr. James Cannon resigned his administrative responsibilities for reasons of health September 30, 1958, after eight years of devoted and diligent service to the Divinity School in the capacity of dean and with forty years of service as teacher in Trinity College and Duke University. Professor Robert E. Cushman was elected to the deanship effective October 1, 1958.

The enrollment in the Divinity School for the current academic year is as follows: candidates for the B.D. degrees, 225; candidates for the M.R.E. degrees, 12; candidates for M.A. and Ph.D. degrees in the Graduate School of Arts and Science in Religion, 36; and summer enrollment without duplication, 19. This yields a total of 291 students whose academic work is supervised by the faculty of the Divinity School.

The total student body represents 14 denominations and came from 28 states and 5 foreign countries. Previous training was received by these students at 111 different institutions. It should be noted that students in the Ph.D. and M.A. programs contribute the main basis for denominational diversity, since all but 22 of the B.D. and M.R.E. candidates are Methodist. This represents something of a change from a decade ago when a number of Baptists, Presbyterian, and Episcopal students were in course for the B.D. degree. By this criterion, it is plain that the Divinity School has become not less but more a servant of The Methodist Church. On the other hand, it may be stated that exclusion of all but B.D. students from supply of pastoral charges in one of our Annual Conferences has resulted in a marked decline of Methodist students in preparation for the teaching ministry under the doctoral or graduate program. No Methodist students can be trained whose academic standing does not merit the very highest fellowship awards. Others must go elsewhere for financial reasons.

There are 64 candidates for the B.D. degree at the 1959 Commencement, and 2 candidates for the M.R.E. degrees. Dr. H. Shelton Smith, Director of Graduate Studies, reports 3 candidates for the Ph.D.

The Faculty of the Divinity School in 1958-59 numbers 19 regular faculty members, 3 lecturers, 4 emeritus professors. We shall this year lose 3 faculty members to services elsewhere. Dr. A. John Walton, Director of Field Work and Professor of Church Administration, retires September 1, 1959, after eleven years of conspicuously fine service to the Divinity School.

The income of the Divinity School from World Service, Conference Sustaining Funds and other ecclesiastical sources shows increases this year of approximately \$7,000. From these combined sources we are now receiving approximately two-fifths of our annual budgetary support.

The School for Approved Supply Pastors is scheduled for July 13-August 7, and is under the deanship of Professor McMurray S. Richey. This service to the Church, while a heavy responsibility and burden to our staff, we gladly assume and are confident of its genuine merits as an educational program for in-service ministers. It is the Dean's opinion that further carefully conceived summer programs on several phases of the minister's task ought to receive consideration and implementation in the near future. Under Professor James T. Cleland and colleagues, the Divinity School Preaching Clinic will have its third annual session July 6-17. The regular Summer Session of the Divinity School will be in course June 12-July 17 and July 18-August 22. Post-B.D. pastors are admissible within numerical limits.

The Divinity School Seminars to the North and Western North Carolina Conferences were held in Rocky Mount and Lexington, N. C., January 19-23, 1959. The subject was "The Church's Response to Problems of Racial and International Relations." We are at present treating with representatives of the South Carolina Conference in the expectation of extending this program in the near future.

The Board of Managers of the *North Carolina Pastor's School* has this year carefully reviewed the problem of scheduling the Pastors' School in face of the convergence of the date of the Annual Conferences upon the hitherto prevailing date of the Convocation and Pastors' School in early June. On November 19, 1958, the Executive Committee determined to canvass the view of the entire Board through its secretary, LaFon C. Vereen, on its recommendation to reschedule the Pastors' School for No-

ember 2-4, 1959, and to promote it in conjunction with the James A. Grey Lectures. The concurrence of the Board has led to the establishment of this procedure for the year 1959 with understanding that the entire matter of the Pastors' School and/or Convocation be studied with a view to determining its future and that report be made to the full Board not later than October 1, 1959. With the understanding that the arrangements for this year are tentative and experimental, the program is presently being planned for November 2-4, 1959, and Professor John Bright of Union Theological Seminary, Richmond, Virginia, has been appointed lecturer.

During this current year the Divinity School faculty has been in prolonged re-examination of the curriculum leading to the B.D. degree. The Junior, or first year, of the new curriculum was formally approved March 24 and will be instituted in the fall of 1959. The second and third year of the curriculum are to be further studied. Curriculum revision started from within the faculty of "practical studies," and the basic question kept to the front was, not what fields are to be represented, but what is indispensable for adequate preparation of the student for good churchmanship or the ministerial vocation.

It should perhaps be noted that Dean Cushman has been in consultation with Drs. Stokes, Tuttle and Corriher of the Western North Carolina Conference Committee on the Ministry concerning ways and means by which the Divinity School can more adequately serve the Church's need for ministerial training. Certain proposals are in process of examination and study.

Faculty deliberations point to the need of enlarging our program relative to Masters of Religious Education. The introduction of a one year post-B.D. program of study (S.T.M.) is proposed and is being examined. Our present operations exceed the capacity of our present building facilities. A sober estimate of our construction needs has been projected. It is altogether likely that we shall shortly be seeking support for required capital expenditures from the constituency. Finally, the Divinity School budget for professorial salaries urgently suggests the need for several privately endowed chairs among the theological disciplines. We have only one.

ROBERT E. CUSHMAN, *Dean*

2. Greensboro College

Greensboro College expresses its thanks for the way in which the Board of Education and the Commission on Christian Higher Education have taken the needs of the colleges as their primary concerns during this conference year. We are particularly grateful that, as a result of capital funds campaigns in both supporting conferences, we shall soon be able to complete our plant by construction of a physical education building and a men's residence hall.

Our critical problem during the next few years will be current funds. Unless we increase faculty and staff salaries materially, we shall not be able to maintain an A-grade college. If we increase these salaries and go to the recommended enrollment of 625 students, we shall shortly be running an annual current deficit of \$110,000. The study of our college two years ago by the Methodist University Senate showed a need for \$2,000,000 in additional endowment. The income from this endorsement would be used to pay salaries and operating costs. Without this endowment we shall have to look for steadily increasing sustaining fund support from both conferences.

Greensboro College has continued to serve the North Carolina Conference. Year in and year out almost one-half of our students come from this area. A large number of our 4,500 alumni live and work in this section of the state. One-half of our trustees are active in the local churches of the North Carolina Conference. We are confident that the Board of Education will understand the request that this conference at least restore the \$30,000 annual appropriation to the current expenses of Greensboro College. Only in this way can we continue to render the quality of service we have given to this conference for 121 years.

The following statistics for 1958-59 are subject to correction when the outside audit is completed at the end of the fiscal year: officers, assistants, and faculty, 63; students, 503; book value of property, \$2,724,000; endowment, \$1,125,000; endowment scholarship aid, \$3,100; work awards to students, \$18,000; other scholarships and

grants, \$7,000; tuition reductions to ministers' children and to ministerial candidates, \$6,750.

Again our thanks for the interest and assistance of the North Carolina Annual Conference.

HAROLD H. HUTSON, *President*

3. *High Point College*

High Point College wishes to express its appreciation and gratitude for your interest in the College and for the appropriations toward its financial support. Especial thanks are given for the College Sustaining Fund and the capital funds from the United College Appeal without which the College could not operate.

The enrollment for the first semester of the 1958-59 school year was as follows: Regular Session, 1,009 students; 1958 Summer School, 624 students; making a total of 1,633. There were 80 faculty and staff members. The average teacher's salary was \$4,897 for the nine-month session.

The College has no indebtedness. The endowment was \$929,371.41 (as of May 31, 1958). The operating budget for the current year is \$923,800.00.

Since the fiscal year closes May 31, the data in this paragraph of necessity can be no more recent than the close of the last complete fiscal year as of May 31, 1958. Income on endowment was \$31,967.98; from student fees, \$397,856.42; total appropriations from the Western North Carolina Conference, \$76,495.57; total appropriations from the North Carolina Conference, \$32,737.46; other operating income, \$37,428.27; endowment gifts, \$99,854.56 (including \$84,000 from the Ford Foundation and other restricted endowment for scholarships); and capital fund improvement, \$30,906.36.

The same limitation applies to the following expenditure data, namely, as of the most recent complete fiscal year closing May 31, 1958. Salaries of administration and staff, \$49,887.52; salaries of faculty, \$252,582.45; buildings and grounds maintenance, \$133,535.82; interest on indebtedness, 0; capital expenditures, \$319,326.87; and an additional \$5,000,000 of capital funds are needed immediately as endowment. The College will close the current fiscal year without a deficit.

We are happy to be able to report the occupancy of a new residence hall for women—North Hall—which accommodates 92 women students with two students in each room. Thanks to the recent campaign for capital funds in the Western North Carolina Conference, the addition of book-stack facilities to our Library to accommodate a total of 100,000 books and the enlargement of the student-activities building are under way with occupancy expected with the opening of school in September. Additional parking areas have been prepared and are now in use.

Student religious activities continue to play an important part in the life of the college. Faculty leadership for these activities heads up in the Department of Religion and Philosophy, consisting of four full-time faculty members. In the regular life of the College the Student Christian Association is responsible for morning devotionals, Wednesday evening prayer services, Sunday evening Vespers, Religious Emphasis Week, the support of two orphan children in Korea, and other campus-wide activities. The Methodist Student Fellowship, the Baptist Student Union, the Presbyterian Westminster Fellowship, and the Canterbury Club for Episcopal students are active as denominational groups. Kappa Chi Fraternity is composed of men who are preparing for the ministry, and Alpha Delta Theta Sorority is made up of young women who have an interest in religious work. The Fellowship Teams offer to all students who are interested an opportunity to participate in church activities, especially youth work. The Teams work with local church groups in putting on the local group's programs. After a period of careful training these Teams go out into surrounding churches to lead in services, youth meetings, and planning sessions.

High Point College is in desperate need of additional funds from the College Sustaining Fund of both Conferences. For the fiscal year closing May 31, 1958 (the most recent year for which complete data is available) we received \$35.82 per full-time student from the North Carolina Conference Sustaining Fund (total of \$32,737.46; a total of \$45,052.60 was received the year before, or a decrease of 27.3 per cent) and \$83.69 per full-time student from the Western North Carolina Conference (total of

\$76,495.57; the total for the year before would have no meaning because it was a short Conference year); or a total of \$119.51 per student from both Conferences. This total per student from the two Conferences should be at least \$200.00, or an increase of over \$80,000.00.

DENNIS H. COOKE, *President*

4. *Louisburg College*

Statistics for 1958-1959: Enrollment, first semester, 402; second semester, 380; total enrollment for year, 452; faculty and staff, 35; property evaluation, \$1,800,000; endowment, \$191,000; indebtedness, \$210,000; received from College Sustaining Fund, \$60,621; received from endowment, \$11,647; received from N. C. Foundation of Church-Related Colleges, net \$9,634; gifts, \$12,718; budget for year \$350,000, approximate.

Building Projects: On January 5, 1959, the Benjamin N. Duke College Union Building, valued at \$250,000, was opened. The college borrowed \$180,000 from the Federal Housing Administration for this building. The Board of Trustees is in the process of purchasing the W. R. Mills High School property at a cost of \$225,000. To be available June 1, 1961, this property can be renovated for around \$75,000 and will provide a much needed library, an auditorium, 22 classrooms and office space. The site contains 13 acres and joins the present campus on the east.

Financial requests: The Board of Trustees is urgently requesting an additional \$20,000 in College Sustaining Funds for the 1959-60 fiscal year, to be used as follows: Increase in faculty salaries, \$12,500; retirement plan, \$7,500. Increased fees totaling \$65 next year will provide \$12,000 in payments on the college union building debt and funds for repairs on dormitories.

CECIL W. ROBBINS, *President*

The Trustees request the appointment of the following to Louisburg College:

- C. W. Goldston, Professor.
- W. N. McDonald, Professor.
- C. W. Robbins, President.

5. *Methodist College*

The building of Methodist College moves forward. We held a formal ground breaking in August despite a heavy rain from a hurricane which moved up the coast on that day. Presidents Edens and Friday of Duke and UNC, respectively, spoke, and Bishop Garber formally turned the first spadeful of earth.

The building begun on the day of the ground breaking is virtually complete. This is the Classroom and Faculty Office Building. The Science Building has been started and is well under way. As this report is being written, bids have been advertised for the Cafeteria-Student Union Building, and this building will doubtless be under construction by the time the report is made. Work is also under way on the general campus grading, drainage, and utilities. Plans for the Library are practically complete on the architect's drawing boards.

With the erection of the above-enumerated buildings, it will be possible to admit students to Methodist College on a day student basis. We hope to be able to open the doors to these first students in September, 1960. We are now in the midst of dormitory planning, but we do not think it will be possible to erect these buildings for the first year's operation.

Personnel necessary to make detailed preparations for the opening of the college will be added to the present staff in the immediate future.

A great enterprise of the past Conference Year was, of course, the Campaign for Christian Higher Education throughout the North Carolina Conference. The President and many members of the Board of Trustees joined with Bishop Garber, the Conference Commission on Christian Higher Education, and its Executive Director in devoting full time to this enterprise while it was in progress. We are encouraged by the response to this campaign and grateful to the many thousands of Methodist people throughout

North Carolina who have joined with us in bringing the advantages of Christian Higher Education to our Conference and to this section of the state.

L. STACY WEAVER, *President*

6. N. C. Wesleyan College

North Carolina Wesleyan College again desires to express to you the deep appreciation we feel for the fine support given by this body during the current year. The spirit of this Board and the successful financial campaign of this conference year brings us to our task with renewed zeal.

With the enthusiastic support of the Board of Trustees we have pledged ourselves to the establishment of a college in Rocky Mount which shall be cultural with assurance and Christian without apology. We propose to establish an institution of Christian Higher education which shall dedicate itself to the highest possible standards of academic excellence. At the same time we shall seek to maintain Christian standards which are broad enough to encompass the many students we shall enroll and deep enough to reach to the heart of the Christian gospel.

We wish at this time to commend the Rocky Mount Area Wesleyan College Foundation for their magnificent dedication to the task of supporting the development program. Indicative of their interest is their faithful and regular giving on their pledges.

Our building plans have moved forward with satisfaction during this year. The Utility Building has been accepted by the Building Committee to provide distribution of heat and power to the buildings to be constructed soon. The distribution of utilities is provided for across the campus with the installation of water and sewer lines about the campus, the heating lines established, the power and telephone lines established in underground conduits, preliminary grading and road work has been accomplished, all at a cost in excess of \$650,000.00.

Soon a contract will be let for the main Administration Building to include a Science Building and Liberal Arts Classroom Building, at a cost of approximately \$900,000.00. All of this work has been paid for and we have funds in sight from the Area Foundation and from the Conference capital funds campaign to erect these units. The architect is preparing detailed drawings of the Cafeteria-Student Union Building, a dormitory for women and a dormitory for men.

We are beginning our detailed curriculum study preparatory to enrolling a freshman class for the academic year, 1960-61. We shall seek the best qualified dean soon, and begin the assembling of a faculty which shall assure the academic excellence we all desire. In the light of these accomplishments, and the proposed budget presented we respectfully request increasing financial support for the program. North Carolina Wesleyan College is a practical reality and both Methodist College of Fayetteville and North Carolina Wesleyan College anticipate expanding tangible results of the months of planning.

We appreciate the guidance you have given us and cordially invite you to visit our office and our college site as often as possible during this year of progress and growth.

THOMAS A. COLLINS, *President*

COLLEGE SUSTAINING FUND 1959-1960

We call for a continuation of the policy established in the vote of the Conference which created our two new colleges. This policy calls for an increase in the Sustaining Fund until \$500,000.00 annual support is attained (an average increase of less than \$50.00 each for 850 churches, or 4% of current Benevolences).

In face of uncertainty concerning appropriations included in the budget presented by the Commission on World Service and Finance, we recommend allocations based on alternate totals of \$290,000.00 (same as 1958-59) and \$330,000.00. The Sustaining Fund is to be distributed quarterly.

REPORT OF COMMISSION ON CHRISTIAN HIGHER EDUCATION

In the Conference year 1958-1959 the word **college** was written again in bold letters across the life of The Methodist Church in North Carolina. To a degree beyond what has been known for many years, the individual Methodist and each local church are conscious of a close identification with our educational institutions. The Commission has borne the responsibility for leadership in our Campaign for Christian Higher Education in which some thirty thousand individuals committed themselves to financial support of the capital needs of our colleges.

Beginning on December 15, 1958, the payment of a reported total of \$4,003,999.36 in pledges officially began to be paid over a period of three years. By the date of the opening of this year's Conference session \$600,000.00 will have been forwarded to our colleges with all campaign expenditures having been paid.

The Campaign has received favorable publicity on a national scale and has commended itself to individuals who have sent contributions from as far away as Germany and the Pacific.

The Commission expresses its deep gratitude to the lay and clerical leadership of our Conference for the magnificent contribution they have made in writing again an appreciation of its colleges into the life of the Church. Especial thanks must be offered to the General Lay Chairman, Mr. Bill Price; the Chairman of our Commission, Brother Vergil Queen; and our outstanding Episcopal leader, Bishop Paul N. Garber.* The benefits of this program will be felt in a strengthened Christian leadership in our churches and communities across the state and nation.

To the end that the gains of this quadrennium may be preserved and strengthened, we call for a continuing emphasis on the meaning and importance of Christian Higher Education in the life of every Methodist Church.

We call attention to the fact that our Methodist colleges will not make their full contribution to the life of our area and our Church until our pastors and our parents see that every high school graduate is made aware of the advantages to be gained in attendance at a Methodist school.

The month of October is designated as a time in which churches shall give attention to the securing of new pledges to Christian Higher Education leading to the reaching of the Campaign goal in every church.

*By vote of the Commission the name of the executive director, Paul Carruth, was added to the foregoing.

REPORT OF BOARD OF EVANGELISM

I

Although the first half of this conference year was given intensively to the College Campaign, the time was used by us for cultivation and preparation for the rest of the year.

During the year the Conference Director has preached in thirty-five services and assisted in four others throughout the Conference. Much study and work was put into the preparation and publishing of the Christmas Brochure on Evangelism. This 16-page pamphlet, in two colors, with a reproduction of Raphael's "Madonna and Child" on the front cover, was sent in December to:

All the Ministers of the Conference.

The Chairman of the Commission on Membership and Evangelism in every local Church.

A number of Lay Officers of the Conference.

The Members of our Conference Board of Evangelism.

It contained material to inform and challenge our pastors and commission members in the great work of Evangelism, including:

Our Lord's call to us through the Scriptures.

Messages from Bishop Paul N. Garber and Mr. Walter F. Anderson.

The mailing address of our Board officers and District secretaries.

Resource material on "The Field for Evangelism."

"Some Achievements of our Pastors and People" in the previous year.

Our Conference Goals for the current year.

Listings of Evangelistic materials offered by our General Board.

Also, in the fall, we arranged for the Reverend Berlyn V. Farris, now with our General Board of Evangelism, for the development of District Evangelism, to meet with our district secretaries of Evangelism for a round-table discussion of this subject at Edenton Street Church in Raleigh.

In January our Board conducted the session on Evangelism in the seventeen workshops held throughout the nine districts for the pastors and members of the four commissions in the local churches. We feel that the cultivation done in preparation for these workshops bore splendid fruit, for, while the attendance in our section the previous year was a very encouraging four hundred or more, this year the attendance went beyond seven hundred. Also the larger number of workshops held this year required the help of eighteen pastors and laymen, who offered their services cheerfully and rendered them in a very effective way. One worthwhile gauge of the interest of those attending the workshops was in the fact that, with literature helps displayed and made available in the way of leaflets, pamphlets and booklets, priced from 2¢ to 25¢ each, more than a hundred and fifty dollars worth was bought by the pastors and commission members.

In February the Conference Director met with the district committees on Evangelism throughout the Conference to plan how we could best work toward our Conference goals. Each district committee selected certain things it decided to ask pastors of the district to try to do. A composite list of these things from the nine districts follows:

Have a carefully prepared full week of Visitation Evangelism. If this is not possible on circuits, have there the "Four Nights for God" program.

Conduct on every charge where possible a week-end Youth Witness Mission.

Where the charge does not have a Fisherman's Club, form one.

Conduct well-planned membership classes for new members to be received.

Work earnestly for a net growth of at least 5% in membership.

Order and use the basic literature available for each activity.

Have a thorough-going revival in the local church.

Use Pentecost Sunday, May 17, for "One Great Day of Witnessing," preceded or followed by a week of Visitation Evangelism.

Try to have a Youth Witness Mission for each subdistrict.

Have three subdistrict fellowship meetings on Evangelism for pastors.

Have no barren churches in the district.

Our third Tri-District Youth Mission, under the joint sponsorship of the Conference Boards of Education and Evangelism, was held at New Bern April 24-26. The results were well worth the work done before and during the Mission. Twenty-eight teams of young people from the Elizabeth City, New Bern and Rocky Mount districts, in this week-end program of Youth Visitation Evangelism, won 47 first decisions, 2 transfers, 1 reaffirmation, and 111 new members for the MYF. We now look forward to Youth Missions the next conference year in every subdistrict. Is this not largely our hope for the Church of tomorrow—the youth of today?

The Inter-Board Ministry to weaker churches, in which our Board co-operated, has rendered a definite and needed service. The program, consisting of a 3-day preaching-teaching mission to the churches requesting it, has been carried to 23 churches. Out of these missions there have come 23 confessions of faith, 24 transfers of church membership, scores of reaffirmations and rededications. In addition to these results, new life and hope and strength have come to these churches.

In March the Planning Committee, appointed by our Board President to work out the program of Evangelism for us to present to our Annual Conference for the coming year, met and gave earnest attention to this important task. Attached to this report is

the program recommended by this committee. The Board recommends the reappointment of the Reverend Hiram K. King as Conference Director.

Reports, as required by the Discipline, have been made to the Conference Board by the Reverend Tommy Tyson on his work as Conference Evangelist, and the Board recommends his reappointment to this office.

We are grateful to our Heavenly Father for every opportunity of service and for His blessings so richly bestowed. To Him always belongs the praise and the glory for every accomplishment in His Kingdom. Let all of us give ourselves more wholly to Him in the months ahead.

REPORT OF THE BOARD OF HOSPITALS AND HOMES

Your Board of Hospitals and Homes would like to emphasize the need for a closer relationship between the people of our Conference and the hospitals, homes, and service institutions which operate under the authority or auspices of our Conference. We ask that more than a token interest be given to the compassionate work being carried on through Golden Cross and through our Conference-related hospitals and homes.

It is recommended that all pastors urge their people to become better acquainted with our Conference Homes by taking every opportunity possible to visit our Children's Home in Raleigh, and our Retirement Home in Durham. It is urged also that our pastors visit these homes.

Once again it must be reported that our Golden Cross expenditures for hospitalization for needy persons has exceeded the Conference appropriation of \$26,000 in the amount of \$10,000. It is recommended that the minimum appropriation for Golden Cross work, in order to meet the rising costs of hospitalization, be set at \$36,000.

Again this year the Board urges a more uniform adherence to the rules governing Golden Cross procedure be followed by the pastors and district directors.

Your Board commends with pride the Conference Chaplain program being carried out in Duke Hospital. The Administrator of Duke Hospital, Mr. Ross Porter, has been high in his praise of this work, and we urge continued support of the program. The Reverend Paul Wesley Aitken, a member of this Conference, is serving as Duke Hospital Chaplain.

The Board recommends that the Duke Hospital Chaplain, and all district directors of Golden Cross be made ex-officio members of the Board of Hospitals and Homes.

It is recommended that The Reverend K. R. Wheeler be elected as Conference Director of Golden Cross to fill the vacancy caused by the resignation of Dr. Russell L. Dicks, and that the district superintendents appoint a district director for each district.

The Board wishes to express its highest commendation and appreciation to Dr. Russell L. Dicks for his significant contribution to our Conference. His services and wise leadership shall be greatly missed.

The Board recommends that the Mother's Day offering as a special for the Retirement Home be continued.

To The Reverend J. F. Coble, Superintendent of the Retirement Home, and The Reverend R. L. Nicks, Superintendent of the Children's Home, expression is expressed for their fine work and co-operation with the Board.

II

Hospital Insurance Program:

After study and discussion the Board of Hospitals and Homes has reached the following conclusions concerning the Conference Group Hospital Insurance Program:

1. Room allowance and surgical schedule are inadequate for typical hospital and surgeon's charges in the state.

2. As now constituted the group is not actuarially sound.

The Board recommends to the Conference the following proposals:

1. Room allowance coverage should be increased to \$10.00 per day and the surgical schedule should be replaced with the \$200 surgical schedule offered by the same company.

2. A program for enrolling a larger proportion of present members of the conference should be initiated.

3. Enrollment in the program should be made obligatory for all ministers entering the conference after June 15, 1959. Exempting, however, those who are conscientiously opposed to entering such a program.

4. A \$25.00 deductible feature should be introduced to reduce the cost of the additional coverage.

HOWARD P. POWELL, *Chairman*

BEN F. MUSSER, *Secretary*

REPORT OF THE BOARD OF LAY ACTIVITIES

The first activity of general interest for the conference year was the Annual Laymen's Retreat at Duke University, August 23-24. Bishop Paul N. Garber and Mr. Edwin L. Jones, lay leader of the Western North Carolina Conference, were our speakers. The Retreat served as the kick-off for the College Campaign with the program of events being presented to our laymen for the first time. Participants in the presentation were The Reverend Paul Carruth and Bill Price, Campaign directors, as well as the representatives of our colleges—Dr. L. S. Weaver, W. Jasper Smith, Dr. Hollis Edens, and Dr. Cecil Robbins. Discussion groups were held on matters of interest to laymen in the local church. It was the largest and one of the most successful Retreats we have ever held. Laymen's Retreat will come this year on August 22-23 at Duke.

Laymen's Day, October 19, was observed generally throughout the Conference and has become an accepted part of the program of the local church. It comes this year on October 18.

The District Laymen's Rallies were held during February and March. Our speakers

vere Charles A. Stuck and Dr. James W. Sells. The total attendance was the greatest we have had. Next year's Rallies will come the 14th through the 26th of February.

As in past years, the Board sponsored the No Silent Pulpit program for the period of Lent. In several of the districts schools were held for the lay speakers. The program is coming into wider acceptance and appreciation by the people of the Conference. We are deeply indebted to these consecrated lay speakers who give of their time and abilities to assist our pastors from the pulpits in helping build the Kingdom of God. They stand ready at all times to be of service in speaking from the pulpits, Men's Club meetings, and other times. Many of our lay speakers rendered valuable service during the College Campaign.

The organization of Methodist Men's Clubs continues to grow with an increase this year of 22 new clubs for a total of 273. Clubs are again urged to elect their officers in time to take office in September in order that they might have the benefit of training courses offered at Lay Retreat in August.

A Conference-wide project of Men's Clubs will be the further development of the W. Jasper Smith Scholarship Fund. This fund will be used to support young people going into the ministry and attending Methodist, North Carolina Wesleyan, and Louisburg Colleges.

The Board feels keenly its responsibilities in the field of stewardship. During the coming conference year, the Board will sponsor a Conference-wide Simultaneous Every Member Canvass. This program has been discussed with Bishop Garber and the Cabinet, the Commission on World Service and Finance, and other Boards of the Conference. Its purpose is to awaken our people to a deeper understanding and appreciation of their responsibilities as stewards of the Kingdom of God. It is a program whose basis is spiritual. It is a program for the local church.

The program, new although the name is old, was developed by the General Board of Lay Activities only three years ago. Its acceptance and use throughout Methodism has been phenomenal. Several of the churches in the Conference are already using it with great success. To instruct us in its operation, Dr. Ernest Briggs of the staff of the General Board of Lay Activities will be with us in February. Instructors for each district will be trained to explain the program to local church chairmen. The program will begin in each church in our Conference on March 6 and end on May 15. Your Board sincerely believes that on the basis of reports of success from local churches, districts and entire conferences throughout the nation, we will likewise experience a strengthened support of our Church both spiritually and financially.

J. NELSON GIBSON, JR., *Conference Lay Leader*

REPORT OF QUADRENNIAL COMMITTEE ON LOCAL CHURCH EMPHASIS

THEME: "Enlistment for Christ" (March 1959-March 1960)

The 1956 General Conference of the Methodist Church, in establishing a Quadrennial Emphasis for the Local Church, designated the year March 1959 to March 1960 as the year for TOTAL ENLISTMENT. Three distinct phases are included in the designation. They are:

1. Total Enlistment of Every Member.
2. Total Enlistment of the Unenlisted.
3. Total Enlistment of Self.

In order to accomplish this emphasis, your conference committee on Local Church Emphasis makes the following recommendations:

1. That the conference calendar of the Co-ordinating Council be followed as carefully as possible with every local church attempting to participate in the total program on the conference level.
2. That full attention be given to all the special emphases of the church as designated in the conference calendar.
3. That the local church take full advantage of the Conference-Wide Evangelistic Rally to be held in State College Coliseum in Raleigh on October 5, 1959.

4. That the church make adequate preparation for the Conference Evangelistic Mission and participate fully in it.

5. That in every local church a plan be worked out for the total enlistment of every member. The goal being the involvement of every church member in some form of Christian activity, in the confidence that the active member seldom becomes a lost member.

6. That in every local church a plan be worked out for the total enlistment of the unenlisted. These persons to be sought out and won for Christ and for church school membership and church membership.

7. That in every local church a plan be worked out for the total enlistment of the individual—in the sense of full dedication of the self, including talents, time, and resources and full commitment to Christian living in all the relationships of life.

8. That in every local church there be a continuing emphasis on enlistment for full time Christian Service.

Christ wants and needs the total surrender of life to Him. He is not satisfied with just a casual gift of self. He cannot accomplish His redemptive work for needy men without the complete surrender of body, mind, heart, and will. The Total Enlistment program demands a continued emphasis upon surrender and dedication. The conference committee urges that we of North Carolina Methodism seek total surrender to Christ.

REPORT OF THE METHODIST HOME FOR CHILDREN, INC.

I

It has indeed been a pleasure to serve as superintendent of the Methodist Home for Children another year. We had a very fine year in many respects. Our boys and girls are in a good state of physical health, their attitudes are improving, and we have had a very good year at school. We have six seniors. One of these girls has averaged better than 90 for her entire high school career. Three are planning to go to college, one to Eastern Carolina, one to Mt. Olive Free Will Baptist School, and one to our Methodist College in High Point.

We have made some changes in our maintenance program and I feel that our campus is in the best condition we have had it since I've been here.

Special services for the children have been added this year in our dental program. The Mental Health Clinic of Wake County has a new psychiatrist who has made his services available for a very small charge. In addition to that, we have the service of a psychologist for a half a day a month to make some testing and evaluations of our children.

As to our religious program, a Duke Divinity School student has been spending a part of three days a week on our campus during fall, winter, and spring. This summer he will be on our campus for full time work. After a six weeks training class under the leadership of the Reverend Charles McAdams, on Palm Sunday, 17 of our boys and girls were received into the Church by Dr. Howard P. Powell, pastor of Edenton Street Methodist Church.

By the help of Miss Lena J. Martin, Mr. Al Broten, and our staff, we have written a Manual for Employees. We are also working on job analysis at the present.

In our changing program of accepting school-age children through the senior high school class and placing the pre-school children in foster homes, we plan no longer to have a kindergarten. At this time, we would like to express our sincere appreciation to Miss Mary Ferree for her services rendered to the Methodist Home for Children for over forty years.

During the year, the Study Committee: Reverend Leon Russell, Chairman; Mrs. E. Y. Speed; Mr. Guy Barnes; Mr. Walter Biggs; and Mrs. Charles Young, reviewed the survey made by the National Board of Hospitals and Homes and reported to our Board of Trustees. Our Board revised the report and presented same to the Bishop and his Cabinet and the Commission on World Service and Finance. We are beginning to see results of the study of the Survey Committee. It is my hope that the long-range planning committee will make a very intensive study of our present campus—its buildings and program. Although all of our buildings are in useful condition at present, it goes without saying at least two will need to be replaced within a few years. Much planning and study needs to be made before any decision can be reached.

We are thankful for some progress that we feel has been made. Much remains to be done. May I take this opportunity of thanking the members of my staff, our Trustees, Board of Hospitals and Homes, our Bishop and other Conference members for their interest and help. With the leadership and guidance of our Trustees, by the help

of Almighty God, may we continue to improve our Home for Children that we may render a real Christian service to our boys and girls.

REPORT OF THE MINIMUM SALARY COMMISSION

The program of Minimum Salary assistance in the North Carolina Conference continues to receive acclaim as one of the finest in Methodism. We are moving to a basic minimum salary which we believe to be reasonable minimum support level for the dedicated men serving our churches.

We wish to express our appreciation to our district superintendents, the Commission on World Service and Finance, and to the officers of the Board of Missions for their co-operation in enlarging the funds available, and for assuring that all Minimum Salary Funds will be used only to bring salaries to the established minimum salary level.

We are still moving forward in this program of ministerial supplement for next year. We recommend that the salary be supported at the following minimum levels:

\$3,200.00 for a single minister serving full time.

\$3,500.00 for a married minister serving full time.

\$3,900.00 for a married minister with dependent children serving full time.

For student pastors we recommend that the salary be supported at the following minimum levels:

\$1,800.00 for a single minister serving as a student pastor.

\$2,000.00 for a married minister serving as a student pastor.

\$2,200.00 for a married minister with one dependent child serving as a student pastor.

\$2,400.00 for a married minister with two or more dependent children serving as a student pastor.

In addition to this support for student pastors, their salary shall be increased by an allowance relative to the distance of their charge from the school they attend. When

he charge is within 25 miles of their school, it shall be increased by \$100.00. When the charge is between 25 and 50 miles from the school, it shall be increased by \$200.00; when the charge is beyond 50 miles and within 75 miles of the school, \$300.00; when the charge is beyond 75 miles and within 100 miles of the school, \$400.00; and when the charge is beyond 100 miles, \$500.00 as a maximum increment.

Beyond this current plan, the preparatory work has been done to raise this figure for those ministers serving full time by approximately \$100.00 in each of the three basic categories next year, so that we shall attain the basic minimum salary support of \$4,000.00 for a married man with dependent children, which was our goal at the beginning of the quadrennium.

In order to achieve this goal, we encourage the wholehearted support of each pastoral charge now receiving minimum salary support to raise the level of ministerial support by the church or churches now served. As this support is increased, more funds will be freed to raise the general level of salaries. Unless this general promotion is followed, the goal cannot as readily be reached as now planned.

As we commend the work of the district superintendents, we expect that the principles governing the use of Minimum Salary Funds shall be studied and followed in every instance. The Principles Governing the Use of Minimum Salary Funds may be found on pages 213-217 of the Journal of Proceedings of the North Carolina Annual Conference, S.E.J., 1958. These shall apply as printed there except as regards minimum salary items amended by the action of the above cited report.

*RESOLUTIONS

RESOLUTION NO. 1: Concerning Approved Supply Pastors and Local Preachers

Whereas numerous complaints have reached the Board of Ministerial Training and Qualification concerning the training of some men who have been recommended by the North Carolina Annual Conference and sent to minister to Methodist congregations: Whereas (in spite of our knowledge that some unlettered men have wrought wonders for the Kingdom of God); yet, in a day of advancing education and training we are acutely aware of the intellectual and emotional needs of the Methodist minister.

We, therefore, present this resolution setting forth what we consider to be some minimum requirements:

First, we recommend that ordinarily no person be given an Approved Supply status who is over forty years of age;

Second, we recommend that no man without a High School diploma, or its equivalent, be recommended for Approved Supply status;

Third, we suggest to District Committees on Ministerial Qualification that no person without a High School diploma be given local preacher's license.

W. M. HOWARD, JR., *Chairman*
W. N. McDONALD, *Registrar*

*Resolutions adopted by the 1957 Annual Conference (Editor).

RESOLUTION NO. 2: Concerning the On Trial Status of the Traveling Ministry

Whereas, through the years the attitude has developed within the North Carolina Conference that after a preacher has been admitted On Trial his final reception into Full Membership is automatically assured;

Whereas, paragraph 321 of the 1956 Discipline reads, in part, as follows: "A member on trial is on probation as to his character, his preaching, and his competency as a pastor during this period the church determines whether he is worthy of becoming a full member of the Conference. A person on trial may be discontinued without any reflection on his character." (Bold face not in the Discipline).

Therefore, we resolve that it be recognized that the provision of the above paragraph has been and will continue to be in effect within the North Carolina Conference.

REPORT OF METHODIST STUDENT CENTER

East Carolina College, Greenville, N. C.

"GOD'S CALL TO YOUTH" was the special emphasis of the Wesley Foundation's program this past year. First—The Call to be Christian; Second—The Call to Service the Church.

The new Methodist Student Center, beautifully furnished, with adequate facilities, was opened to students at the beginning of Fall Quarter and the Wesley Foundation program was carried on in the Center in cooperation with the two Methodist Churches in Greenville. Cars from the Churches called at the Center on Sunday mornings to take the students to the two Sunday School classes for College students and to morning Worship.

Evening prayer held every Sunday at 6:30 in the Chapel at the Center was an experience through which students learned to worship as members of the Christian community—The Church. Vesper-Discussions on Monday evenings were led by ministers, Directors of Student Work, Faculty members from East Carolina College and Christian Workers in various areas of service. Methodist Youth Caravan Service and reports from Methodist Student Movement Conferences were presented by students. Three discussions on The Problem of Alcohol were led by a student who had attended the Intercollegiate School of Alcohol Studies in Canada last summer, a member of Alcoholics Anonymous and a Christian leader in one of the Methodist Churches in Greenville. These Monday evening discussions were preceded by supper and a time of informal fellowship, in the Lounge at the Student Center.

Alpha Zeta Chapter of Wesley Players carried on a program through the year centered on the Place of Drama in the Church. A one-act play was presented at a Methodist Church in Greenville and in two rural churches. A student-directed play was produced by members of the Chapter in cooperation with the College Class in Play Production and presented at the Center.

Weekly informal Bible Study led by the Director; weekly meetings for meditation and prayer; Holy Communion every Wednesday morning during Lent; Holy Week services in the early morning, provided experiences of worship and opportunity for study of our Christian faith. A program planned and conducted by students every Friday from 7:30 to 11:00 p.m. in the Lounge and an informal social hour from 7:00 to 11:00 p.m. every Saturday, a well equipped kitchen and a Ping Pong Room offer opportunities for relaxation, recreation and fellowship. A beautiful parlor on the Main floor invites students to engage in conversation, meet new acquaintances and friends.

A Freshmen Council was set up by the Director in the Second Quarter, composed of students selected for their potential leadership ability and active participation in the 'F' program. Weekly meetings were held for consideration and evaluation of the program. This group made a real contribution to the Wesley Foundation and from this number, nine were chosen for membership on the WF Council for the coming year.

Enrollment at East Carolina College for the year 4,179, Methodist 872, Campus and Town 816, Men 397, Women 419, Commuters 56 (these come only for classes), Freshmen: 323, Men 152, Women 171; Upper Classmen: 493, Men 245, Women 248. All were contacted by letter, visits, special invitations and announcements. Total number reached by the WF program (those who responded) — 360. Participating in program 72; Active in program 188; Vitally reached by the program ("changed, moulded, matured") — 110. The Director had 600 personal conferences with students during the year.

Contributions: Methodist Student Fellowship Fund—\$100.00; Special Offering during Lent to work in India and Pakistan — \$20.00; Negro Student at Paine College on SCS Scholarship — \$67.92.

Conferences: Attended—District MSM Conference—16 students; State MSM Conference—11; Regional Leadership Conference at Lake Junaluska—3. One student served in Methodist Youth Caravan last summer; one attended the Intercollegiate School of Alcohol Studies in Canada; several served as counselors at Camp Don Lee.

The special event of the year was the Formal Opening of our new Methodist Student Center, November 2, 1958. The past year has been one of adjustment to the new building and the earnest endeavor to use the more adequate facilities to meet the opportunities offered by the expanding program of East Carolina College. College enrollment is continually increasing, faculty is being enlarged, new buildings erected, additions to the curriculum, recognition of social fraternities and sororities, and our Wesley Foundation must recognize and meet the challenge.

We note a growing appreciation on the part of our students for the beauty, flexibility and potential usefulness of our new building, for the opportunities facing the Church on the Campus, and a deep sense of gratitude to the Church for providing the opportunity for growth in Christian faith and experience in the disciplines of study, thinking, prayer and serving. We look forward to the coming year with eager anticipation and faith to "Attempt great things for God; expect great things from God."

REPORT OF THE BOARD OF MISSIONS

I

"Enlistment" shall be the key word for the Board of Missions as it looks ahead to another year of progress and achievement in the causes of Church Extension and Missions.

The "Call to Witness and Decision" was answered by increased missionary giving during this conference year. The district and subdistrict workshops held in January (nineteen in number) acquainted our commission members with the program and the materials available to carry forward this program.

Ably guided by the Rev. M. W. Lawrence, Conference Missionary Secretary, and the Rev. Thomas A. Collins, Executive Secretary, these seminars initiated study groups, mission studies, and advance specials projects across the Conference.

We particularly express our gratitude for the leadership provided by our District Missionary Secretaries: D. J. Reid, L. C. Vereen, C. J. Andrews, W. R. Stevens, A. C. Lee, R. L. Crossno, R. E. L. Moser, Robert Jerome, and A. P. Hill, Jr. These men furnished excellent leadership, beginning with 100% attendance at the Southeastern Jurisdiction Missionary Conference at Junaluska in July. Our conference profits by the training and inspiration received in this annual meeting at Junaluska.

We commend to each pastor and local church the fine work of the Woman's Society of Christian Service, ably guided by Mrs. Pierce Johnson of Weldon. The Woman's Society of Christian Service has achieved greatly in missionary support in our conference and we urge each local church to be an active member unit of this great agency.

The Rev. and Mrs. W. R. Stevens of Rockingham are now in Europe as the counselors for our tenth annual Methodist European Caravan. They are guiding eight young college men and women in work and worship visitations among our European Methodist Churches. This caravan has continued to challenge and inspire numerous young churches visited. We commend this worthy project and bespeak its continuation. This summer our representatives shall visit in England, Germany, Austria, Italy, Switzerland, Holland and France.

The work of Church Extension continues to be one of the highlights of the mission program of our conference. During the six years of the Church Extension era, the North Carolina Conference has led all of Methodism in the number of new congregations organized. We have seen the establishment of more than 65 new Methodist Churches during this period of time, and more than three million dollars has been raised and expended in this great venture.

During the current quadrennium we have set as our goal, one new Methodist Church a month. Thus far this conference year we have established ten new congregations.

The new churches this year are: Brietz Memorial Methodist, Selma; Brogden Methodist, Goldsboro; Philadelphus Methodist, Red Springs; St. John Methodist, Fayetteville; Northwoods Methodist, Jacksonville; Beulaville Methodist Church, Beulaville; Collins Chapel, Lumber Bridge; Christ Methodist, Graham; and Asbury Methodist, Raleigh. Four additional churches are planned with appointments to be made at Annual Conference.

We earnestly offer our thanks to the many laymen and ministers who so faithfully have supported the work of the Ten Dollar Club through these years. They have made possible more than thirty-seven new Methodist church buildings. The necessity of continuing this great program of the Ten Dollar Club is evidenced by the fact that more than twenty-five new churches still need our assistance to build their first permanent unit.

Church Extension is larger than just the establishment of new churches. We must provide homes for our ministers in new churches and in new charges created by charge divisions. This year we have assisted in the construction of twenty-three new parsonages with donations between \$500.00 and \$1,000.00 each. More than \$20,000.00 has been granted for this purpose.

Forty-one churches have been assisted by the Board of Missions in building projects this conference year, in addition to gifts from The Ten Dollar Club. Some have added church school facilities, enlarged present plants, or have begun new buildings. More than \$48,000.00 has been donated to make possible this expansion that our established churches may serve their community more effectively.

In order to request a donation or loan from the Board of Missions, the pastor, or some official of the church, must request an application blank from the Executive Secretary. This application must be completed and in the hands of the Executive Secretary not later than May 1st annually. These applications are then processed and donations granted at the time of Annual Conference. These funds granted on these applications then will be available to the churches, parsonages, or other building causes within the ensuing conference year.

Funds allocated to a charge during the May-June period are available on their request during the following year. If not properly claimed during that period of time, the Board will retain the allocation for one additional year upon written request of the charge. At the end of that period of time, the funds will be returned to unappropriated balances to be allocated to some other worthy project.

A slide series entitled "The Story of Church Extension" has been prepared by our Executive Secretary. This has been revised and expanded to show in color slides this thrilling story. This film is available from our District Missionary Secretaries or from Mr. Walton Memorial Film Library, % Mrs. W. R. Lawson, 2328 Derby Drive, Raleigh, N. C.

Other excellent film strips and slides on mission themes are available through our film library. We encourage the use of these visual aids with frequency in missionary cultivation. A film strip is available showing in thrilling color the work of the Commission on Missions. Another excellent one is entitled "Beyond Our Church Window." This depicts the program of World Service and should be shown in each local church of our conference.

To further the work of Church Extension, and foster the growth of The Ten Dollar Club, we recommend that Sunday, January 17, 1960 be designated as Church Extension Sunday. We solicit the faithful support of each pastor that we may increase the membership in The Ten Dollar Club to our goal of 7,500. Many individuals who have united with our churches since our first great emphasis should be challenged to share in this program. Many committees, church school groups, or Methodist Men's Clubs would be happy to share if informed and challenged.

We need to look beyond our own doors at the needs of the world. To this end we would enlist your support of the Advance Special causes of Methodism. The following items have been approved as specials for the new year. The Lands of Decision (Bosnia, Belgian Congo, Korea and Sarawak); all new Methodist churches organized since 1952, including parsonages of these churches; proposed sites for new Methodist churches; tuition scholarships for directors of Christian Education; the Methodist Stu-

dent Center at East Carolina College; the Alaska Methodist College; the Bethany Mission of the Shiloh charge, Rocky Mount District; the work of our conference missionaries in all other lands; Caravan Methodist Church of Linz, Austria; the work of Methodism in the European Area; Soo Chow University of Hong Kong; Sunset Park Methodist Church, Wilmington; the Paul Bunn Mission Work Fund; the foreign student aid fund to assist students to study in Methodist Colleges in North Carolina; the Wesley Foundation, North Carolina College; John Wesley Methodist Church (C. J.) Fayetteville; The Vieques Mission of Puerto Rico; and the mission work of Bishop Barbieri in Argentina and Uruguay, South America.

The Board of Missions nominated the following as members of the Pastors' School Board of Managers: Rev. S. J. Starnes and Rev. A. S. Parker, terms to expire in 1961; Mr. G. P. Hood and the Rev. J. W. Lineberger, with terms to expire in 1963; Mrs. J. H. Cutchin and Rev. L. C. Vereen, terms to expire in 1965.

We elect and request the appointment of the Rev. O. L. Hathaway as the Executive Secretary of the Board of Missions to succeed Rev. Thomas A. Collins. We commend Mr. Collins for his work as our Executive Secretary for the past six years and pray God's richest blessings upon him as he enters the presidency of North Carolina Wesleyan College.

We wish to take this opportunity to express our appreciation to the pastors and District Superintendents of the conference for their faithful support. We encourage their continued support of an expanding program of missions and church extension.

II

The Board of Missions, North Carolina Annual Conference, Southeastern Jurisdiction of The Methodist Church, Incorporated, was chartered by the North Carolina Conference to facilitate the expansion of church extension within the bounds of our conference.

We are happy to report this is happening as planned. A loan was secured in June of 1956 for \$100,000.00 and we plan to repay this in full at this session of our annual conference. At present, this fund is valued in excess of \$140,000.00. With these funds we have purchased more than forty sites and have secured eight Steelox buildings which we are using as temporary 'steel chapels' in new suburban communities. These shall continue to be moved and used to start new churches for many years to come.

We propose this year to use this fund as collateral and secure a loan of approximately \$250,000.00 for greater expansion of our new churches through a growing loan fund. To this end we shall present proper resolutions to this session of our annual conference.

We recommend the re-election of all officers of this Board for the ensuing year, and we encourage the support of the Conference that this agency of Church Extension may grow in its service.

III

The Survey, Research, and Planning Committee of the Board of Missions has developed a growing program during this first year of incorporation into the life of the Board.

As usual more than ten community surveys were made by Duke Divinity School Students under the guidance of this committee. Now we have eight new Methodist Churches in these communities and we plan new ones in the other two shortly after conference. This summer two Duke Divinity School students are conducting new community survey studies preparatory to the establishment of more new churches.

However, with long view perspective, the committee has devoted much time and study to a "Pilot District Study" to determine the nature and needs of all of our Methodist Churches in the conference.

We propose during the coming year to make the Raleigh District our pilot district as we seek to discover the following information:

1. The local church production story through a ten year period, as these churches are grouped for study by counties and greater community areas.
2. The production of a thorough district map. Each church of all denominations.

shall be located (including all closed Methodist churches). Charge alignment shall be studied with the view to possible re-alignment, or division. The location of schools and other significant community centers shall be studied.

3. The inventory of physical equipment and buildings of our churches. The age and condition, the size of site, the number and size of classrooms, the size and condition of the sanctuary, the size of fellowship hall, the availability of water, heat, lights and other utilities, plus some study of present parsonage facilities.

With this information in hand, adequate study of solutions of discovered needs shall then occupy the forefront of our attention. This committee, under the guidance of Dr. C. W. Robbins, chairman, will then move progressively through a study of the entire conference along similar lines, profiting from experiences in this pilot district study.

IV

RESOLUTION OF APPRECIATION FOR REVEREND THOMAS A. COLLINS

The Executive Committee, each member of the N. C. Conference Board of Missions and Church Extension, and each individual church and church member of our Conference join together in a statement of appreciation to the Reverend Thomas A. Collins for his outstanding work as Executive Secretary of our Board.

Tom was the first full time Executive Secretary of our Board and, because of this, much of his work has been ground work and cultivation. However, he has laid the foundation, built the structure, and already the harvest is manifest. He has been a modern Francis Asbury as he has traveled and worked with almost every church and pastor in our Conference in the causes of Missions and Church Extension. Through these untiring efforts he has endeared himself to church after church and member after member. We believe that we have one of the finest Boards of Missions in the United States and the credit must go to our retiring Executive Secretary.

We thank him for his leadership in all phases of our program and we pray God's richest blessings upon him and his family as they go to other fields of service.

V

RESOLUTION OF APPRECIATION FOR DR. A. J. WALTON

The face of The Methodist Church in North Carolina will not be the same again because of the resignation of Dr. A. J. Walton. He has offered capable leadership to the program of Duke Endowment across this state.

While the face of Methodism has changed noticeably as the churches have been beautified, expanded and made more serviceable, the heart of Methodism has been more deeply touched by this worthy servant of our Lord and Master.

He has been a father and patient counsellor to many of our young ministers in the conference as well as at Duke Divinity School. He has been a patient advisor of our ministers and their lay committees as they have confronted serious and difficult building problems, and he has sought at all times to be available to all men that he and they might more capably serve our Lord.

Few men in a comparable period of time, slightly more than one decade, have so completely enhanced the lives and churches of North Carolina, Methodism. It has been both a pleasure and a privilege to know and to labor with such a man as Dr. A. J. (Jack) Walton.

He loves people and has evidenced the fact that each member of the Board of Missions is his warm, personal friend. His physical presence will be keenly missed as he enters this period of retirement but his spirit and influence shall be indelibly impressed upon this Board.

REPORT OF THE COMMITTEE ON WORLD PEACE

The threats of war in the Far East, the Near East, Berlin, and Algeria, strengthens our beliefs in the principles of the Christian religion. It is imperative that The Methodist Church increase and strengthen her forces in every place on earth where we now have a foothold, and that we enlarge our vision of a World Won to the Principles of Christian Living. We believe that if all nations could see and understand Christ, the peoples of the whole earth would uphold the standards of Peace on Earth and Good Will to All Mankind. Anything less than this is ridiculous and suicidal. Christ must become the inspiration of our thinking and planning. His Way of Life must become the Way of Life for all. As we teach Christ and His Way of Life, effectively, all peoples and nations will understand that the peaceful solution for all international problems will be discovered through the inspiration that comes from Christ. The Spirit of Christ must become the Spirit of every conference where the difficulties of living together in our world are discussed.

We submit and prescribe the following as definite contributions to Peace on Earth:

1. Let every Methodist preacher as a prophet of God sound the warnings of God from the pulpits, calling our own nation to repent of our sins, and turn back to

God, from which we have strayed; and let the people be reminded that God will forgive us and save us.

2. Let our beloved Church, through every means at our disposal, proclaim the unsearchable riches of Christ until this nation has repented, and rid itself of its bold defiance in the face of God, to the end that our nation takes its proper place to lead the world morally and spiritually.

3. The leaders of our nation should not show a belligerent attitude in any of their private or public speeches, rather they should show a calm peacefulness, the Spirit of Christ within their hearts, a readiness to discuss problems of international concern, and a strength that is born of spiritual insight and acquaintance with Christ.

4. We must let it be known at home and abroad in the world, (1) that we do not depend upon modern and new weapons of warfare, but upon the goodness of Almighty God. (2) that we have a deep concern for the oppressed peoples of the earth, and extend to them a sympathetic and helpful hand in solving their internal problems; (3) that we are willing to share with them our abundance of food and clothing; (4) that we are willing to send economists who will help them fight against disease, want, fear, and ignorance.

5. One third of the world is Christian and one third is communist. The remaining third of the world will be at the end of this century communist or Christian, according to the effective work and sacrifice of each group. Surely the Christian community will not permit the Communists to gain ground faster because we are not willing to make the sacrifice that is important to the winning of them to Christ. Surely, The Methodist Church as a part of the world, Christian community, will make whatever sacrifices are necessary, to the end that we may share in that glorious victory when Christ becomes Lord and Saviour to all of the succeeding generations.

REPORT OF THE COMMISSION ON PROMOTION AND CULTIVATION

The members of the Commission on Promotion and Cultivation wish to express our thanks to every agency of the Church for the privilege of sharing with them in the work of The Methodist Church.

We wish to thank every person who has had a part in the support of World Service, Advance Specials, Week of Dedication, Fellowship of Suffering and Service, and Television Ministry, Special Days, the Quadrennial Program for Educational Institutions and the Interdenominational Fund.

We have helped in the production and distribution of a "Flip-Chart" for use in the every-member canvass in the local church.

We have helped in the expenses of the delegates to the joint meeting of the Convocation and the Workshops sponsored by the Commission on Promotion and Cultivation for the Southeastern Jurisdiction held in Atlanta, Georgia.

We have shared with the Television Ministry in the publicity of "Talk Back" over WRAL, Channel 5, in Raleigh, North Carolina.

We offer our services to the Board of Lay Activities in their program of stewardship during the coming year. In co-operation with some of the agencies of the Conference we propose to prepare material for help to the ministers in seeing the opportunities that are provided for the pastor and his family.

We rejoice in the achievements of the campaign for Christian Higher Education.

REPORT OF METHODIST BOARD OF PUBLICATION

For 104 years the publication which now goes under the name of The North Carolina Christian Advocate has served Methodism in this state.

During the past year the management of the Advocate has attempted to cut down the losses incurred in publishing the paper by raising the price to \$3 per individual subscription. We believe that this increase will help us give North Carolina Methodism a finer paper.

We are gratified at the fine cooperation given us this year by the district superintendents and pastors.

During the year, the Rev. Henry Gibat, formerly a pastor in the North Carolina Conference, became associated with the organization as business manager. He will be in charge of the work of the Piedmont Press. Mr. Renard Mitchell, superintendent of the Press, who has been with the organization for nearly fifty years, will retire in August, and we express our gratitude to him for these years of faithful service.

We recommend that next year the Conference set a goal of ten per cent of the church membership subscribing to the Conference paper.

The term of J. N. Hackney as a member of the Board of Trustees of The Methodist Board of Publication expires this year, and we respectfully request his re-election by the North Carolina Conference.

REPORT OF THE METHODIST RETIREMENT HOMES, INC.

The Methodist Retirement Home is one of the North Carolina Conference's finest efforts in its program of meeting the needs of people in the Master's name. The Home stands as a monument to those who accepted the need as a challenge and gave of their time, talents, and money to bring a dream into reality.

The Home is governed by a Board of Trustees nominated by the Bishop and his Cabinet and elected by the Annual Conference. All nine districts of the Conference are represented on this Board. In addition to the 45 elected members, there are two honorary members and several ex-officio members. Membership of the Board is divided into seven committees to cover every phase of the Home's operation. The Board has two regular meetings a year. The committees meet whenever needed.

The Home was filled to its licensed capacity of 42 soon after it was opened in September, 1955. Approximately one-third of the membership are ministers, their wives, or widows. Ages of the members range from 65 to 91, with an average age of over 80. So universal is the need that every District in the Conference is represented by a minimum of two. There is a long waiting list with applications coming in weekly.

Because of the growing need of an increasing number of persons over 65, a new addition is now completed giving the Home a total capacity of 125 members. In less than four years from the opening date the Home's capacity is tripled. In order to make this expansion possible, a long-term loan in the amount of \$600,000 has been secured, which covers the \$540,000 cost of the new construction plus the \$60,000 balance due on the original building.

The addition has provision for 83 members, most of these in private rooms, with sitting rooms, sun porches, beauty parlor, and a creative life or hobby section, with greenhouse for the members.

The entire top floor will be one of the best planned and most modernly equipped infirmaries in the state. Divided into three sections, it has provision for the care of the critically ill, the senile, and the chronically ill. The top floor location gives the advantage of being able to expand to the top floor of the original building, giving a 60 bed infirmary. This will be adequate for a total home membership of approximately 200. Experience shows that if members over 65 are accepted and kept for life, the Home must have one-third of its facilities infirmary. This must be for residents of cottages and apartments as well as main building.

The building is so planned and managed that in nearly four years there has been only one broken bone in the membership, and that came through no fault of the Home. (This record is with an average age of 80 years).

Because many people desire the services and security offered in The Retirement Home but want more room and more privacy than is found in a dormitory type of

living, the long-range plans call for cottages and apartments. The first four of these apartments are now completed with additional ones to be built as the need arises.

The cottages will give all the privacy found in any location plus many of the services available in a retirement home. When closer companionship and more services are found desirable, the apartments grouped around the main building will provide this. If circumstances make infirmity care necessary for husband or wife, the other will be able to move into the main building and thus be near the loved one and have security and care. Upon the passing of husband or wife, the other may move into the main building.

Frequently people have thought of a church Retirement Home exclusively as a place for indigent persons and persons who are family problems. The Retirement Home is serving a number of these persons, but the experience of this and other Homes shows that a Home can handle only a limited number of such persons. There are other agencies that can handle many of these cases better than can a Retirement Home.

There is great need that can best be met by a church Retirement Home. There are cultured people with financial security, who because of family situations are often more lonely and have a greater feeling of insecurity in the sunset of life than most of us imagine. These, too, need a home with a Christian environment where they can find love, security and companionship. The Methodist Retirement Home is an ideal place of retirement for these persons.

The Home is located to best serve, on a beautiful 38-acre tract just inside the western limits of the city of Durham. The Home at 2616 Erwin Road is between the North Carolina Cerebral Palsy Hospital and the Veteran's Hospital, and adjacent to the beautiful Duke University campus.

The proximity to Duke University, with its Chapel, Divinity School, and Hospital, makes available unsurpassed religious, cultural, and medical services. These, with the delightful climate of Piedmont North Carolina, and its strategic location in the North Carolina Conference, make this a delightful place for retirement.

The Home is not a nursing home, but a retirement home, taking only those who are reasonably able to look after themselves. It is prepared, however, to keep a person for life once accepted.

A minimum age of 65, a life of service to the church and community, and need for the services offered by the Home, are the basic requirements for membership. Preference is given to Methodists from the bounds of the North Carolina Conference.

Members are accepted on a monthly boarding basis and on life contract. They contribute according to their ability to pay. Payments range from \$160 per month down to \$70, for an average of \$135 per month.

The monthly rate of \$160 covers: room, board, laundry, dry cleaning, the services of the Home's physician, the medicine he prescribes, the nursing and geriatric care available in the modernly equipped infirmary, and the religious and social life of the Home.

Each case is considered on its merits, as to admission and finances. No one has been turned away solely because of lack of finances, but members are asked to contribute in proportion to their ability.

The Home is here to serve, so please feel free to let the Home know about those who need the services offered in the Home.

The Home is financed largely through the money which comes from the members to be applied to their keep; from the churches of the North Carolina Conference through their budget as a part of the general giving, and the special Mother's Day Offering. Other sources of income are from individuals. The money coming through the budget of the church will be used to pay off the indebtedness.

The benevolent work of the Home, that is, the care of those who cannot pay the cost of their keep, must be met by contributions from individuals. The finest opportunity for this is through the Mother's Day Offering. The Home requests that Mother's Day remain a day of Special Offering for The Retirement Home.

Through personal gifts and wills, you have an excellent opportunity to help in this great work. Your generosity determines the amount of benevolent work that the Home

can do. You, through the Methodist Retirement Home, can change your material gifts into care for some older person.

Another way is through memorials. The building, or any part of it is available as a memorial in recognition of appropriate gifts. In making plans for financing the new construction it was felt that the furnishing of rooms afforded such a marvelous opportunity for memorials that this should be the means of financing this work. Three hundred and fifty dollars furnishes one of the rooms and places a bronze plaque on the door of that room indicating the donor and the person memorialized. Persons are welcomed at any time to visit the Home and discuss this matter.

Many people make it a practice of sending a gift to the Home in lieu of sending flowers on the passing of a friend. An appropriate card is sent to the family of the one so honored and the memorial is listed in "The Book of Remembrance."

An opportunity to serve the Home in a personal way is offered through the activities of the Home's Auxiliary. Information may be obtained by contacting Mrs. Carl Bunting, President, in care of the Home.

Through the budget of your church, a liberal Mother's Day Offering, and special gifts, you share with God as you accept the challenge of Christ on the Cross, to look after His Mother. You make available a Christian home for those who have given their lives in service to God, the church and the community.

REPORT FOR THE BOARD OF SOCIAL AND ECONOMIC RELATIONS

The Methodist Church from its very beginning has been vitally concerned regarding the Christian's relations with his fellow man. John Wesley clearly stated that there was a social as well as a personal application of the Christian gospel. The church through its history has continued to give a vital place to the teaching of social responsibility for all who come into its fellowship. We Methodists have even a greater stake in this matter in the day which we seek to work for the advancement of the kingdom of God.

The Conference Board of Social and Economic Relations has as its objective to train and work for a more Christian Social Order within the area in which we function as a church. There is a feeling on the part of many of the members of this Conference that a larger amount of effort should be given by our laymen and our ministers to consideration of the matters of social concern. In the areas of political responsibility, economic justice, family relations, and racial justice there is a place for prayerful and thoughtful consideration on the part of every member in every local church in the North Carolina Annual Conference.

During the year it is the purpose of this board to cooperate with our Conference Board of Temperance and Commission on World Peace, and study the basis for Christian Social Action. The foundation upon which all of our agencies will work grows out of the same scriptural instructions and Christian ideals. We believe that the Conference-wide seminar to consider these matters will contribute greatly to a more vital program in the field of Christian Social Action.

We believe it is advisable that the local churches organize for this area of work. Our board recommends the organization of local church commissions of Christian Social Relations. To aid in the organization and program of this commission we highly recommend that pastors secure enough copies of the manual entitled "Who Is My

Neighbor?" Also, we recommend that pastors and members of the commission draw from the resources provided in the *Methodist Story*. A new magazine written for workers in the field of Christian Social Relations has recently been issued for the purpose of helping to enrich the work done for this cause. The name of the magazine is *Contact* and at least one copy should be received in every local church.

To effectively serve as members on the commission on Christian Social Relations the members of the commission need to receive instruction and inspiration from qualified leaders. We believe that the training program for the commissions should be expanded to include a place for the members of the local church commission of Christian Social Relations. Our board requests that opportunity be granted by the North Carolina Annual Conference for such a training program this year. We assure the Conference of our desire to work with the Board of Temperance and the Commission on Peace to develop a well rounded program for these meetings.

As local churches seek to develop their programs of action we recommend that they draw upon the resources that have been provided by the General Board of Social and Economic Relations. Lists of leaflets and pamphlets will be gladly furnished by the secretary of the board. From time to time announcements are made concerning the release of additional resources. As new literature comes, ministers and laymen alike should make an effort to get it and study it and seek to use it wisely in their programs of action.

The one historic statement that sets forth clearly the basic principles of Christian Social Action for our church is our Social Creed. We should recommend that a wide study be made of this creed during the coming year in all of our local churches. An appropriate time for such a study would be in either the Labor Day season or United Nations Day, or in connection with the observance of Race Relations Sunday. It would be wise if every minister planned to get a copy into every home on his charge.

AMENDMENT

"For the coming year the Commission on Social and Economic Relations be required to select and study a few of the more important issues confronting us, and to bring to the 1960 Annual Conference recommendations for specific actions in these areas—such, for instance, as are recommended by the Board of Evangelism in its area of concern."

RESOLUTION CONCERNING OBSCENE LITERATURE

Whereas the Methodist Church has ever sought to hold before mankind the spiritual values without which mankind cannot survive, and has sought to stress the importance of high ideals and righteous living; and whereas the contemporary flooding of our drug stores and newsstands with all sorts and conditions of debasing and sex-obsessed literature threatens the healthy moral and spiritual attitudes of people everywhere:

Be it resolved that this session of the North Carolina Conference of the Methodist Church go on record as deploring the current mass publication and sale of obscene literature, and stand in opposition to the demoralizing effect it has upon the values and attitudes of the populace of our state.

Be it further resolved that this Conference go on record as seeking to implement the sentiments of this resolution by offering to our local Churches the following suggestions for positive action against this menace to our moral and spiritual lives:

(1) That the local Churches consider the presentation to their membership by programs, discussion groups, sermons, etc., of the demoralizing effects on individuals and society of the current flood of sex-obsessed literature, so that our people may be intelligently informed of its dangers.

(2) That the local Churches consider ordering, presenting, and studying copies of the booklet *A Sickness In Society* by the Rev. Ralph A. Cannon, which is the best study available of this problem, and that they consider positive action on some of the recommendations that he makes. (This pamphlet can be ordered from the Temperance Press in Washington, D. C.).

(3) That the local Churches stress to their membership the importance of good and uplifting literature, and if possible, seek to establish and maintain for the use of their membership a library of good literature.

(4) That the local Churches bring this problem to the attention of their local wholesale magazine distributor or his agent, and to the owners of the local drug stores and newsstands, and discuss with them the far-reaching implications and effects of the problem; and offer all possible encouragement and help to those who are willing to attempt something constructive in this field.

REPORT OF THE INTER-CONFERENCE COMMISSION ON STUDENT RELIGIOUS WORK

The Methodist Student Movement strives to stress evangelism, Bible study, the Christian faith, the Church, Christian fellowship, ecumenicity, Christian education, service, Christian vocation, religion in higher education, participation in a university Christian movement, and world Christian community. Supervising the direction of the

Methodist Student Movement of North Carolina in carrying out Methodism's ministry to campus communities located in this state is the task of the Inter-Conference Commission on Student Religious work.

We have co-operated in interdenominationally-sponsored activities and in projects of fellowship, training, and service sponsored by Methodist Annual Conferences and by the General Board of Education.

These projects were sponsored by the Methodist Student Movement of North Carolina:

1. Adoption of a Constitution.
2. A Fall Retreat at Camp New Hope to train new officers of local units. Leaders included: Mr. Allan Burry, Chairman of the United Student Christian Council; the Rev. David Swain, Director of the Tokyo Wesley Project; and local directors.
3. A United Nations Model Assembly held in Greensboro. This was to stress international good will and United Nations mechanics. More than 15 colleges were represented; several students were from other countries. Speakers were Dr. Robert Lee Humber, author of the Charter for the Federation of the World, and Miss Connie Curry of the Collegiate Council for the United Nations.
4. The Annual State Conference held in Winston-Salem. This was for inspiration and business. Speakers included: Dr. Mack B. Stokes of Emory University and The Rev. Harmon L. Smith, Jr., of Burlington.
5. A Theological Discussion Group of ministers interested in working with students. During the year the group considered the following: Christianity and Existentialism; John Wesley's Concept of Salvation; Morality, Moralism, and the Christian Faith; Learning through the Covenanted Community; God's Grace and the Christian Sacraments; and the Incarnation.
6. Week-End District Conferences held in Brevard and Raleigh. Speakers were Dr. J. Lem Stokes, President of Pfeiffer College, and The Rev. Harmon L. Smith, Jr.,
7. Personal Visits to 25 campuses, including concerted visits to several.

Here is some condensed information about our Methodist work at some of the schools in North Carolina:

Appalachian State Teachers College, Boone, the Rev. Robert Gibson, Director of the Wesley Foundation. Enrollment, 2039; Methodist preference, 513; affected by Methodist group, 61. During the year more emphasis was placed upon study groups and the training of officers. The students are anxious to see a Methodist Student Center built on the lot purchased last year. When the Center is built, it will house the Wesley Foundation which now meets in the basement of Boone Methodist Church.

Agricultural and Technical College, Greensboro, the Rev. John Corry, Director of the Methodist group which will become a Wesley Foundation. Enrollment, 2600; Methodist (all branches) preference, 644; affected by Methodist group, 173. During the year study groups and fellowship meetings have been held, and deputations have been sent to help local churches. An adequate budget and its own meeting place will permit the group, which now meets on the campus and at Browning's Chapel Methodist Church, to become an accredited Wesley Foundation.

Davidson College, Davidson, the Rev. Russell Montfort, Pastor and Counselor of the Methodist Student Fellowship. Enrollment, 850; Methodist preference, 150; affected by Methodist group, 80. During the year stimulating sessions of study and fellowship for Methodist students were held. Plans are underway for the new wing of the Davidson Methodist Church which will include facilities for students and a meeting place for the Methodist Student Fellowship.

Duke University, Durham, the Rev. Arthur Brandenburg, Chaplain to Methodist Students. Enrollment, 6000; Methodist preference, 1500; affected by Methodist group, 500. During the year the program emphasis has moved from being a strictly undergraduate one to a ministry to the whole university, including graduate students, faculty, and administration. **The Crusader**, a theological journal, is written, mimeographed, and distributed by the students. A study seminar traveled to New York, talked with theologians, viewed plays, etc., in an effort to learn more about the "Christian Faith and Contemporary Culture." Funds are needed for books and materials and for honoraria

for speakers and leaders of the Methodist Student Fellowship which meets in the Methodist Student Center located between the two campuses.

East Carolina College, Greenville, Miss Mamie J. Chandler, a deaconess, Director of the Wesley Foundation. Enrollment, 4179; Methodist preference, 872; affected by Methodist group, 360. During the year the new Methodist Student Center, built by the Woman's Society of Christian Service of the North Carolina Conference (SeJ), was occupied; the formal opening was held on November 2, 1958. The program has been planned carefully this year to make the best possible use of the expanded facilities. Emphases placed upon worship; Bible study; the Church—Its Nature and Mission; need for full-time workers in the Church. Two young men have made the decision to enter the ministry of the Methodist Church.

North Carolina College at Durham, the Rev. Douglas Moore, Director of the Methodist group which will become a Wesley Foundation. Enrollment, 1200; Methodist (all branches) preference, 350; affected by Methodist group, 90. During the year emphasis has been placed on theological study and fellowship. Several copies of *A Layman's Guide to Protestant Theology* by William Hordern were bought and studied by students. A Methodist Student Center is needed to house the group which now meets on the campus and at Asbury Temple Methodist Church.

Pembroke State College, Pembroke, Miss Marjorie Kanable, Counselor of the Wesley Fellowship. Enrollment, 430; Methodist preference, 108; affected by Methodist group, 55. During the year *Power*, a devotional guide for young people, has been made available to all Methodist students. A Prayer Room at First Methodist Church was arranged by youth and college students. It is anticipated that meetings now held in the auditorium, a class room, or First Methodist Church, can be held next year in the old Cafeteria. Funds are needed to help students attend conferences and to carry on the local program.

North Carolina State College, **Meredith College**, **Peace Junior College**, **Rex Hospital and State Hospital** are served by the Wesley Foundation of Raleigh with the Rev. Neal V. McGlamery as Director. Figures for enrollment, Methodist preference, and the number affected by the Methodist group respectively for each school are as follows: State: 6072, 1380, 200; Meredith: 677, 100, 44; Peace: 271, 30, 10; Rex: 150, 25, 15; State Hospital: 100, 10, 6. Fellowship dinners and deputations to other schools have been held regularly during the year; plans are underway to place more emphasis upon study. The Wesley Foundation is enjoying the new facilities (occupied last year) in a wing of Fairmont Methodist Church.

The University of North Carolina at Chapel Hill, the Rev. Robert Johnson, Director of the Wesley Foundation. Enrollment, 7300; Methodist preference, 1700; affected by Methodist group, 450. During the year much of the program and all offices were moved to the newly-purchased "Wesley House." There was greater emphasis in the field of study. The Wesley Lectures were established, with the first lecturer being Prof. Paul Tillich of Harvard University. A study seminar traveled to New York. A seminary interne has been appointed by the Danforth Foundation to assist in next year's program. There is urgent need of building a Methodist Student Center to house the Wesley Foundation which now meets in the old residence known as "Wesley House" and in the basement of University Methodist Church.

Western Carolina College, Cullowhee, the Rev. & Mrs. Milford V. Thumm, Pastor-Director and Associate Director, respectively, of the Wesley Foundation. Enrollment, 1421; Methodist preference, 322; affected by Methodist group, 275. During the year the group co-sponsored a delegate on the Scandinavian youth caravan and in other ways emphasized world friendship. Programs were presented on such subjects as: Christianity and its relationship to sex and marriage, the Church year, the responsible student, modern literature, and the Dead Sea Scrolls. The morality play, "Everyman," was presented. New quarters are needed for the Wesley Foundation which now meets in the basement of Cullowhee Methodist Church.

Wake Forest College, **Salem College**, and **Baptist Hospital** are served by the Wesley Foundation at Winston-Salem with the Rev. Robert W. Younts as Director. Figures for enrollment, Methodist preference, and the number affected by the Methodist

group, respectively, for each school are as follows: Wake Forest, 2500, 300, 115; Salem, 450, 100, 25; Baptist Hospital, 160, 50, 60. During the year the Wesley Foundation became conditionally accredited. During the Easter holidays a study seminar of 15 people traveled to New York. Study groups were expanded. More emphasis was placed on ministering to nurses. The Wesley Foundation is quartered in the new building of Maple Springs Methodist Church.

The Woman's College of the University of North Carolina, Greensboro, the Rev. Robert F. Streetman, Director of the Wesley Foundation. Enrollment, 2107; Methodist preference, 670; affected by Methodist group, 400. During the first semester The Rev. Robert Barefield served as part-time Director, since Mr. Streetman was still in school and could not be hired on a full-time basis. Extensive counseling was carried on, study groups were broadened, Sunday evening "firesides" were held, and students felt it more necessary to take responsibility upon themselves. During the second semester under the full-time Director, study groups were deepened and plans were made for better integration of the entire program. The Wesley Foundation has quarters in College Place Methodist Church.

REPORT OF THE TELEVISION, RADIO AND FILM COMMISSION

The Television, Radio and Film Commission has experienced the greatest year in its seven-year history. This year has seen the expansion of the Audio-Visual Library, the growing demand for its services beyond our expectations, the projection of the first series of Talk Back television programs, and substantial progress in numerous other areas.

The Commission recommends that the Audio-Visual Library be named the Walton Memorial Audio-Visual Library of the North Carolina Annual Conference. This will honor the memory of the Rev. W. Carlisle Walton, Jr., who died in a New York air crash while in attendance at a meeting of the General Commission of Television, Radio and Film work. Mr. Walton was the initiator of the library in our conference and served as chairman of our commission before his election to membership on the staff of the General Commission in Nashville.

The usage of the Library has grown tremendously. There are a total of 505 filmstrips, films, and slide series now in the Library. The librarian estimates that materials from the Library are used on an average of 125 times per month by approximately one-half of the churches in our conference.

Mrs. W. R. Lawson, Jr., our film librarian, works tirelessly to serve the needs of the conference and we commend her for her dedicated and able leadership. She may be contacted by phone or mail to order catalogues of films or specific titles. The Library address is: Walton Memorial Audio-Visual Library, % Mrs. W. R. Lawson, Jr., 2328 Derby Drive, Raleigh, N. C. (Phone TEmple 3-1804).

The Talk Back television series was viewed by a large audience on WRAL-TV (Channel 5) Raleigh, during the January-April period of this year. Dr. Landis Bennett of N. C. State College was a most competent leader as production manager. The Rev. Harold Minor served as chairman of utilization and the Rev. O. L. Hathaway served as publicity chairman. Many groups viewed this series and participated in discussion groups. The program manager at the television station commended the Talk Back programs highly. He stated their viewing audience compared favorably in quantity to that of the competing program, "Hopalong Cassidy." It was his opinion that the series would be welcome for future scheduling. We hope the same series will be produced over Channel 9, Greenville, next year. The second series of Talk Back is now in process of production.

The conference is responding with growing interest in emphasizing Television ministry Sunday. We recommend Sunday, January 10, 1960, as Television Ministry Sunday and we urge each church to receive an offering for the growth of this ministry of our Church. We need to attain our goal of ten cents per member as our financial share.

Recognizing the need of Audio-Visual Workshops, the commission proposes to have three workshops next year. These will be as follows: November 2-3 in Raleigh for the Burlington, Durham and Raleigh Districts; November 9-10 in Greenville for the Rocky Mount, Elizabeth City and New Bern Districts; and November 16-17 in Clinton for the Goldsboro, Fayetteville and Wilmington Districts.

We encourage the practice of having an audio-visual co-ordinator in each local church to see that this method of teaching is effectively used in the total program of the Church.

REPORT OF THE BOARD OF TEMPERANCE

The Board of Temperance has been particularly concerned this year to implement the program of alcohol education on the local level. We have urged that committees on temperance, or Christian Social Relations, be set up in every local charge. Unless something is done about our cause in the local parish, large areas of our work will be left untouched. We wish to arouse our people to the peril and challenge of the alcohol situation.

In the field of alcohol education, some of the pastors have used the illustrated, turn-over charts, films, literature, including Facts of the Month leaflets. Some of the preachers have attended the Clinical Training School at Keeley. Here they have observed the treatment and counseling of alcoholics under professional care, and the operation of a well established program of rehabilitation.

Concerned and competent youth and adult delegates have been given guidance and financial aid in attending schools on Alcohol, which are scheduled by our General Board of Temperance. Graduates of these schools are expected to share their concern and information at youth rallies and conference sessions.

The area of legislation has also claimed our attention. We have continued our support of the Christian Action League (successor of the Allied Church League). Some restraint and control have been exerted on the flow and consumption of liquor and malt beverages. We have been anxiously concerned with Congressional legislation to ban high pressure propaganda to the extent of 400 or more millions of dollars annually spent in the use of every modern media to educate and urge people to drink alcoholic beverages.

Moreover, we are observing Commitment Day on the first Sunday in December. The occasion can be made effectively by careful planning and a preparatory program. Commitment Day opens a door for an evangelistic emphasis. Our General Board has offered a Commitment check-list, with the suggestion of ten things that each individual could do to advance the cause of an alcohol-free people.

Counseling of alcoholics is also a part of our program. Pastors have a responsibility here, not to condemn the people who are in trouble with drink, but to help them. Study of the problem of the effects of alcohol on the body and human behavior, and the attendance of clinics for training of pastors in this field, will enable us to do more effective work in counseling.

To promote our program for the coming year, we urge:

1. That a Christian Social Committee be set up or activated in every charge.
2. That an adequate educational program be advanced in every district, sub-district, in local church and community.
3. That we focus the attention of the people on Commitment Day with greater emphasis and cultivation of the temperance program.
4. We also wish to commend the Good Shepherd Home, and the outstanding work done by Rev. Edgar Dunn at Waccamaw, N. C.
5. We recommend that a thorough-going effort be made in an experimental community to resist the sales and create an alcohol free area, with a view of seeing the possibilities of concentrated aim.
6. We wish to support the Bills that have been introduced in Congress to ban the sale of liquor on airplanes. We urge our pastors and laymen to write Senator Warren Magnuson, chairman of Senate Interstate and Foreign Commerce Committee, and House chairman, Representative Oren Harris, and also our own Senators and Congressmen. The bills are designated—in the Senate, S 1432 and in the House—H. R. 7135.
7. Furthermore we propose to co-sponsor a Conference-wide session on Social Concerns, in March 1960, in cooperation with Commission on Social and Economic Relations, Commission on World Peace, and the Board of Education.

REPORT OF COMMISSION ON TOWN AND COUNTRY WORK

Report No. 1

PROGRESS REPORT OF FIELD WORK

In so far as we know, the Field Work of the Commission on Town and Country Work of the North Carolina Conference is unique in Methodism. Through its efforts over the past three years three churches have been reopened; field studies averaging eight weeks duration, have been made of ten churches; and community surveys have been taken for six other churches. A brief summarization of this work is as follows:

Reopened Churches

1. The Speights Methodist Church on the Rocky Mount District, after being closed for four months, was reopened May 6, 1956. Twenty members still remained on the church rolls. By June 1958, two years later, the church had grown to a membership of 102 and had a Sunday School enrollment of seventy-six. A total of \$2543.00 was raised during last year alone. In addition the sanctuary has been refinished and a Sunday School annex, valued at \$5,000.00 has been completed and is free of debt. The Reverend Wade A. Mullikin served as pastor during this period of phenomenal recovery. He was succeeded by the Reverend A. C. Regan in June of 1958.
2. The Piney Grove Methodist Church on the Raleigh District was reopened on March 17, 1957 after being closed for nearly three years. One year later there were twenty-one members and an enrollment of eighty-six in the Sunday School. The church sanctuary has been completely renovated at a cost of \$5,000.00 and a Church School annex, valued at \$10,000.00 is expected to be occupied soon.
3. The Mount Carmel Methodist Church on the Raleigh District was reopened on the 100th Anniversary of its founding, May 12, 1957. Today there are seventy members and eighty-seven are enrolled in the Sunday School. Future plans call for a substantial increase in Sunday School facilities, including the addition of several badly needed rooms. The Reverend C. B. Hicks has been the pastor of the Piney Grove-Mount Carmel Charge during this thrilling period of rebirth.

In addition to the preceding work in the field with local churches, conference-wide journal research and studies have been made to ascertain where our assistance could be used to greatest advantage. We have sought not only to learn the problems of the rural church, but more important, to discover its potential and how it can best be utilized.

While, doubtless, some of our closed churches cannot be reopened and some of our weaker churches cannot be made stronger, it is our intent that every one of them be given a distinct opportunity to prove themselves. This is often difficult in overloaded parishes. Therefore, in our work with the local church, we have served as the pastor's assistant; attempting to make important contacts through survey and visitation that his limited time has not permitted.

Sometimes we fail in our mission to strengthen the church, but more often God blesses our effort to the extent that good has been visibly accomplished. Let it be known, however, we have discovered no magic formula that can be substituted for hard

work and the simple faith the Good Lord is still with us. He, indeed, is the source of our refuge and strength.

Report No. 2

A CITATION—DR. A. J. WALTON

Dr. A. J. Walton has served his church in various capacities, as pastor, district superintendent, executive secretary of education, college dean and professor, and in many other ways. This paper deals with his contribution to the development of a constructive rural program of work.

Dr. Walton was the active reserve member of the General Conference in Birmingham, Alabama 1938 which voted overwhelmingly for the unification of Methodism. He was a member of the two uniting conferences in Kansas City and Atlantic City; also a member of the General Conference in Springfield. He has been a member of all the Jurisdictional Conferences. He was largely instrumental in formulating the legislation on Town and Country Work which appears in our Discipline; and he helped to engineer this legislation through the General Conference.

While a member of the National Board of Missions and Church Extension, he was superintendent of Town and Country Work. He conducted rural conferences in Columbus, Elgin and Wichita Falls. He helped organize the first National Rural Conference which met in Lincoln, Nebraska. He attended all these conferences and has made substantial contributions to them. He is a member of the Council of the Rural Fellowship of the National Council of Churches in the United States, and has attended all these conferences since 1940. The Methodist Rural Fellowship section of the National Convocation of Churches of Christ in the United States on Town and Country work, under the auspices of the National Council of Churches of Christ in the United States held a meeting at Green Lake, Wisconsin in 1957. This Convocation conferred upon Dr. Walton an honorary life membership in the Methodist National Fellowship on Town and Country Work. He is one of only nine persons to receive this distinctive honor. The citation by this national body is eloquent testimony to Dr. Walton's contribution to rural Methodism. Among other things, this citation stated, "Dr. Walton is being honored for his outstanding service toward the improvement of rural life and the rural church in the United States."

Dr. Walton has written text books mainly for teaching in town and country churches. He teaches in many of these Christian Workers Schools which help develop more effective teachers and leaders for rural churches.

Perhaps Dr. Walton's greatest contribution to rural life and program of work has been as professor of practical theology, church administration, and director of the Duke Endowment since 1948 at the Duke Divinity School. He appoints and supervises ministerial students for summer work in rural areas. He has sent out 826 such students for summer work with an expenditure of \$496,800. Students aided otherwise than the Endowment 333. Church buildings aided 483 with a cost of \$566,964; salaries for 338 student pastors, \$356,000.

Dr. Walton investigates rural situations where new churches need to be erected, or improved or re-located, and makes recommendations to the Duke Endowment for financial help. Through his teaching and counseling, Dr. Walton has helped train some of the best rural workers in our church.

The Commission on Town and Country Work of the North Carolina Conference wishes to express its grateful appreciation to Dr. Walton for his wise leadership and effective contribution to the rural life and fellowship of this conference.

RESOLUTIONS

I

Annual Conference Archives

WHEREAS the several agencies and agents of the Annual Conference have records which are valuable and should be preserved permanently. *Discipline*, 1956 (pars. 656, 657, 658, and 1591.1b), recognizes the importance of the Annual Conference having an archives.

Provision should be made for an archives in the projected office building of the Annual Conference, including the necessary equipment and secretarial labor to maintain efficiently a filing system.

All agencies and agents of the Annual Conference should deposit in the archives records not in current use.

The Secretary of the Annual Conference should be the official custodian of the archives, and would have authority to decide which records have value for permanent keeping.

THEREFORE BE IT RESOLVED, that the Annual Conference approves the above proposal, and that the Long-Range Planning Committee is requested to execute same.

II

Methodist Information

WHEREAS (1) The Annual Conference of 1956 adopted a report containing a request stated as follows: "The Annual Conference is requested to give consideration to ways and means of establishing a much needed information, publicity, and press relations service." (JOURNAL, 1956, p. 176, par. 8).

(2) *Discipline*, 1956, par. 1590, provides that the Annual Conference may establish a Commission on Public Relations and Methodist Information, for which there is evident need. The functions of the Annual Conference Commission would be similar to those of the general Commission on Public Relations and Methodist Information as described in *Discipline*, 1956, pars. 1586, 1587, and 1589.

(3) Also, there is need for an inexpensive printed news medium which would go frequently into the home of each church member and minister in the Annual Conference. The Committee is requested to include in its study an investigation of possibilities of utilizing the North Carolina Christian Advocate as a medium for transmitting Metho-

dist Information and, if considered advisable, to seek ways of increasing circulation of the Advocate in order to reach the maximum number of Methodist families, and to formulate some plan whereby the permanent commission on Public Relations and Methodist Information may have a working arrangement with the North Carolina Christian Advocate to the end that both may profit through cooperation.

THEREFORE BE IT RESOLVED, that the Annual Conference approves the above proposals, and that the Long-Range Planning Committee is requested to study ways and means to accomplish these and present to next regular session of the Annual Conference specific propositions to execute same.

III

Insurance

WHEREAS (1) It is important that all churches and parsonages be insured adequately

(2) Church members and pastors usually do not know amount and type of insurance carried on their churches.

(3) The Duke Endowment, and Board of Missions, require that all churches receiving financial grants keep buildings insured adequately.

(4) The JOURNAL is the principal published record of Annual Conference statistics

(5) The statistical tables of the JOURNAL formerly included information on insurance carried by local churches.

THEREFORE BE IT RESOLVED, that the Secretary, and the Statistician, of the Annual Conference are requested to provide for insurance information on church or churches and parsonage, in the pastor's report to Annual Conference, and for inclusion of same in the statistical tables of the JOURNAL. Amounts for fire and lightning only, or fire and lightning and extended coverage, would be so recorded.

REPORT OF CONFERENCE BOARD OF COLLEGE VISITORS

The Annual visit of our Board was made in April of this year and, we believe, proved again to be most fruitful. We were gratified by the expressions of appreciation for the service rendered by the Conference. These expressions came from faculty, students and administrative persons alike. Many specifically requested that the Conference continue this service in the future.

On the campuses of Louisburg, High Point and Greensboro Colleges, we met with members of the Administration, with faculty members and with student representatives of all campus organizations.

Our first concern was with the spiritual atmosphere and life of the campus. This we found to be strong and healthy in every case. In the cases of Louisburg and High Point Colleges, in particular, we found a serious lack of space in which to carry on the program of religious activities for Methodist student groups. They are aware of what has been done on other campuses and are asking for our support at this vital point.

We found our colleges in the western section of the State tremendously concerned because of the reduced income from our Conference for operating expenses and the failure of the Western Conference to give added support at this point. We, therefore, call upon all our people to continue to rally to the support of all our colleges that we may keep pace with the needs in the field of Christian Higher Education.

REPORT OF THE COMMISSION ON CHRISTIAN VOCATIONS

"A Minister From Every Local Church"

One of the most important problems before us in our North Carolina Conference is the recruitment of young men and women for the Christian ministry or other forms of Christian service.

Realizing that a fruitful church is one that has sent some young person into a Church vocation and a barren church is one that has not, your Commission calls upon this conference to face its responsibility for recruitment. We join in the hope that one person from each local church will volunteer for the ministry or some other field of Christian service this year.

This year a Conference on Church Vocations for our high school juniors and seniors was held in the First Methodist Church, Rocky Mount, on March 6-8. About 100 of our young people and adults attended.

Our plans for the new conference year include the tri-district Bishop's Conventions on the Ministry to be held as follows:

September 19, at Duke Memorial for the Burlington, Durham, and Raleigh Districts.

November 7, at Jarvis Memorial for the New Bern, Elizabeth City and Rocky Mount Districts.

November 14, at Clinton for the Wilmington, Fayetteville, and Goldsboro Districts.

These are to be one day (Saturday) meetings for young men (Juniors and Seniors in high school and college students) who may be now thinking of the ministry or those we may be able to interest. These are to be sponsored jointly by this Commission and by our Conference Board of Ministerial Training and Qualifications.

As each local church is under mandate to discover new and more effective ways of presenting the claims of the church related vocations to our ablest young people we suggest the following:

1. That every pastor plan for at least one sermon each year dealing with it
2. That every local church organize or activate its Committee on Christian Vocations and distribute Vocational literature to both youth and adults. The booklet "Methodist Service Projects" is the basic manual of vocational information.
3. That during our special evangelistic services we have a Youth Night when an invitation be given for those who would enter Church vocations.
4. That every church keep a simple file of all young people interested in or committed to a Church vocation; and keep in touch with them while they are away at school.

We want to express our appreciation to our District Superintendents who have made an honest effort to organize and activate the local commission on Christian Vocations and have called for reports at their quarterly conferences. Especially do we want to thank Dr. Allen P. Brantley for his work in helping to arrange the Bishop's Conventions.

We would also thank our District Directors who have carried a large work load this year in our work. They are: N. L. Jones, John M. Cline, J. A. Auman, R. L. Bame, R. Harry Jordan, R. Grady Dawson, Brooks Patten, R. W. Bradshaw, and C. F. Grill.

REPORT OF THE WOMAN'S SOCIETY OF CHRISTIAN SERVICE AND WESLEYAN SERVICE GUILD

The theme for the Annual Meeting which was held at Steele Street Church, Sanford, April 7-9, was "The Master Calleth for Thee." This was suggested by one of the seven goals for the quadrennium, "To Confront the Local Church with the Challenge of Recruitment for Missionary and Deaconess Service." The theme carried, however, even broader implications than those expressly stated in the goal, for it was intended to bring about a more serious dedication on the part of the members of the Woman's Societies and Guilds to lives of richer and fuller service. It also was definitely in line with the emphasis being placed this year by the local church on Enlistment. It is well to refresh our minds with the opening sentence of the Purpose of the Woman's Society of Christian Service which is: "To enlist all the women of the church in Christian living and service," and this is the achievement we shall ever strive to attain. It is worthy of note, I think, to call attention to the fact that every district and subdistrict used the same theme, hoping thus by concentrated effort to make a real impact on the minds and hearts of the women.

The Annual Meeting of the Wesleyan Service Guild held in Wilson, April 11-12, had as its theme, "Myself I Give Thee," thus complementing that of the Woman's Society. Sincere appreciation has been expressed for the well planned programs at both of these meetings, and for the outstanding speakers present.

It is possible in this report to state with justifiable pride and genuine gratitude that the Methodist Student Center was formally opened in October of last year. It is indeed a credit to our church as it stands in a strategic position to minister to the spiritual and social welfare of the students at East Carolina College. Much constructive work is being done under the guidance of Miss Mamie Chandler, Deaconess, in whose honor the chapel has been named.

Miss Ethelynde Ballance has served the past year on the Roberdell Charge and Miss Jean Griffith in the Glendon Area in the Burlington district. Both have done most creditable work. There are other areas in our conference where assistance from workers under the Woman's Division could prove of inestimable value. Plans are under consideration at the present time for the opening up of some new work, although nothing definite can be reported now.

Our conference is supporting two North Carolina girls in the foreign field: Miss Barbara Ann Smith in Cuba and Miss Marjorie Yarborough in Korea.

The Annual School of Missions and Christian Service held at Duke University continues to maintain its high standard of excellence, and its noteworthy record of attendance. The addition this year of a weekend of study for the Guild is the fulfillment of a long cherished dream. The Spiritual Life Retreat, which has been planned to minister to both groups, is expected to reach a large number of women, and to result in a deepening enriching experience.

There are 742 Woman's Societies in the conference and 62 Guilds with a combined membership of 35,455.

The treasurer reports total money received for all causes for the year 1958-59 \$213,534.00, an increase over the previous year of \$8,286.61. The amount spent for local work amounts to \$149,523.18, making a total of \$363,057.18. This is tangible evidence of the love and loyalty which our women have for their church and for the cause of missions, and we wish to express profound gratitude to them.

This report would be incomplete without a word of appreciation to Bishop Garber, the District Superintendents, and the ministers in the conference, for their support

and encouragement. It is the working together that makes the whole program of the church strong. It is in the strengthening of every phase of activity that worthwhile goals will be achieved.

REPORT OF THE COMMISSION ON WORLD SERVICE AND FINANCE

Report No. 1

Your Commission notes with great satisfaction that our two new colleges are assured as the result of our College Capital Fund Campaign during the current conference year. This accomplishment represents a "giant step" forward in the cause of Christian Higher Education by our people as well as in our total conference program.

Since we are coming to the end of the Quadrennium, your Commission thinks it best to make no increase in total Benevolence Askings but to reserve such consideration for the next quadrennium beginning 1960-1961.

However, the conference is under a commitment to increase the College Sustaining Fund in the amount of \$40,000 annually and to this end we propose:

1. That each District Superintendent use all reasonable effort to obtain 100% payment of #7 Benevolence Acceptances for this year 1958-59.

2. Encourage increase in acceptances for 1959-60 in charges where conditions indicate a willingness to accept such increases.

3. Strive for 100% payment of acceptances for the 1959-60 fiscal year.

Good results under this program can make possible the payment to the College Sustaining Fund of the scheduled annual increase of \$40,000 which is not budgeted for 1959-60.

The Askings by Districts for BENEVOLENCES, Fund #7, for 1959-60 are:

Burlington	\$112,430.00	New Bern	\$117,572.00
Durham	136,303.00	Raleigh	159,164.00
Elizabeth City	94,298.00	Rocky Mount	126,635.00
Fayetteville	129,985.00	Wilmington	96,605.00
Goldsboro	103,577.00		
		Total	\$1,076,569.00

The District Superintendents will make the allocations to the charges.

The total funds received from the acceptances for the combined BENEVOLENCES shall be distributed thus: Each cause shall be paid proportionately out of the income from acceptances up to the amount fixed in the budget. Any surplus shall be held by the Conference Treasurer to be expended by the Annual Conference upon recommendation of the Commission. Provided, however, in the event collections under Item #7, Benevolences, should fall short to an extent which cannot be bridged by the Contingency Fund, the Commission requests authority within its discretion to pay in full certain items in the budget (World Service, General Administration, Interdenominational Cooperation, Jurisdictional Conference Budget). The remaining sum available will be paid proportionately to the remaining budget items.

3. The Commission recommends that each person who has authority to draw checks against an account of a Conference Agency be required to present annually to the full membership of his Agency a complete list of all checks drawn, justifying all checks with the budget approved by his Agency.

4. The Commission recommends that each agency whose accounts are not audited in the Treasurer's Office be required to have an annual audit made and furnish this Commission with a copy of it.

5. The Commission would like to call the attention of the Conference to the increased amount of travel expense and request that the various agencies be diligent in holding it to the minimum necessary to properly perform their service.

6. "A. Under the Church Extension Fund the first \$25,000.00 is earmarked to be paid to Board of Missions, Inc., for the revolving fund in order to provide security for money to be borrowed by Board of Missions, Inc., in the total amount of \$250,000.00 (To be used for loans to build churches).

7. The distribution of the College Sustaining Fund shall be in accordance with the decision of the Board of Education.

8. We request approval of this commission setting up a Committee to study the needs of the various agencies, Boards, Commissions and Committees before the next re-conference hearing of the Commission.

This shall be increased by at least 20% of the original base annually until they achieve the then current base of established charges in a period not to exceed four years.

The Commission recommends approval of the following SPECIALS to be arranged by Special Offerings or included in the budget. IF BUDGETED, the amount should be liberal. Remit to Conference Treasurer.

3. The Board of Missions for the promotion of Church Extension Ten Dollar Club.

4. That the Board of Education be permitted to accept funds donated by children's groups, young adult groups, individuals, etc., to begin additional Camps for our Conference.

5. Methodist Retirement Home, Incorporated for privilege of private solicitation and receipt of such donations as may be directed thereto.

6. We commend the program of the Board of Lay Activities to promote Stewardship and Tithing throughout the Conference in 1960 embodying:

(a) District Schools to train leaders.

(b) Charge leaders in turn to conduct schools to train members for Every Member Canvass.

(c) Also, we approve for the Board of Lay Activities a continuing campaign to raise a student loan or scholarship fund for people going into full time ministry. The funds to be used at Louisburg College, Methodist College and North Carolina Wesleyan College.

7. We recommend approval of a Christmas Special Offering for Kitty Hawk Methodist Church for one year only. Such offering is to be reported as Conference Advance Special Item #10 and remitted to the Conference Treasurer.

Most of our people recognize that the business of the annual conference constitutes an operation of considerable magnitude and because of this, there is need for more flexibility in obtaining approval of funds to cover new items of expense and the growth factor in established items.

Therefore we suggest that the Commission on World Service and Finance be

clothed with authority to act in the interim in this field, to meet urgent needs requiring attention between annual conference sessions with a combined limit of \$10,000 in any conference year.

The purpose of this action is to provide interim authority for administrative expenses that may arise as emergencies outside of the regular boards and agencies of the conference and to supplement such need as may arise within the several boards, commissions, committees and agencies of the conference. Such authority shall be restricted to meeting needs of the immediate conference year and within the limits of funds available and not appropriated to meet any conference obligation. We ask Conference approval of this.

We recommend that the Conference fiscal year be designated to begin July 1st and to close June 30th.

We recommend to charge our church treasurers that they set up a schedule for remitting at a fixed time each month and to close the year as early as possible. Final remittance should be mailed on Monday two weeks preceding the opening of Conference.

The Pastors bear responsibility to check with Treasurers for full remittance of all budgeted items and all funds collected as specials and to harmonize their reports to Annual Conference with Conference Treasurer's acknowledgments both received and pending.

We report the issuance of a Fidelity Bond in Employers Mutual Casualty Company of Des Moines, Iowa to cover the Conference Treasurer in the amount of \$100,000.00 and to cover the Stenographer-Clerk in the amount of \$25,000.00; others to a minimum amount of \$10,000.00 in said office. Also to cover others handling funds in Methodist Retirement Homes, Inc., Board of Education, Methodist Youth Fund, Camp Director, Methodist Youth Assemblies, Treasurer Camp Don-Lee, Treasurer Methodist Youth Center, Greenville.

We recommend the continuation of A. M. Pullen and Company as auditors.

DEPARTMENT OF GIFTS AND WILLS

This new department was launched in 1958 with Annual Conference approval and budget support. The Reverend Charles S. Hubbard is Chairman of the Gifts and Wills Committee.

F. Olen Hunt, D.D. reported on March 1, 1959, as full time Director of the Department. He spent many years in fund raising for the Division of National Missions and headed that department for some years just before coming to us. It is our belief that no better qualified person could have been obtained to lead us in this work which has tremendous potentialities for channelling into selected church benevolences the gifts and legacies of our people who desire to contribute to the work of the Lord either present or future gifts.

Methodist Foundation, Inc. (which is now our legal name) will be beneficiary of several wills already in process. Gifts in the amount of \$15,487.97 have been received. These voluntary actions give us evidence of considerable interest on the part of our people in this new agency of our conference.

By the use of the slogan "Put God's Will in Your Will" we shall endeavor to remind our people to do something tangible in their estate planning.

Our brochure has been promised to us in limited quantity for presentation at Annual Conference. We believe you will join us in feeling pride in this presentation of the Christian work supported by the joint effort of our more than 800 churches, and to be supplemented by the work of this new department.

Request is made for the approval of an optional church committee to be known as The Methodist Foundation Committee. This committee shall consist of the Pastor, Chairman of the Official Board, Layman, President of the Woman's Society, a local attorney and a bank representative; also other members the local church desires to add. This committee in each church is to be related to a District Committee of The Methodist Foundation consisting of the District Superintendent, District Lay Leader, President of the Woman's Society and a Pastor.

The major responsibilities of the Methodist Foundation Committee in the local church will be the distribution of materials, giving out of information, and collecting of names for prospective donors, legators, etc.

Our program is necessarily slow in growth which gives us opportunity to engage in extra curricular work as time permits. In this field the Director has delivered 38 sermons and addresses during less than four months in the interest of local church budgets and building fund crusades and has also met with a number of church finance committees.

Our request for budgetary support of this department is presented to the Commission on World Service and Finance and is requested to be made from earnings on invested funds—NOT as an item of the Benevolence Fund.

INVESTMENT DEPARTMENT

Recent months in this conference year have witnessed recovery and expansion of the economy of our nation and this has been quite vividly reflected in the securities held by us.

An appraisal report made for our Quarterly meeting held on April 22 showed total values \$1,171,142.00
 against subscription price of 938,550.00

Total appreciation and undistributed earnings	\$ 232,592.00
4-13-59 Appraised value per Capital Unit	\$ 1.2759
7-1-58 Appraised value per Capital Unit	\$ 1.08535

These results have been obtained primarily due to the favorable economic climate but that would not have produced the results without the faithful support of the members of the Foundation and the expert guidance of Moody's Investors Service. To them all we express our appreciation.

We believe the sound financial condition of the Foundation will encourage the making of gifts and wills directed to be used for endowment, and for that reason foundation investments must be in keeping with good investment banking as for Trust funds.

As will be noted, our investments are yielding at 4.69% on basis of cost or 3.97% on appraisal.

We recommend approval of a dividend of 5¢ per capital unit to be distributed thusly:

Central Funds	\$15,323.35
Pension Fund	11,110.00
Ministers Retirement Fund	8,555.00
Board of Trustees	10,300.00
Gifts and Wills Department	606.40
	<hr/>
	\$45,894.75

The dividend to be to owners on June 30, 1959 and to be payable July 22, 1959. It may be noted that $\frac{2}{3}$ of the fund held at this reporting is for the benefit of our retired ministers.

See Schedule of Investments and Financial Statement in Audit Report.

A WORD FROM THE CONFERENCE TREASURER

Current Funds received for the year to May 20 are 58.1% of apportionments and acceptances which represents a considerable improvement over last year same time. You will recall that last year had a poor showing at this date so we have returned to a normal situation in receipts. Let us not overlook our objective of 100% payment by all charges for this conference year. There is definite need for this to be accomplished.

This should become normal procedure.

As has been our custom we present an estimate of earnings on Central Funds for the current Conference year:

Methodist Fund, Inc., dividend payable 7-23-59	\$15,323.35
Savings and Loan interest	1,254.00
Federal National Mortgage Association Notes (Interest)	8,750.00
Savings accounts, interest	7,943.00
Total	<u>\$33,270.00</u>

This reflects an increase of more than \$4,000.00 over last year.

We are able to report that Central Fund Investment in Methodist Fund Incorporated (now Methodist Foundation, Inc.) in the amount of \$310,000.00 showed appreciation of \$81,021.00 as of April 13, 1959, and is now returning close to 5% in dividends on our cost. Methodist Foundation, Inc. is getting started in the Gifts and Wills department with concrete plans for definite work in that field.

The financial standing of the investment department will build confidence in the minds of potential donors in the ability of the Foundation and the Annual Conference to administer any trust, gift or bequest, according to its terms.

During the year now closing we have had the valuable assistance of three ladies in the office. Mrs. Eda M. Rogers, Mrs. Carole Underwood, and Miss Connie Chesson. The efficiency of the office is a reflection of their loyal, efficient service. We thank them.

The total membership of the Commission on World Service and Finance and Methodist Foundation, Inc. under the expanded set up will now constitute a group of 7 members of our conference, ministers and laymen. We bespeak for them your confidence in their official actions and your prayers for the steady progress of the work of the church in all departments.

MARVIN J. COWELL
Conference Treasurer

REPORT OF THE COMMISSION ON WORSHIP

One of the most significant religious facts of our time is Protestant Christianity's realization that it is an unfinished system. Consequently, Protestantism is undertaking radical re-examination of its biblical and liturgical foundations. Indeed, the liturgical movements within the various churches constitutes a new reformation at the heart of our faith. It is within this context of the liturgical movement that Methodism is awakening to the meaning of its historic tradition in the role of Christian worship; and, across the church, ministers and laymen alike, are taking a new look at our contemporary worship.

The North Carolina Conference Commission on Worship was created by some who felt that the authority of our witness was weakened precisely because our common worship does not proclaim our historic Methodist faith.

The public worship of God is the most important single hour in the life of the church, therefore, "all who are in any way entrusted with responsibility for, or the conduct of public worship, should do so as unto God."

To implement this conviction, the General Conference Commission on Worship, strongly urges each local church to constitute a Commission on Worship." The general purpose of such a local church Commission should be, "to enrich and not to govern the devotional life of the church, recalling our dual heritage of liturgical and free worship."

Your Commission believes that Methodists, both clerical and lay, are obligated to undertake two tasks: (1) We should seek to deepen the spiritual life of our people by restoring to them full and active participation in the public services of the church, and (2) We should seek to re-unite the two so long separated, our theology of conversion and the church as the sphere of our salvation.

Accordingly, your Commission on Worship suggests the following areas of our church life for study and improvement:

1. *A Commission on Worship in Every Local Church.*

Materials and guidance may be secured through your Commission.

2. *Church Architecture and Christian Worship.*

Congregations building or re-modelling churches need to realize that a Methodist Church must illustrate the denomination's theology and provide a congenial setting for its program. There are many sources available—both materials and agencies ready to help in church planning.

3. *Christian Worship in Relation to Christian Education.*

The local church program of Christian education must include instruction, officially channeled, to guide our people effectively in learning how to worship. Such projects as Membership Training Classes, Vacation Church Schools, Christian Worker's Schools, and other opportunities are recommended as avenues for enlarging the people's understanding of worship.

4. *The Bible.*

The public reading of the Holy Scriptures should be restored to our worship as a vital ingredient. Our pastors and people are referred to any good set of lections such as the selections to be found in the **Book of Common Prayer**, or in other Service Books.

5. *Preaching in Relation to Teaching.*

Good preaching must be a balance between prophecy and instruction. Preaching as teaching touches worship everywhere. All our pastors should strive to interpret to the people through their preaching the inner meanings of the sacred rites of Baptism, Confirmation, Marriage, Holy Communion, and the Burial of the Dead.

6. *The Church Year.*

The Church Calendar is a tested and true plan for ordering the work of the church with continuity and seasonal appropriateness. It is not a magical means of grace; rather, it is a device growing out of the experience of Christendom, which when understood and used, enables a congregation to maintain the natural spiritual rhythm of the seasons and to lift the occasional services such as Baptism, Confirmation, Matrimony, and Holy Communion to a plane of special significance and high memory.

7. *The Methodist Hymnal.*

The Methodist Hymnal should be regularly used in every local church, emphasizing always the Wesleyan hymns. Much help can be had by those responsible for planning services of worship by using the "Aids to Worship" found in the back of the Hymnal.

8. *Evangelism and Worship*

Reference has already been made to our unique combination of evangelical fervor and liturgical worship. John Wesley was right in emphasizing the ancient symbols of the pulpit, font, and altar as "means of grace." Modern sectarian evangelism separates preaching and experience from the "converting ordinances" of the church thus forfeiting the rich churchly significance of belonging to the Body of Christ. The entire spiritual life of the church and her evangel rests on this wide base of the warmed heart and the church as "the means of grace."

The Commission offers its service to the Conference; it stands ready to offer friendly guidance. It is our mission to serve as a source of information and as a distribution agency for any aids to the cultivation of the fine art of public worship. It is the sincere desire of the Commission on Worship to cooperate with the Boards of Education and Evangelism in extending the witness of our beloved Methodism.

Memorial Concerning a Commission to Study the Possibilities of a Unified Chaplaincy Organization for the Methodist Church

WHEREAS, the Protestant pastoral field increasingly is being accepted as expanding and extending beyond the borders of the local community parish into chaplaincies, implying a new recognition that we avow one ministry with several specialized aspects;

WHEREAS, both ecumenical and denominational Protestantism increasingly need organized denominational channels to define and maintain appropriate standards of the chaplaincy ministry, recruitment and evaluational procedures to move qualified clergy into all varieties of these special fields;

WHEREAS, authoritative representation, with a comprehensive knowledge and understanding of all chaplaincy matters, is also increasingly needed for a denomination to be effectively represented in interdenominational conferences on such topics as policy, standards, training, endorsement, etc., and;

WHEREAS, these matters seem to be complicated in our denomination by organizational duplication, involving duality of operation, recruitment, standards, cost and authoritative representation, we memorialize the General Conference of 1960 to establish a special study commission with responsibilities to evaluate and resolve the question of a unified chaplaincy organization (*Discipline*, Par. 1937-1558, and Par. 1571-1572) and its functions from the local to the denominational and interdenominational levels.

Memorial Concerning Relationship between the Methodist Youth Fellowship and the Methodist Student Movement

Since the Discipline states that all Methodists, 12-23, are members of the Methodist Youth Fellowship; and

Since many college students are not active in the local Methodist Youth Fellowship; and since there exists confusion in the minds of youth and their leaders as to whether or not college students should hold office in subdistrict, district, and conference Methodist Youth Fellowship organizations;

Therefore, we, the committee on youth work of the Board of Education of the

Memorial Concerning Loans to Local Churches for Capital Improvements by Holding Agencies, or Institutions Within the Methodist Church

WHEREAS, the Methodist Church as a Protestant Church and Denomination is the parent body for a large number of organizations and institutions which, as incorporated bodies, hold large sums of money in trust as endowments, trust funds, or reserve funds, which must be invested in stocks, bonds, or loans, and

WHEREAS, the Methodist Church is also the parent body for a large number of local congregations and/or churches which are faced with the necessity of securing loans for capital improvements, and

WHEREAS, due to "tight money situations" and other reasons it is often difficult, if not impossible, for local churches to secure necessary loans from lending institutions outside the church, and

WHEREAS, if we expect secular lending institutions to invest in local church mortgages it does not seem unreasonable to expect our own denomination to invest some of its funds in such mortgages, therefore,

BE IT RESOLVED, that the General Conference of the Methodist Church in session in April of 1960 take such steps as may be necessary and expedient to make available from funds held by organizations and/or institutions of the Church a sufficient sum of money to be loaned to local congregations and/or churches for capital improvements, and, further,

BE IT RESOLVED, if necessary, a separate Revolving Fund Corporation be set up and organized for the purpose of administering such a program.

WHEREAS, in The Methodist Church, a large number of pastoral appointments are served by Approved Supply Pastors, and in many Annual Conferences these Pastors constitute a substantial proportion of the total appointments;

And, WHEREAS, under paragraph 622 of the Discipline of The Methodist Church, Approved Supply Pastors, serving pastoral appointments, shall be seated in the Annual Conference session, with privilege of speaking on any question, but without vote, unless by a three-fourths vote of the Annual Conference at its opening session, such Approved Supply Pastors are permitted to vote on all matters coming before the Conference, except those dealing with ordination, character and conference relations of ministers, and the election of lay and ministerial delegates to the General and Jurisdictional Conferences;

And, WHEREAS, the extension of the privilege of voting as outlined in paragraph 622 of the Discipline, in actual practice is not often accomplished.

And, WHEREAS, by this lack of privilege of voting by Approved Supply Pastors,

the pastoral appointments represented thereby are denied the right of their Pastor's vote on many matters affecting such pastoral appointments;

And, WHEREAS, Lay Members of an Annual Conference have the right to vote on all matters coming before the Conference, except those relating to ordination, character and conference relations of ministers;

Now, Therefore, BE IT RESOLVED, that each Annual Conference of The Methodist Church be requested to submit to the General Conference of 1960 a Memorial, petitioning change in paragraph 622 of the Discipline, so that it shall read: "Approved Supply Pastors who are in charge of pastoral appointments and who have served as such for six consecutive years, shall be seated in the Annual Conference Session, with the privilege of speaking on any question, and voting on any question except that such Approved Supply Pastors shall not vote on any matter dealing with ordination, character or conference relations of ministers, and the election of lay and ministerial delegates to the General and Jurisdictional Conferences."

Memorial Concerning the Celebration of the Bi-Centenary of American Methodism in 1966

(The Trustees of John Street Methodist Church are elected by and are directly responsible to the General Conference by the term and under the authority of a CHARTER enacted in 1866 by the Legislature of the State of New York, and approved and accepted by the 1868 General Conference of the Methodist Episcopal Church. The said CHARTER declares: "At any regular session or meeting of the General Conference of the Methodist Episcopal Church in the United States, said general conference shall elect a Board of Trustees, not exceeding nine in number, to be trustees of said corporation (John Street Church), and to hold this office until the next session of the general conference, and until their successors are elected, as aforesaid." And—"The business and affairs of the corporation hereby created shall be managed by a board of trustees, not exceeding nine in number, but the acts of said trustees as such shall be subject at all times and subordinate to the directions and instructions of said general conference relative thereto.")

WHEREAS the formal organization of Methodism in America was first achieved in the establishment of a Class and Society of Methodists in the City of New York in the fall of 1766;

AND WHEREAS the recognition and celebration of the Centenary of American Methodism in 1866 was provided for by several actions of the General Conference of the Methodist Episcopal Church at its regular sessions in 1856, 1860 and 1864, whereby committees with power were designated, detailed plans formulated and carried out upon a denominational-wide basis;

AND WHEREAS the original New York Methodist Society has continued across almost two centuries in the vital and intensely active work maintained upon the property at John Street, New York City, that was secured in 1768, this John Street Methodist Church being the only church of the denomination to stand directly under the control of the General Conference by virtue of the aforesaid CHARTER of the Legislature of the State of New York, as accepted by the 1868 General Conference, and continuously observed by every General Conference since that date;

BE IT RESOLVED that the Board of Trustees of John Street Methodist Church, New York City, elected to this office by the 1956 General Conference, do hereby petition the 1960 General Conference as follows:

To designate a Commission of the General Conference, with power, to formulate plans for the appropriate recognition and celebration in 1966 of the BI-CENTENARY OF AMERICAN METHODISM, which will then occur, and to report said plans in detail to the 1964 General Conference for the consideration and action of that body.

RESOLUTION CONCERNING PASTOR'S REPORT TO ANNUAL CONFERENCE

Whereas, all pastors are required to make a financial report to Annual Conference;

Whereas, all circuit preachers are required to make the financial report to Annual Conference by churches rather than by charge;

Whereas, the sum of certain items to be included are sent to the pastors because the record of these funds is not available on the charge but in the office of the Conference Treasurer; and

Whereas, these funds were reported to the pastor in total without division by church thus making it impossible for the circuit pastor to make an accurate financial report to the 1959 session of the Annual Conference;

Be it resolved, that the amounts included in line 70, of Table II, be stricken from all reports until such time as these funds can be reported and recorded accurately by the church.

9. To the Mayor, the Police Department, the public officials and the citizens of the City of Wilmington, who have shown us every courtesy and helped us in many ways, especially with parking privileges;

10. To the many good people of Wilmington and nearby communities who have opened their hearts and homes to us in gracious hospitality;

11. To the Program Committee who made arrangements for every necessary item in our program and saw to it that the business of the Conference would be interspersed with many high moments of inspiration;

12. To Dr. T. F. Carroll and Dr. John Simpson who brought the fraternal messages from the Virginia Conference, and to Rev. G. E. Hogue who brought the fraternal message from the North Carolina Conference of the Central Jurisdiction;

13. To every person who has taken part on the program and especially to Bishop James H. Straughn, Dr. Henry C. Sprinkle, Dr. Earl G. Hunt, Jr., Dr. Clovis G. Chapell, Mr. R. H. Berg and Dr. Kenneth F. Thompson, who, coming from beyond the bounds of his conference, have brought us inspiration and challenge that puts us forever in their debt;

14. To our Conference Secretary, Rev. W. C. Wilson, and his associates, who have helped to speed the affairs of the conference and who have made tape recordings of the proceedings of the conference and operated the public address systems;

15. To the Statistician, Rev. D. D. Traynham, and his associates, who have spent many weary hours compiling our statistical reports;

16. To the tellers, both lay and clerical, who have worked so diligently counting the ballots;

17. To the Conference Boards and Commissions and to their lay and clerical staffs, whose efficient and consecrated labors throughout the year have contributed largely to our progress;

18. To our District Superintendents, those unsung heroes, who day by day have given to the pastors and the churches the inspiring leadership and brotherly supervision which have spurred us on to do our best;

19. To our beloved Bishop, Paul N. Garber, who has presided over the sessions of our conference with wisdom and graciousness and who has expedited the business of the conference with speed, yet with thoroughness and without undue haste, and who has endeared himself to us all by his brotherly spirit and his superb leadership;

20. To our honored Bishop, W. W. Peele, whose presence is always a benediction to us and to whom we all owe a debt of gratitude for his love and leadership while he was our active bishop;

21. Finally, and most of all, we express our gratitude to our God, the Father, the Son, and the Holy Spirit, in whom we live and move and have our being, and by whose grace we have been redeemed, that he should give to us, unworthy though we be, the high privilege of serving Him through the Church of Jesus Christ. To Him be glory forever and ever. Amen.

1. A STATEMENT BY THE CONFERENCE TREASURER

Methodists of the North Carolina Conference have good reason to be proud of the progress being made by our churches in the many departments in which we are active and especially in the field of finance. A new mark was set in total funds reported by this office, exceeding \$2,700,000.00. We received 96.88% of apportionments and acceptances. Advance specials and some special offerings were lower but the College Capital Fund Campaign added \$779,503.72 to our total thus making the greatest gain to date in any one conference year.

Personnel in the Treasurer's Office probably have the best bird's eye view of the Conference operations and we pray God's Blessings on all who have contributed in love, labor or their means in the attainment of these results.

Yours in His Service,

MARVIN J. COWELL, Treasurer

SCOPE OF EXAMINATION

Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, some features of which are referred to in the outline that follows on specific items.

Cash on deposit was confirmed directly with the banks. Recorded cash receipts were traced to their subsequent deposit in the bank on a test basis, and disbursements were verified by test examination of cancelled checks and paid invoices or authorizations. Income from charges as shown by the Treasurer's records was confirmed directly with the pastors, and minor differences reported to us as of the date of this report were adjusted and satisfactorily explained.

Distribution of income from charges was audited by reference to the report of the Commission on World Service and Finance for the 1958 and 1959 session of the Annual Conference and by reference to proper authorization from the various boards of the Conference.

Investments of the Treasurer and the various boards and funds were either inspected or, if held by an outside agent, confirmed by direct confirmation during the course of our examination.

Cash receipts in transit represent 1958-59 collections received by the Treasurer subsequent to the balance sheet date and were set up from deposits in the bank accounts. Accounts and apportionments payable were set up from disbursements subsequent to the balance sheet date and by reference to proper authorization for the distribution of 1958-59 collections.

CERTIFICATE

In our opinion, the accompanying balance sheet and related statement of income, expense or distribution and fund balance present fairly the financial position of the North Carolina Conference, SE.J., of The Methodist Church, Mr. M. J. Cowell, Treasurer, at June 30, 1959, and the results of operations for the 1958-59 Conference year then ended, in conformity with accounting principles of the Conference applied on a basis consistent with that of the previous year.

Respectfully submitted,
A. M. PULLEN & CO.

The new CHURCH numbers have been assigned to all local churches permanently for the benefit of persons doing research. The letters indicate the county (by abbreviation) in which the church is located. The figures are the church number within its county.
